FEELS LIKE A NEW WOMAN

As Lydia E. Pinkham's Vegetable Compound Dispelled Backache, Headaches and Dizziness.

Piqua, Ohio.—"I would be very ungrateful if I failed to give Lydia E. Pinkham's Vegetable Compound the praise it deserves."

With a severe case of organic weakness, I had backache, pains in my hips and over my kidneys, headache, dizziness, lassitude, had no energy, limbs ached and I was always tired.

Women who are suffering from these distressing ills peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

CHURCH UNION POSSIBLE BY YEAR 1915

Rev. Dr. Manning, at the Central Methodist Church, Stratford, gave an address on church union, which has been for some years been a live subject between the Presbyterian, Methodist and Congregational churches.

When I went to the meeting last week it was with the thought in my mind that the meeting was a useless expense and likely to be unprofitable. But he was amazed with the developments of the meeting, which was attended by some seventy men representing the three churches named.

The difficulty has been hitherto with the minority in the Presbyterian Church, which has resisted the union proposal. The principal thing which amazed Dr. Manning was the determination manifested among the chief men in the Presbyterian Church not to be any longer than possible thwarted from entering upon union with the other churches.

Under the circumstances they are pressing the union proposals, with the object of going before the General Assembly with them next June, then sending them to the lower courts of the church for voting thereon, returning to the General Assembly of 1916, for final action in the way of approval or disapproval.

Should that decision be approved, the next step on the part of the Methodist Church would be a special meeting of the General Conference for action. The Congregational church would, about the same time, be taking final action, so that the prospect now seems to be that union will become an accomplished fact within the next three or four years, conditional of course on the state of the vote throughout the Presbyterian Church, as to which the attitude of the chief men, as stated, seems to give a strong clue.

Dr. Manning had felt that a generation might have to be allowed to pass before union could be effected, but he was gratified at the progress made. The Methodist Church, as the youngest of the three bodies, was in the best position to enter union. It had not to make the sacrifices which the older Presbyterian and Independent Churches, with their great history reaching to early Protestant beginnings, had to make.

There are some of us who have to stay at home and keep the wheels running, but let us think of the work that is being done by the men at the front who are taking our places. The British and Foreign Bible Society will give a Bible to every soldier, no matter whether he be a German, a Turk, a French, an Englishman, a Russian, an Austrian, an Indian.

Every Soldier To Get a Bible—Appeal For Money

The work of the British and Foreign Bible Society was ably discussed by Rev. E. W. Hassard, of Toronto, one of the Secretaries of the Upper Canada Bible Society, at St. Andrew's Church Sunday morning and in the Cambridge-st. Methodist Church in the evening.

Rev. Mr. Hassard referred to the many tongues in this land, and particularly of the large distribution of the Bibles in Quebec, where practical work is being done by the Bible Society amongst the strangers landing in the country.

MOTHERS! DO YOU KNOW

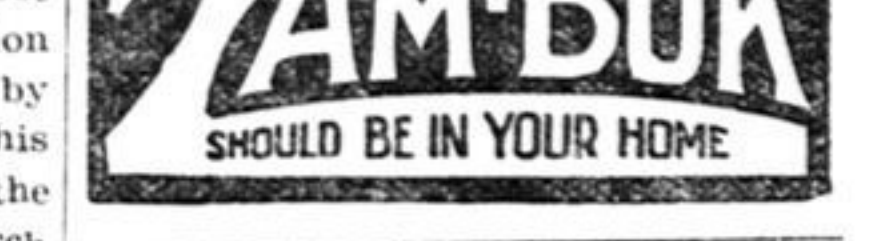

That when you put a salve onto your child's skin, it passes through the pores and enters the blood, just as surely as if you put it into the child's stomach?

You would not put a coarse mass of animal fat, colored by various mineral poisons (such as many crude salves are) into your child's blood by way of the stomach? Then why do so by way of the pores?

Take no risk. Use always the pure herbal essence provided in Zam-Buk. Zam-Buk contains no trace of any animal oil or fat, and no poisonous mineral coloring matter. From start to finish it is purely herbal.

It will heal sores, ulcers, abscesses, eruptions, varicose ulcers, cuts, burns and bruises more quickly than any other known preparation. It is antiseptic, quickly stops the smarting of a sore or cut, cures piles, inflamed sores and blood-poisoning. It is a combination of healing power and scientific purity. Ask those who have proved it.

A MILLION OUT OF WORK. The Literary Digest quotes a statement to the effect that there are a million men out of work in the United States, and that 100,000 of these are actually starving.

One authority quoted by the Digest, says the situation is the worst that has existed in 30 years. This explains why it is, even with live-stock receipts at American market centres running below those of last year, average prices of hogs and cattle were lower in Chicago at the end of 1914 than they were in 1913.

JUMPED FOUR STOREYS. New York, Jan. 10.—Hundreds of persons from the stores and houses about Fifth-ave. and Forty-seventh-st. yesterday afternoon saw a large colored woman, trapped by smoke and flames in the fourth floor of a burning building at 9 East Forty-seventh-st., jump from the window into a carpet rug held by policemen. She escaped with a broken leg.

COL. BICK TO COMMAND. The formation of the 3rd Canadian contingent was gazetted last week, and contains the interesting fact that Lieut.-Col. C. F. Bick, of the 34th Regt. (Cannington), will be in command of one battalion formed from men recruited from the four city regiments, having its headquarters in Toronto, where preliminary drill will be commenced immediately on the departure of the second contingent for England.

Mr. Bick's appointment marks the esteem in which his ability and talents are held by the Militia Department, and many friends in Lindsay will watch with interest and pleasure his rapid advance in His Majesty's service.

George Anson, twelve years old, was presented with a silver watch and chain in recognition of his bravery in effecting the rescue of Miss E. Higgins while skating on the ice at Kingston.

Was All Run Down WITH HEART TROUBLE AND NERVOUSNESS. When the heart does not do its work properly and the nerves become unstrung, the whole system becomes weak and run down, and needs building up before you can feel it again.

Milburn's Heart and Nerve Pills will do this for you. Mrs. Hugh Mosher, Chester Basin, N.S., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have suffered greatly with heart trouble and nervousness, and was all run down. I used lots of medicine, but received no benefit until I was advised to try your pills, and did so, and before I had finished the first box I felt so much better I got 5 boxes, and am now well and strong. I can truly say they are the best medicine I have ever used. I cannot praise them too highly. I recommend them to anyone suffering from heart trouble."

Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of 50c by The T. Milburn Co., Limited, Toronto, Ont.

It Beats Them All!

One of our customers from the northern part of the county was in last week and bought five packages of Old English Condition Powder. He stated that he had tried a variety of other powders and foods, but had never found anything that could ever approach ours in the promptness with which it built up and renewed the energy of his stock. This is substantially the report that we hear from every quarter. We hope you will try this remedy when you need anything in the condition powder line.
