CAKED UDDERS CURED IN 24 HOURS BY DOUGLAS' EGYPTIAN LINIMENT

Here is the opinion of Mr. Robert Harkness, a leading resident of Tamworth, Ont.:

"During last winter I had wonderful success with Douglas' Egyptian Liniment on my stock. I feel it my duty to write you. ... cattle were troubled with caked udders, so bad in fact that we thought they would lose the use of them. We applied the liniment but twice, and in ... our cows we could milk ... trouble.

"When anything goes wrong in our home or stables, this excellent liniment is always called for, and never fails to give instant relief.

"I hope this letter will catch the eye of those whose cattle are suffering from caked udders."

Besides quickly curing this trouble, Douglas' Egyptian Liniment has proved its worth in both human and animal disorders, such as rheumatism, sciatica, neuralgia, sprains, burns and inflammations. It has healed, without blood poisoning or other complication, serious wounds, sores and bruises. 53

Another Cup For "J. D." --Veteran Skip and Crew Win Chief Event at Peterboro

Peterboro, Jan. 23. — With a thin layer of water on the ice, Skip Flavelle of Lindsay defeated Skip McWilliams of Keene, here this afternoon in the final game of the Peterbora bonspiel, thus winning the Grand Challenge Cup.

The game was a good one, despite the large score, the veteran and his crack Tankard rink being in the very best of form. The heavy going made many a stiff joint.

In all the games played by Skip Flavelle in this 'spiel he was never down on the score board. The cup is a beautiful silver trophy, while the winners also carry home with them four fine club bags. Following are the rinks and score by ends:

Lindsay	Keene.
R. Butler	R. McCamus
F. Carew	W. Wedlock
L. V. O'Connor	J. Moore

Hartley L. O. L. Held Very Successful Entertainment

Mr. Wm. Warren, County Master of the Loyal Orange Association of Victoria County, and Mr. Wm. Thornbury, P.C.M., drove out to Hartley last night, accompanied by a trio of Lindsay musical and vocal talent, in the persone of Mr. Wesley Hewie, comedian and vocal artist, and the Misses Thornbury, vocalists, and took part in a very fine entertainment, under the auspices of Hartley L.O.L. No. 1113.

The event was a huge success, both from a financial and social standpoint. Bro. Thornbury acted in the capacity of chairman in a most capable manner, and the best of order and harmony prevailed. Bro. Armstrong, of Orillia, delivered a fine address, dwelling particularly on the Orange Mutual Insurance department. Bro. Warren gave an address on the objects of the Order, showing in the course of his remarks that the Order was not, as some outside of it supposed, organized to demolish and injure fellow Roman Catholic countrymen, but stood for equality of civil and religious rights for British citizens, both Catholic and Protestant.

BURY'S GREEN.

Bury's Green, Jan. 20.—We have had a real big January thaw of late, but as yet the sleighing is splendid on our roads.

The oyster supper given in Lamb's school-house on Friday evening of last week, under the auspices of St. Peter's Church, was a decided success. A large crowd attended, and the supper was all that could be desired. An excellent program was given. The orchestra from Fenelon Falls was in attendanre and furnished some very fine music. The proceeds amounted to over $35, which goes to the aid of the church.

Married.—At the Methodist parsonage, Fenelon Falls, by the Rev. J. Bedford, Miss Lillie Billett, of this place, to Mr. Wesley Reeds, of Burnt River. We extend our congratulations.

Mrs. Wm. Prior, who at one time was a resident of this place, but now of Sterling, Man., is visiting among friends here. She is accompanied by her three children.

We are glad to state that Mrs. Wm. Green, who has been very sick with a severe cold, is very much improved.

REABORO.

Reaboro, Jan. 21.—Court Reaboro of the Canadian Order of Foresters held a successful basket social here last Friday evening. Owing to unfavorable weather conditions the crowd was not quite as large as was expected.

Mr. Thos. McMann, of Port McNichol, spent Sunday at his home here.

Mr. and Mrs. wlfred Roebuck, of Broderick, Sask., are in the neighborhood this week.

Mr. Thos. Jones, of Cavan, called on friends here recently.

The Reaboro Cheese and Butter Co. are holding their annual meeting this week.

We were sorry to hear of the death of the infant daughter of Mr. and Mrs. Fred Hickson, of this place. The little one succumbed to an attack of whooping cough, which is prevalent in this locality. The funeral was largely attended by friends and neighbors.

ant; and love to our fellow man of whatever faith, not forgetting to point out as well that an Orangeman was pledged to support the unity and integrity of our grand old British Empire.

Bro. Hewie brought down the house with his comic songs and stunts, and also acted in the capacity of auctioneer in the sale of baskets in a most efficient manner. He was successful in making the boys pay dearly for the privilege of eating with their lady friends.

The Misses Thornbury rendered several vocal duets and solos to the entire satisfaction of all present. An orchestra comprising organ and violins rendered several choice selections, which were very much appreciated.

Bro. Wm. Manning, D.C.M., delivered an excellent address on the merits of the Order, which was attentively listened to and geeatly appreciated.

In the arrangement of the program Bros. Robert Spence assisted very ably and altogether a very successful and pleasant evening was spent and a very successful year is predicted for Hartley Orange Lodge

NEVER NEGLECT A HEADACHE.

Headache is not a disease in itself, but is often a source of great suffering, and its presence is likely symptomatic of some disease lurking in the system.

To get rid of the headache, and thus prevent more serious troubles, it is absolutely necessary to cleanse the system of all waste and poisonous matter, and keep the bowels well open, the clogging of the bowels being one of the principle causes of headache. Burdock Blood Bitters regulates the bowels, and makes their movement free and natural. A cure for headache; a medicine that cures where others fail.

Mrs. J. Banks, Mt. Hanley, N.S., writes:—"Several years ago I was a constant sufferer from headache. I was all run down, and nothing seemed to do me any good. I read of Burdock Blood Bitters, and decided to give it a trial. The result was marvellous, the headache stopped entirely, and I feel better in every way. I can safely recommend B.B.B."

Bishop O'Connor Dead

Peterboro, Jan. 24. — His Lordship Bishop O'Connor, died at St. Joseph's Hospital last night at 8 o'clock. The news of his death came as a shock to many, for the serious nature of his illness was not generally known. For some time the Bishop has not been enjoying good health but it was only about a week and a half ago that his illness assumed a serious turn. He was removed to St. Joseph's Hospital, but in spite of the best medical skill his case became more serious and death resulted as stated above.

On August 2, 1911, the golden jubilee of his Lordship was celebrated, marking the completian of the half-century of his priesthood. The occasion was conspicuous, not only for the evidences of veneration and affection of hisW people, but the rehearsing of a significant record of noble work in the interest of the church, which his fifty years of faithful and unremitting discharge of duty had placed to his credit. The priests of his own diocese on that occasion presented him with a purse of $2,000.

He leaves to mourn his loss a sister, Miss O'Connor, of Toronto, who was in Peterboro during the last days of His Lordship's illness.

The funeral will be held at 9.30 a. m., Tuesday, to St. Peter's Cathedral and thence to Se. Peter's cemetery for interment.

OBITUARY.

THOS. KENNEDY.

Mr. Thos. Kennedy, one of the old pioneers of Emily, passed away on Thursday, January 23rd, at his home in Dunsford, at the ripe age of 82 years. Mr. Kennedy was a man of vigorous frame and imbued with a determination that characterized the early settlers of the country. In his time he cleared many acres of woodland, and lived to see the result of his labors bring forth fields of golden grain and hay. The deceased concluded ten years ago that he would retire from farming, and moved to Dunsford, where he and his wife have since resided. He leaves to mourn his demise a loving wife, three sons, John F., William, and James; also two daughters, Mrs. Wm. Hodge, of Saskatchewan, and Mrs. Robt. Artless, of Emily. The deceased was an adherent of the Methodist Church, and a Conservative in politics.

The funeral will take place on Saturday, Jan. 25th, at 1 o'clock p.m. Service at the church, after which the remains will be interred in the Dunsford cemetery.

CHEER UP SPRING WILL BE EARLY

According to a local weather expert the vagaries of the weather this season are controlled by the planets. His explanation is that the reason roses had been blooming all winter in Great Britain, and pansies have this week been in bloom in Toronto gardens, is owing to the unusual proximity of the planet Mars to the earth. He did not mean that Mars was doing anything out of its course, but that it was this season in the prescribed course of its cycle due to be within a stellar and sufficiently near to affect the motion of the earth.

"You see," said he, "that while the sun, which is much further away, holds the earth in its place, the planet Mars is this year near enough to make our world wobble. That is why the Atlantic storms have been so terrific.

"As its influence is greater north of the equator than south of it, owing to its position, the general tendency has been in the direction of higher temperatures."

GETTING CLOSE.

He also stated that Mars had for some time been approaching the earth at a marvellous speed, so that it was now eleven million miles nearer than in December, and would on account of the course it is taking be another twelve million miles nearer the earth before the end of February.

The effect, he said, would harmonize with the early advent of Easter this year, as it would synchronize with the arrival of an early spring.

His other deduction was that the proximity of Mars would keep the price of overcoats and coal down, break the corner in fresh eggs, stimulate an early opening of the spring real estate activities, affect a long summee, and in practically all such respects atone for the atmospheric shortcomings of last year.

The bride, who was given away by her father, wore a handsome gown of blue silk, Marguesette trimmed, with Irish point lace, and carried a handsome shower boquet of cream Nile roses and lily of the valley, and was attended by her sister, Miss Luella Poulsom, who wore a pretty gown of blue silk, and carried pink carnations; while Mr. Leslie MacKendry, of Blackwater, supported the groom.

Cheap Rates for Winter Carnival

At a meeting of the Advancement Club held last week in the rest rooms of the D. & F. store, it was announced by President Gillies that cheap rates had been secured on both railroads for the Lindsay Winter Carnival. The carnival will spread over four days this year, namely, on Feb. 12, 13, 14 and 15, and cheap rates will commence on the night of Feb. 11, and conclude on the morning of Feb. 17, thus allowing visitors to remain over Sunday in Lindsay.

Committees were appointed to look after all arrangements for the big 4-day event, and Messrs. F. R. Fisher and E. E. Robson were admitted by ballot to the club.

Work of Baptist Church in Europe

The Rev. A. J. Vining, who occupied the Baptist Church pulpit on Sunday last, spoke to the congregation in regard to the work done in Europe by th. Baptist Church World Alliance. The reverend gentleman stated that schools were one great essential which the country lacked, and that education was sorely neglected. Many of the atrocities which are chronicled from time to time are principally happenings that take place amongst the untutured, which with a proper school system might be moderated, or averted altogether. This is the object of Mr. Vining's mission in Canada.

A generous contribution from the congregation rewarded the clergyman who will continue to spread the gospel and education amongst those illiterate inhabitants who form a large part of the Russian empire. The Sunday School class received a beautiful sermon from the reverend gentleman in the afternoon.

Hon. Martin Burell, minister of agriculture, introduced a Government bill for Federal aid to agriculture.
