Fry, have returned to their respective homes. Miss Mabel Lytle, who has been very ill since her mother's death accompanied Mrs. Stinson for a much needed rest.

Death has again visited our midst and removed an old and highly respected citizen in the person of Mrs. Edward Lytle. Deceased, who was in her 70th year was much respected and beloved by all who knew her.

She has been a great sufferer for many years, and for nearly twenty months has been quite helpless. Death came very suddenly at the last. On New Year's day she took a weak spell from which she never rallied and sank rapidly till she passed peacefully away on Jan. 2nd about 6 a.m. She bore her long illness with great patience. The deceased leaves to mourn her loss her husband, who on the day of her funeral was so ill with bronchitis that little hopes were held out for his recovery, and seven daughters: Mrs. Rickman, of Cobocok; Mrs. Wm. Fry, of Victoria Road; Mrs. A. Stinson, of Janetville; Mrs. S. Dowson, of Bowmanville; Mrs. J. J. Loves, of Omemee; Mrs. James Black, of Bexley, and Miss Mabel Lytle at home. Also four sons, Mr. Joseph W. and Edward, of Victoria Road, and Fred at home. The funeral on Thursday was largely attended. Interment took place at St. Andrew's cemetery. Rev. Mr. Gandier, of Cobocok, conducted service at the church and grave. The pall-bearers were five sons-in-law of deceased, and Mr. John Lytle, of Victoria Road. The sixth son-in-law, Mr. Jas. Black, of Bexley, was prevented from being present through illness. The hearty sympathy of the neighborhood is extended to the whole family in their bereavement.

There promises to be a large crowd at the sale of fine cattle to be held on Jan. 24, on the farm of Mrs. Webster near Oakwood. The cattle to be sold include: Spruce Grove bull; Queen, sired by imported bull; Daisy, sired by Brilliant Star; Rose, sired by Channon's stock bull; Mayflower King; Beatrice, sired by Bal-Thorn Countess Co. Princess; Beatrice, sired by imported bull; Lady of Spruce Grove, sired by imported bull.

A representative of The Watchman dropped in to see the above cattle and was surprised to find that there was such a fine stock on the farm of the late Mr. Webster, who at all times prided himself on having good stock round him. It is a good opportunity for the farmers of this or any other part of the county to get some good stock which will not require a lot of feed as they are in splendid condition. The sale on the 24th of this month promises to be a chance for everyone to get a good animal for their needs. There is a lot of stock to be put under the hammer, but the above are just a few of the good ones which came to his notice.
