Former Carden Farmer Doing Well in North-West—Visiting Old Home

An absence of some thirteen years from one's former home and acquaintances has a tendency to make the heart grow fonder, and when Mr. John Ashley, of McTaggart, Saskatchewan, thought that it was time he was taking a holiday, he decided to re-visit his old home in Ontario, and renew acquaintances with his former companions. The decision once made, he "stuck to his guns," and as a result landed at the old home in Carden township in time to partake of his Christmas turkey with his Carden friends. Mr. Ashley was accompanied by Mrs. Ashley.

Mr. Ashley struck the Canadian west in a period when it was essential that all homesteaders must work hard if they expected to accomplish anything. Mr. Ashley has worked hard ever since he went west, and as a result he to-day owns one of the finest farms in the great Canadian wheatbelt, one worth several thousand dollars, and besides Mr. Ashley has a comfortable "nest egg" in the bank at high interest.

In conversation with Mr. Ashley, he stated that last year the Western farmers experienced a banner crop, which was disposed of at excellent prices. Mr. Ashley had 330 acres of wheat which averaged twenty-two

Annual Convention of Mariposa Township Sunday School Workers Was Held

Valentia, Jan. 15.—The annual Sunday School Association of the Township of Mariposa held their convention at Valentia on Wednesday, Jan. 12th. The day was ideal, and people from all over the township attended the convention. The church was filled at the very first session at 2 p.m. in the afternoon. At the evening session the church was again packed, and many had to stand.

At 2 p.m. the devotional exercises were conducted by Rev. Mr. E. Elliott, of Oakwood, the address of welcome was given by Mr. J. M. Swain, and after the reports were read an address was given by Rev. H. W. Foley, B.A., B.D., of Bobcaygeon.

An excellent address was then given by Mr. S. Halpenny, the new General Secretary of the Provincial Sunday School Association.

It was followed by a round table conference conducted by R. W. Clark of Millbrook.

The afternoon session was very much enjoyed by the Sunday school workers, the addresses being interesting and instructive.

EVENING SESSION.

At 7.15 song service was conducted by Rev. J. F. Chapman, B.A., of Little Britain, and was followed by an address by R. W. Clark, Millbrook, Rev. H. N. Conkle, of Sonoma, and Mr. Halpenny. The three addresses were very much appreciated by all.

The Little Britain and Oakwood choirs helped to make the convention a success. The Penell quartette sang well. The Osborne brothers, who are members of the baseball club, three of them being in the quartette, are excellent singers. Refreshments were served in the basement.

The Farmers' Institute was in full swing here on Friday, and many attended the meetings. It was one of the best ever held here.

The Ladies' Institute was also held in the basement of the church. Mrs. Ashley made two of the best Institute addresses yet heard.

Mr. Frank Emerson, from Joliette, Dakota, is visiting friends here.

Mr. and Mrs. Suggitt and his two daughters from Baddow are visiting at Mr. Richard Suggitt's.

Mr. Samuel Nicholson and wife, from Cartwright; also R. H. Suggitt and Miss Hazel Campbell, of Cartwright, attended the convention.

Mr. Wm. Ray and Mr. Wm. Hore are here from Manitoba.

Victor Suggitt, of Port Perry, was at home Saturday and Sunday.

DEATH AT FRANKLIN

Franklin, Jan. 17.—Death visited our village on Monday, Jan. 10th, and removed one of our most respected neighbors in the person of Mrs. Edward Shea. Her death was a sad shock to her many friends, and was very sudden and unexpected, as she was first reported ill Saturday night. However, the deceased lady's strength had been gradually failing during the last few years, and she was not able to keep up. She was in her 67th year and is survived by her husband, three sons and three daughters, all married. The funeral,

which was held on the following Wednesday, was very largely attended.

Mr. T. R. Brown has sold his fine farm just west of here to Mr. Thos. Scott. The farm contains 100 acres, and the price paid in cash was \$4,600. Mr. Brown has been a life-long citizen of this part of the country, and his numerous friends will regret to see him leaving.

TWO GOOD SERMONS.

Rev. Mr. Lambert, of Orono, and Rev. J. R. Real, pastor of the Queen st. Methodist church, exchanged pulpits Sunday. The former reverend gentleman delivered two excellent sermons to two fairly large congregations.

Cross, Sleepless Babies Are Sickly Babies

When little ones are sleepless and cross it is a sure sign that they are not well. Probably the little stomach or the bowels are out of order, or the child may be suffering from teething troubles. Give Baby's Own Tablets and see how quickly the child grows well and happy and sleeps soundly—not the drugged sleep, of "soothing" medicines, but the natural sleep of health. Mrs. Edward Siggord, Maskinonge, Que., says: "I have used Baby's Own Tablets for indigestion and other troubles of childhood, and they always work like a charm. They always keep my little one well." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
