THOUSANDS OF PEOPLE!

TREMENDOUS CROWDS

Attending B. J. Gough's Manufacturers' Outlet Sale at Lindsay, Ontario.

Never in Lindsay's (Ontario) history of merchandising were such immense crowds seen in one store before. The big crowds that are attending B. J. Gough's Manufacturers' Outlet Sale since the opening day of the sale, have been enormous. This stupendour sale of men's and boys' clothing, suits, overcoats, furnishings, etc., has attracted the people of Lindsay and vicinity from within a radius of one hundred miles in all directions. The people are snapping up the many grand bargains that are on wile, an I B. J. Gough's many extra solespecule have been worked from morning until night supplying the vast crowds of eager buyers that are purchasing the entire stock rapidly. The tremendous crowd on opening day of this ten-day sale was something enormous. It actually seemed that every man, woman and child in Lindsay, Victoria County and surrounding country were there to get their share of this great Manufacturers' Outlet Sale of B. J. Gough's surplus purchase of clothing, suits, overcoats, furnishings, etc., men's, boys' and children's wearing apparel. Such a terrific sacrifice sale never was inaugurated before in the city of Lindsay, and its like will probably never occur here again. B. J. Gough says he bought this great surplus stock from the manufacturers at a very low figure on account of the recent market conditions, hitherto unknown in the past fifteen years, and that he proposes to give the people of Lindsay and surrounding country the benefit of this great purchase from the manufacturerers, by giving the public the greatest bargains o m clothing, suits, overcoats, furnishings, etc., that they have ever had in their lifetime. It certy is a rare chance for our people of Lindsay, Victoria County and vicinity, to buy clathing, suits, overcouts, furnishings, etc., at a big saving, and replenish their needs for the next ten years at about one-half actual value. Consider-and think what this great Manufacturers' Outlet Sale means to you-as it is right in the height of the season when you need the goods most. Thousands upon thousands of people are now taking advantage of this stupendous sale at B. J. Gough's big store, and well they may, as the prices are less than actual wholesale cost. It is a time for clothing, suit, overcoat and cap buying, when one dollar will go as far as two would ordinarily. The opening day of the sale was terrific. Thursday, January 7 and Friday, Jan. 8, the crowds will be just as great, and on the first big Saturday of the sale, January 9, you will see the greatest crowds of people trying to get admission to B. J. Gough's BIG CLO-THING AND FURNISHING SALE that were ever seen at any sale in the city of Lindsay before. We advise early morning trade as much as possible in order to facilitate handling and serving the great crowds. At the prices quoted in this manufacturers' surplus stock, B. J. Gough will not sell to any dealers or merchants, as his great purchase will only be sold AT RETAIL, DIRECT TO THE PEOPLE, and the sale will continue and last only NINE DAYS LONGER. Prices on every article in the store have been cut down to the lowest limit in order to make quick selling of the entire stock. Those who need clothing, suits, overcoats, furnishings, etc., will benefit greatly by this, the most stupendous sale of men's, boys' and children's wearing apparel, that was ever given on any stock of merchandise in any part of the Province of Ontario. At the way the stock was carried out to-day, the first day of the sale, the entire \$45,000 purchase of surplus stocks will easily be sold in nine more days of the sale. From remarks heard upon all sides this great Manufacturers' Outlet Sale, now going on at B. J. Gough's store, corner Kent and William-sts. Lindsay, Ontario, is proving a bargain feast to the public, who are never slow to appreciate a sale of big bargains, such as B. J. Gough's sale is proving to be. You cannot afford to miss it. Don't delay-hurry in-and secure your share of the many grand values being offered at B. J. Gough's Manufacturers' Outlet Sale, now in progress at corner Kent and William-sts., Lindsay, Ontario. The stock consists of men's, boys' and children's clothing, suits, overcoats and furnishings, now being sold at a fraction of the real value. Be careful and be sure you find the right place.
