As The Result Of a Neglected Cold No Contracted SEVERE BRONCHIAL TROUBLE.

Mr. W. T. Allen, Halifax, N.S., writes: "I feel that I would be doing you and your great remedy, Dr. Wood's Norway Pine Syrup, a gross injustice if I did not write and let you know the wonderful results that I have obtained from its use. Last spring I happened to contract a cold. Of course, this is a common occurrence, and I did not take any particular notice of it at the time. However, it did not break up as quickly as colds generally did with me, so after two weeks, and no sign of improvement, I began to get alarmed, and went to my local physician who informed me that I had contracted severe bronchial trouble as a result of neglecting my cold. He prescribed some medicine for me, which I took for about two weeks without any sign of improvement. I was getting pretty much discouraged by then, but one day a friend happened to be in to whom I was relating my trouble, and he advised me to try Dr. Wood's Norway Pine Syrup, saying that he had obtained very beneficial results from its use in a similar case. I took his advice and procured several bottles from my drug-gist. After taking it, according to directions, for about two days, I noticed a decided improvement, and from that day on I began to get better, and in ten days I was in my usual health. I consider this an excellent showing for your remedy, and can highly recommend it to anyone afflicted as I was. I shall always put in a good word for it whenever the opportunity offers itself." You can procure Dr. Wood's Norway Pine Syrup from any druggist or dealer. Price, 25c and 50c. The genuine is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Upper Lahave, N. S., Can.—"I wish to thank you for the benefit I received by taking Lydia E. Pinkham's Vegetable Compound for female troubles from which I was a great sufferer, so that I was completely run down in health. Other medicine did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong. I now have a big, hearty baby boy, and praise your medicine for the wonderful lot of good it has done me."—Mrs. ISRAEL BECK, JR., Upper Lahave, Lunenburg Co., N. S., Canada. The darkest days of husband and wife are when they come to look forward to a childless and lonely old age. Many a wife has found herself incapable of motherhood owing to some derangement of the feminine system, often curable by the proper remedies. In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
