### Don't Lose a Good Cook Through Poor Flour

A **GOOD** cook, Madam, is a rare jewel and precious scarce nowadays. And because **scarce** all the more precious.

It is this very condition which induces Mrs. Neighbour to win over your Sally by honeyed words and flattery, cunningly intermingled with promises of a **free kitchen, higher wages, evenings off**.

So that the way of a man with a maid is smooth compared with the thorny path of a mistress with the modern kitchen queen.

Any unfortunate remark brings forth a cutting "**Here's me notice**."

Why not place the blame where it rightfully belongs, Madam? Don't lose a good cook on account of **poor flour**. Why, fully half the "baking accidents" are the fault of the flour. Even the highest salaried "chef" could not turn out an appetizing, nourishing batch from a **cheap** brand. It is not fair to expect it.

If there's something wrong in your kitchen, try **FIVE ROSES** before increasing the cook's temperature. Give her a "square deal," as the business man would say.

Buy her just a small bag to test her **real efficiency**. Next time you'll want a **barrel**.

One "reason why" of **FIVE ROSES** popularity is its **Responsiveness**. The least care given to a **good** recipe, backed by **FIVE ROSES**, accomplishes marvels of culinary art. For **cunning** cookery is rare, Madam. **FIVE ROSES** fits in surprisingly with your favorite cookbook, even Mrs. **Rorer's** tested recipes. How many flours really and truly do that? Very few indeed, Madam.

And—  
What about that "square deal" to your folks?

LAKE OF THE WOODS MILLING CO., LTD., MONTREAL

Henry S. Graves is Gifford Pin-dead at Jamestown. chat's successor as head of the U. Hon. E. M. Farrell, of Liverpool, N.S., and William Roche, ex-M.P. S. forest service. Alonzo C. Pickard, a leading crim-for Halifax, have been appointed to final lawyer of Western New York, is the Senate.

### Wild Runaway Team Plunged Into Window

One of the most disastrous runaways that has occurred in Lindsay for many years, happened Wednesday at 6 o'clock, when a team of horses owned by Joseph McGuire, of Downeyville, ran into Ald. W. F. McCarty's large plate glass window, breaking it into "smithereens," and destroying over \$100 worth of jewelry, cut glass and china, etc.

#### TWO TEAMS COLLIDED.

It was a peculiar runaway in every respect. Mr. McGuire was coming out of the Pym House yard with his team and sleigh and, when opposite Mr. McCarty's store he was met by a runaway team going at full speed. Both teams met head on with the result that Mr. McGuire's team also ran away and ploughed straight into Mr. McCarty's window. When a few feet from the store they slowed up and jumped right into the window with their front feet. The crash could be heard the full length of Kent st., and in a couple of minutes a large crowd of people assembled.

#### A NARROW ESCAPE.

Mr. McCarty was sitting near the window and narrowly escaped being seriously cut with flying pieces of glass. He was struck on the shoulder by a large piece of glass and received a severe shock.

#### ALMOST RUN DOWN.

A lady whose name could not be secured, was passing by the store at the time of the accident and was only saved from being run over by Mr. Malcolm Myles, who was standing in McCarty's doorway, and ran out and pulled her out of the way just as the team landed on the sidewalk.

The team that ran into Mr. McGuire's team, was owned by Mr. O'Toole, of Onemee. They were tied in Maunder's hotel shed, broke loose, backed out themselves and ran with full speed to Kent-st., where they collided with McGuire's team, causing McGuire's team to run into the window.

#### WAS SLIGHTLY INJURED.

When the teams collided Mr. McGuire was thrown from his sleigh and received slight injuries. His horses were also badly cut with the plate glass and a veterinary surgeon had to be secured to attend to their cuts.

#### A HEAVY LOSS.

Had the window been a few feet closer to the ground the team would have probably run into the store and caused thousand of dollars worth of damage. Mr. McCarty, in speaking to a **Warder** reported, estimated his loss at over \$100, including three gold watches, pieces of cut glass, rings, china, etc. The plate glass window is insured.

Mr. McCarty and his assistants worked most of the evening cleaning up the broken glass and picking up the jewellery that was knocked to all parts of the store.

#### RUNAWAY 24 YEARS AGO.

A similar runaway occurred about 24 years ago when a team ran away with a load of lumber from the Collegiate to the foot of Kent-st. At the market they took to the board sidewalk and ran the full distance of the street breaking Mr. R. D. Thexton's plate glass window in a store where Mr. R. Neill's shoe store now is.

#### A BEAUTIFUL WREATH.

In mentioning the various floral tributes which were sent to decorate the casket of the late Johnson Ellis, one beautiful wreath was not mentioned, viz., the one sent by the directors of the Lindsay Christmas or Winter Fair, of which the deceased gentleman was President.

#### THE POULTRY SHOW.

The Lindsay Poultry Association's annual show, which will be held here in two weeks, promises to surpass all previous records, the entry list so far being ahead of expectation. Exhibitors will be here from all over the country, while Lindsay and district will be well represented.

Miss Yates, of the Macdonald Institute, Guelph, who has been instructed by the Ontario Government to give addresses on poultry to poultry associations throughout the country, has notified the local association that she will be here on Wednesday evening and will give a talk on poultry at the town hall that evening.

### Provisions of the Naval Defence Bill

The Naval Defence Bill, which was introduced in the House of Commons yesterday, is drafted upon the lines of the Militia Act. It provides for a naval force divided into a permanent corps, a reserve and volunteers. There is, however, to be no levy en masse or conscription for the navy as there may be for the land services under the Militia Act.

The ships and sailors may be placed at his Majesty's service by the Governor-in-Council in case of war, invasion or insurrection. But if such action is taken during a recess, then Parliament must be summoned at once.

A naval college is to be established along the lines of the Royal Military College at Kingston.

The armament is to consist of four Bristols or protected cruisers of 4,600 tons burden, carrying a crew of 391 men; one Boadicea, 3,300 tons, with a crew of 278 men, and six destroyers of the improved river class.

The ships are estimated to cost \$11,600,000 if built in England. If built in Canada they will cost approximately \$16,000,000.

The construction is to be commenced at once, probably in Canada.

The naval force will be under the command of a director, with the rank of rear-admiral, assisted by a naval board. The discipline will be the King's regulations and pensions will be provided for officers.

### Mariposa Council Proceedings

(Too late for last week.)

Oakwood, Jan. 10.—The members subscribed to the declaration of qualification and office respectively as follows: J. I. Michael, reeve, A. J. Varcoe, deputy-reeve, and Messrs. Edwin Rogers, Neil Ferguson, and J. M. Swain as councillors. The members of the council congratulated the reeve on his having so successfully guided the helm of state during the past year as to bring them all back again safely to port. The reeve was too modest to assume all the responsibility, but chose rather to share the honors with the members of the council.

The minutes of the last meeting were read, but it appeared that the wording of the resolution regarding the leasing of the gravel pit at the north part of lot 11, con. 4, did not fully convey the meaning intended, and on motion of Messrs. Swain and Ferguson it was amended so as to read that the whole half acre shall be included in the lease for the term of ten years, and upon this amendment being made the minutes were adopted. Requests for grants to the Sick Children's Hospital at Toronto, and the National Sanitarium at Gravenhurst, were made by Mr. J. Ross Robertson on behalf of those most deservedly institutions. Mr. William Rich tendered his resignation as bondsman for the township treasurer, Mr. Rennie. The statement from the Bank of Montreal for Dec. 30, 1909, shows a balance to the credit of the township of \$108.92, and the Standard Bank at Little Britain shows a balance of \$39.81 at the same date.

The applications for the different offices in the township were very few, and is taken as an indication that the work of the past officers has been satisfactory. The single tax association again sent petitions in favor of the movement, but the council refused to endorse the scheme as at present outlined. A report of the Ross Memorial Hospital at Lindsay was placed on the table. Messrs. G. G. Wallis, A. E. Webster, John Davidson, John Hooper, Ernest Webber, Charles Dunn and Albert Rich were present in respect to the Dunn drainage court of revision. Mr. G. G. Wallis put up a very strong plea for compensation for injuring liability. The solicitor was called up, but could not say definitely as this was an amending by-law, and the court was adjourned for a month.

#### RESOLUTIONS PASSED.

On motion of Messrs. Ferguson and Varcoe, Mr. J. J. Glass was appointed assessor for 1910 at a salary of \$165. On motion of Messrs. Varcoe and Rogers Dr. Hall was appointed medical health officer. On motion of Messrs. Rogers and Varcoe, Mr. W. J. McCullough was appointed sanitary inspector for 1910 at a salary of \$2.50 per day of actual service. On motion of Messrs. Rogers and Varcoe Messrs. C. H. Lepp and G. N. Douglas were appointed auditors of the township accounts for 1909 at a salary of \$15 each. On motion of Messrs. Swain and Ferguson Mrs. Hughson was appointed caretaker of the town hall at a salary of \$8 per month. On motion of Messrs. Ferguson and

Swain Mr. John Stacey and Mr. Philip Mark were appointed commissioners of roads and bridges at a salary of \$2.50 per day, with the understanding that Mr. Stacey should be paid a suitable price for his services while building tile or cement bridges. On motion of Messrs. Ferguson and Swain by-laws 655 was read a second time in committee of the whole council with Mr. Michael in the chair. On motion of Messrs. Varcoe and Swain the court of revision respecting the Dunn drain by-law was adjourned till the second Monday in February at 2 p. m. On motion of Messrs. Rogers and Ferguson by-law 658 was read the usual number of times, appointing Mr. D. A. Anderson a member of the local Board of Health for the next three years. On motion of Messrs. Swain and Ferguson by-law 659 was read the usual number of times appointing Mr. A. G. Cavana P.L.S., to examine and report as to what is required to remove the cause of the damage, if any, to lot No. 14, in the 13th con. of the township of Mariposa, and other lands, together with the estimated cost of the same, as provided by section 75 of the Municipal Drainage Act. On motion of Messrs. Rogers and Swain by-law 660 was read the usual number of times appointing the various officers just named. On motion of Messrs. Rogers and Swain by-law 661 was read the usual number of times, appointing Mr. Albert Davidson an arbitrator for the township of Mariposa to arbitrate on the matter of compensation, and terms of an agreement for the leasing of a gravel pit, being a part of lot 15 in the 3rd con. of the township of Mariposa, one-half acre more or less.

J. B. WELDON, Clerk.

#### GLENARM MAN HURT.

Mr. T. J. Argue, of Glenarm, was knocked down by a horse at noon today in the vicinity of the C. P. R freight sheds and one of his legs badly bruised. He also received several other minor cuts and bruises about the face and body. He is an elderly man and was at once conveyed to the Ross Hospital where his injuries were attended to.

Mr. Argue came to town Thursday with a horse he had sold to Mr. Silverwood, and while at the C. P. R. freight shed waiting to load the animal, the Grand Trunk shunter came along and frightened his horse with the result that he was knocked down against the pavement receiving the above stated injuries.

### Break Two Ribs And Hurt Thigh

Cameron, Jan. 11.—Mr. Wm. Wolroth had the misfortune to break two of his ribs and hurt his thigh and back very badly the other day. He was backing a cutter out of the barn, and the gangway being icy and the day windy, the cutter was driven sideways and he fell with the above results. We hope he may soon be out again.

Mr. David Smith, who has been ailing for some time, is again able to come to the village. He looks somewhat thin and pale, but states that he is beginning to feel himself again.

Mr. Alex. Windrem, wife and son, Cmemee, were at Cameron this week the guests of Mr. and Mrs. Cundal. About twenty-eight years ago, they were residents of this locality, but about that time they located in Parry Sound District, and some eleven years ago sold out there and went to Sask., near Milestone. There a settlement was made by several from Parry Sound, Lorneville, Woodville, and other localities, and in that time have seen the unbroken prairie turned into fertile and extensive wheat lands, and mere shacks into beautiful and costly farm dwellings. Also, they have seen Milestone, Weyburn Yellowgrass and other similar places grow into flourishing towns and cities, with all the conveniences of like places in the eastern and older provinces. They are built up in the west, and hope and predict for it a great future. On account of their own success, they have great confidence in advising young men of Ontario to go west and share in that glorious heritage awaiting them.

Council met here on Monday last, and began their labors for the year.

#### HOCKEY SCHEDULE.

Jan. 21—Peterboro at Lindsay.  
Jan. 28—Lindsay at Peterboro.  
Jan. 31—Peterboro at Lindsay.  
Feb. 4—Lindsay at Peterboro.

#### WON FIRST ROUND.

The Lindsay curlers have certainly made a whirlwind start this season in their cup competitions with outside clubs.

Skips McDiarmid and Reesor visited Fenelon Falls Wednesday and defeated Skips Cashore and Robinson in the Fenelon-Lindsay cup competition by 23 shots, which almost constitutes a record for two rinks. Skip McDiarmid only allowed his opponent to score on four ends, and one of these was a five. Skip McDiarmid scored a six on the last end and won by 17 shots.

Skip Reesor also held his opponent safe all the way and won by six shots scoring a five-end on the second end played. Lindsay now has a lead of 39 shots on the first round, two Lindsay rinks winning from Fenelon Falls yesterday morning in Lindsay by 16 shots.

The second round will be played in the near future, but it looks all Lindsay for 1910. The ice in Fenelon was in good condition and the Lindsay curlers speak in the highest terms of the Fenelon curlers.

#### THE RINKS:

Lindsay.	Fenelon.
F. H. Hopkins	E. Nevison
P. Burke	C. Deyman
F. Knowlson	J. F. Mann
I. A. McDiarmid	H. Robson
Skip.....26	Skip.....9
M. Knowlson	M. Haskell
J. McGillivray	E. Pearce
W. Knowlson	A. Gould
W. E. Reesor	T. Cashore.
Skip.....20	Skip.....14
Total.....46	23
Majority for Lindsay, 23 shots.	
Majority for Lindsay on the round	
39 shots.	

## THAT ESSENTIAL QUALITY

While this bank adopts every desirable method in modern banking it never loses sight of that essential quality; **ABSOLUTE SAFETY.**
