Novelized From Fugene Walter's Great Play By J. W. Harding

\*\*\*\*\*\*\*

"Me? North mountain? No, thank you! I had enough walking yesterday. I'm going to church; mother's coming too. We didn't go last Sunday, and the whole park will be gossiping if the family isn't represented sometimes by some one or other. They'll think we're all pagans. Besides, I'm going to wear the new gown Jimsy brought up for me from the dressmaker's. Wasnet it lucky he was coming? It wouldn't have been here till Tuesday or Wednesday. That man's always on hand just when he's wanted. Won't those l'arwons girls stare!"

Jimsy walked down through the

"Beth," he said by way of salutamountain climbing outfit I ever saw." about people's clothing when they're watched Emma, who, with a little cry not dressed to receive," she retorted of delight, had stooped among the carrying on as if it was the middle of heaval in her heart that she felt must over the house since 5 o'clock, and all that because she's going for a overpoweringly violent though it was,

in your pew," observed Smith, "we the other cherubs, listening to the sol-

mother she rarely goes farther than dragged Beth about and learned every summer I've been bere, you know." cended through forests of trees of every description, but as they proceeded wet moss, and pushed through undergiants that shot sheer to such a height that they seemed to form pillars for that they seemed to form pillars for that they seemed to form pillars for the best of the canopy of the heavens. Emma re- had receded further and further to you come right down to the contem-

and her eyes grew hard. They continued the climb in silence "Emma, do you remember that Emma's bosom rising and falling rapthat night just before you learned the idly upon the rush and swirt of the truth I told you about that chap in torrent that raged beneath it, almost sweeping her self control before it

Jimsy indeed loved her! Why had this chance revelation of what her intultion had divined long before torz open the floodgates of her own own tions? Because it had ect ribrating every chord of her being, and every chord of that being, as she had come to understand also, was attuned to his. Together they had beheld the mir-

her and said, "You understand."

At the upper edge of the forest labyrinth they emerged on to a rocky plateau studded with dwarfed firs and balsam pines, but covered thickly with aromatic ferns and blueberry bushes. Jimsy bared his head to the cool "It's very rude to make remarks breeze that swept the clearing and "You're not privileged to express any blueberry bushes and was gathering a opinion. It's too early. But it's quite handful of their ripe fruit. She was impossible to stay abed with Emms glad of the pretext to hide the up-

This upheaval, sudden and almost was not of the morning's forming. "Why, she hasn't slept a wink think. She had known the calm, sympathetic ing of her new dress," laughed Emma. westerner-as he had reminded Cap-"Well, Beth, by the time you've got tain Williams-ever since she was a your halo out of curl and settle down girl in short frocks. She had soon er, with whom she shared her girlish freely, naturally, as a matter of course. When she had become a woman and he had sought her for his bride she had not been able, with all her liking for him, to bring herself to consider him in the light of a lover.

After the scales formed there by the blandishments and personal pulchritude of Brooks had fallen from her eyes and she saw that she had bowed down to an empty, painted fetich of plaster instead of to God in the flesh she had resigned herself to the lo destiny had brought her and sought to make the best of it like the pure woman she was. Household drudgers had vanquished and put to flight al her illusions. Love was a delusion to be. It existed in perfect, idea form only in the imaginings of the
