COUNTRY CORRESPONDENCE

(From our own correspondent.)

ISLAY.
Islay, Jan. 17. — Many residents paid their last tribute to the memory of a devoted friend in attending the funeral of the late Mrs. H. McEadyen of West Islay, who died on Thursday, and was interred in Glenarm cemetery on Saturday the 15th inst.

From latest reports we receive eggs from China, for our consumption, 116 barrels having already been shipped. Consumers can take it for granted that they are much smaller eggs, and the home product is much the best. Probably this is the cause of our storekeepers being anxious to know if the eggs are new laid when our better halves take a supply to them. As our hens are not trained to lay stale eggs, the question is answered.

Mr. and Mrs. Dave Graham were visiting friends on Sunday last. Mr. and Mrs. Thos. Ferguson were also visiting on Sunday.

Do not let your apples go to waste. It is stated that Great Britain imported from Canada 1,629,400 barrels, valued at £24,574, last year.

Mr. and Mrs. Marshall Moynes were away visiting friends on Sunday last.

The men and the youths will not propose. Oh, the giddy things! So say the lonely maidens of the surrounding happy homes. It can't be leap year each year, and we would not be suffragettes, so cannot vote, but we do vote on the men.

Don't fill your trough with water for the next morning, on a sharp, frosty night. It's labor in vain. Don't warm the seat of your chair on a hot stove when the morning is cold, it might cause the varnish to run; don't, when taking your best girl to town, leave her with a pal—he may tell her a fairy tale, and drive her home; don't think that the Weekly Watchman-Warder is the only one published. Get the daily edition, for therein will be found the news that you are longing to see.

The usual monthly meeting of the Islay branch W.I. was held at the home of Mrs. Thomas Jewell on Thursday, 13th inst. It was attended by several members, who had shown their pleasure in submitting questions debate and to carrying on the usual routine of business.

Miss Ruby Magee, of Lindsay, is staying at Islay for a few days, at the home of Mr. and Mrs. Marshall Moynes.

Rumor has it that there will be an extraordinary, out of the ordinary musical evenings, held shortly (probably 28th inst.) at the home of Mr. and Mrs. Dave Graham, of this district, in connection with the W. I. headquarters.

NESTLETON.

Nestleton, Jan. 18.—Skating is the order of the day.

Mr. J. J. Bruce took a trip to Lindsay this week.

A grand reception was held at the residence of Mr. Wm. Porteous on Monday evening in the home of Miss Madelena Emerson and parents, who

YOU CAN SAVE HIM

Write to This Woman To-Day

She cured her husband, her brother and several of her neighbors, and now she generously offers to tell you of the simple, inexpensive remedy that she so successfully used. The remedy can be given to the patient unnoticed so there is no publicity of your private affairs. She is anxious to help others so we earnestly advise every one of our readers who has a dear one who drinks to drop her a line today. She makes no charge for this help, she has nothing to sell (she asks for no money and accepts none) so there is no reason why you should not write her at once. Of course, she expects that you are yourself personally interested in curing one who drinks, and are not writing out of mere curiosity. Send your letter in confidence to her home. Simply write your name and full address plainly in the coupon below and send it to her.

MRS. MARGARET ANDERSON,
232 Home Avenue, Hillburn, N. Y.

Please tell me about the remedy you used to cure your husband, as I am personally interested in one who drinks.

Hopes to See Bobcaygeon Win

Bobcaygeon, Jan. 17.—Rev. G. C. R. McQuade, of Beaverton, a former junior pastor of the Methodist church here, preached on Sunday evening, Rev. H. W. Foley preaching missionary services at Beaverton.

Miss Berry, milliner, leaves for her home at Cobden to-morrow morning for a short holiday. She expects to be back again in March.

Mr. Roy Croft has opened up a new store next door to Mrs. Phillippo. His specialty is in the boot and shoe line, but carries gents' furnishings, groceries, etc. He believes in cash or no trade, believing that the goods are more valuable to him in his hands than in credit on his books. It is a good principle, and we hope he succeeds in educating the people up to the standard of pay as you buy.

Bobcaygeon tankard rinks skipped by W. A. Davis and E. J. Broad leave for Lindsay in the morning to take part in the preliminary round. They have been putting in some training stunts lately, and will likely have a few things up their sleeve when it comes to the pinch, and when they run up against Peterboro, Lindsay, Fenelon Falls, and all the other banner hunters, there will certainly be something doing. At any rate it is about time that Bobcaygeon was getting a look-in, for it is a long way back to 1893. We wish them success.

The annual meeting of the Verulam Agricultural Society will be held in the town hall Saturday, the 22nd inst.

Mr. Archie Fraser was killed in the machinery of the Office Specialty Works at Newmarket. Henry Bradley, C.P.R. agent at Dorking, has been arrested on the charge of stealing money and tickets from the company.

Special Notice. BETTER THAN SPANKING.
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box 265 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
