PUBLIC NOTICE

The Annual General Meeting of the Farmers Union Mutual Fire Insurance Company will be held in the Council Chamber, in the Town of Lindsay, on

Thursday, Feb. 11, 1915 at 11 o'clock a.m., to receive the Annual Statement, to elect Directors and other business.

R. G. CORNEIL, Sec.-Treas. Lindsay, Jan. 12, 1915.

SERVED HIM RIGHT.

The young man seemed greatly agitated, not to say frightened, as he approached the father of the "dearest girl on earth." "Sir, your daughter has promised to become my wife."

Dr. Blanchard Elected President

The annual meeting of the Reform party of Victoria County took place on Saturday, when the following officers were elected: President, Dr. Blanchard; vice-presidents, T. Stewart, Lindsay; C. Plank, Lorneville; J. Laking, Halliburton; C. Fielding, Coboconk; H. A. Welsh, Minden; Robt. Oliver, Boskung; S. Neilson, Fenelon Falls; sec., Robt. Fee; assist.-sec., E. A. Anderson.

CAMERON W. I.

Cameron branch of the Women's Institute was held on Thursday at the home of Mrs. J. Brown, 47 women being in attendance; several visitors were also present. Mrs. Harris, President, occupied the chair. The opening ode was played by Miss Gertie Powles. The roll-call brought forward a number of excellent ideas. The program consisted of a paper by Miss Norah Wilson on "Cheerfulness"; a song by Miss G. Powles, after which Miss Jackson, of Enterprise, was called on for an address, and gave a brief but interesting account of the work accomplished by that branch; a reading was given by Miss A. Downer; paper by Mrs. R. Begg; song by the Misses Powles. After the meeting was closed a dainty lunch was served by the hostess, assisted by Miss Francis, the Misses Perrin, Miss Ayers.

DR. ROBINSON TO BE TRIED FOR MURDER ON MARCH 2nd. On March 2nd the case against Dr. C. K. Robinson, accused of the murder of Blanch "Happy" Yorke, of Tamworth, will be tried before Mr. Justice Sutherland and a jury at Nanapanee.

T. C. Robinette, K.C., his counsel, has made arrangements to be in that place, and will conduct his defence. The defence claim that the body was not in the house when the police first searched it, but that it was placed there afterwards. —Mr. Percy Bacon, of Orillia, Secretary of the Orillia Poultry Association, was in town attending the annual show of the Lindsay Poultry Association, and expressed his pleasure and surprise at the large number of entries and the general excellence of the display. Mr. Bacon, it will be remembered, was seriously burned about the hands and arms in a fire which broke out in the Orillia armouries during the holding of the poultry show in the above town, in which the Secretary's books, and a bundle of money were destroyed. His hands are still bandaged and will be for some time yet, and for a time it was feared he would lose them both. Lindsay poultry men were pleased to see Mr. Bacon in town and to renew acquaintances, although as yet, poultry fanciers in Lindsay and district, who won prizes at the Orillia show, have yet failed to receive their money because of the unfortunate accident to Secretary Bacon.

HAD A BAD COLD WITH PROLONGED COUGHING.

TRIED NEARLY EVERYTHING FINALLY DR. WOOD'S NORWAY PINE SYRUP CURED HIM.

Mr. Wallace H. Grange, Vancouver, B.C., writes: "During a cold spell here about the middle of last October (1913), I caught a cold which got worse despite all treatments I could obtain, until about November 22nd, a friend said, 'Why not try Dr. Wood's Norway Pine Syrup?' Really, I had no faith in it at the time as I had tried nearly every other remedy I had heard of, to no avail, but I thought I would give this last remedy a trial. I purchased a 50 cent bottle, and in three days I was feeling a different man. My cold was so hard, and the coughing so prolonged, that vomiting occurred after a hard spell of coughing. I carried the bottle in my pocket, and every time I was seized with a coughing spell I would take a small dose. I can most heartily recommend Dr. Wood's Norway Pine Syrup to anyone with a severe cold, as its powers are most marvelous, and I never intend being without it at all times." When you ask for "Dr. Wood's" see that you get what you ask for. It is put up in a yellow wrapper; three pine trees the trade mark; the price, 25c and 50c; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

TWO NERVOUS WOMEN

Made Well By Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, constipation, headaches, dizziness, noise in my ears, timid, nervous, restless feelings and sleeplessness."

"I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound so I threw away the medicine the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will and I have recommended it in every household I have visited."—Mrs. MARY JOHNSTON, 210 Siegel Street, Philadelphia, Pa.

Another Bad Case. Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak and would have hysterical spells, sick headaches and a bad pain under my shoulder-blade. I was under the care of different doctors but did not improve. I was so weak I could hardly stand long enough to do my dishes. "Lydia E. Pinkham's Vegetable Compound has made me well and happy and I have begun to gain in weight and my face looks healthy now."—Mrs. J. W. HORNSBROOK, R. No. 3, Ephrata, Pa.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

RED CROSS NOTES

Into the wards of whitewashed halls, Where the dead and dying lay, Wounded by bayonets, shells and balls, Somebody's darling was borne one day."

It may be to-day but cannot long be delayed when our own patriotic and brave Canadians will be in the breach to defend home, country and empire. The red glutton demands blood, blood and more blood. The stretcher-bearers will be busy and the black riderless horse will be pawing impatiently at hospital doors and at Red Cross corps for its burden.

The death rate will be enormous, but the rate of wounded will be incalculable. Even now the material for the care of the sick and wounded is dwindling and the cry for help is heard. For humanity's sake let us not turn a deaf ear to urgent calls from the Red Cross. This is one form of help that cannot be seized by the enemy or exploited by the unpatriotic. Every dollar goes into medical and surgical supplies. One quarter-grain tablet may ease the suffering of a wounded soldier, one-quarter ounce of chloroform may lull him into oblivion while the sharp knife and the searching probe releases the imbedded lead or jagged piece of shell; one stitch may restore his gaping wound; one legature staunch his spurting artery. Everything helps, from the linen of your table to the unused sheeting in your press. Bandages, slings, compresses, even an invalid's cup to give a drink to him who may have the unquenchable thirst of shock and hemorrhage. He gives twice who gives speedily. Let not our own soldiers lack care when they have fallen and when they return to us, as necessarily some of them must, maimed, scarred and broken in health, let them not sadly reproach us for not having done our best for them, though those most heroic, humane and indiscriminating agencies, the Red Cross Societies of Canada.

BOBCAYGEON FANCIER.

Mr. I. R. Stewart, of Bobcaygeon, was a large exhibitor at the Lindsay Poultry Show. He showed Buff Orpingtons and won 1st and 3rd on cockerel and 2nd and 3rd on pullet, besides winning the brass umbrella holder given by Cole-Burger Co. for the largest entry of any one variety. He entered seventeen handsome birds. Buff Orpingtons are wonderful layers and Mr. Stewart has the egg producers as well as the prize stuff.

WIRELESS IN NEWMARKET.

OBITUARY

MRS. CATHERINE FLAHERTY

The death of Mrs. Catherine Flaherty, wife of Mr. James Flaherty, con. 8, lot 2, Emily, took place at her home on Friday, Jan. 22, at the age of 74 years. The deceased was a woman of many virtues and possessed the qualities which are the fruits of a good life, passing to her eternal reward surrounded by all the spiritual comforts possible to grant the dying by the church. She is survived by her sorrowing husband, five sons and two daughters. The sons are: Michael Flaherty, Lindsay; Thomas of Seattle; John, of Emily; Edward and Martin, of Peterboro. The daughters are: Mary, who resides in Peterboro, and Elizabeth, of Alberta. The funeral took place on Sunday, Jan. 24, at the R. C. cemetery, Ennismore, where service was held in the church by the Rev. Fr. Fitzpatrick, of the above place. The pall-bearers were her four sons: Michael, Edward, John, Martin and two grandsons, Carl and Edward. A number of people from Lindsay were at the funeral, which was largely attended. Mass was celebrated in St. Mary's church this morning by Rt. Rev. Msgr. Casey for the deceased.

HENRY HALL.

Another one of the old residents, in the person of Henry Hall, of Lindsay, passed away at the home of his son, Mr. George Hall, in the City of Peterboro, on Sunday, January 24, at 6 o'clock p.m. The deceased had only been sick for a few days preceding his death, having always through life enjoyed excellent health. Mr. Hall was born in the Township of Ops, and was educated at School Section No. 6, in the old log school house, a seat of learning which later became remarkable for the many men it turned out in the world and who made good in their various callings. Amongst the many deceased gained excellence in his pursuits and the vocation which he chose in life. He was a true friend, with a noble heart that was filled with an abundance of brotherly love for all. He was an excellent entertainer, possessing a fund of stories relating to the early history of Ops and its primitive happenings. For many years he followed agricultural pursuits, but of late years, or since the death of his wife 14 years ago, has resided with his sons. He was 83 years of age at death. The surviving members of the family are: One daughter, Mrs. Robert Magill, Lindsay, and seven sons, who are: Andrew and Harvey, of town; David and Joseph, Toronto; William of Sudbury; George, of Peterboro, and James, of Battle Creek, Mich. The funeral will take place from the residence of his son, Andrew Hall, north-west corner of Francis and Sussex-sts., on Tuesday, Jan. 26th, at 2.30 o'clock p.m. Service at the house one-half hour previous. Interment at Riverside cemetery.

INGENIOUS AUTOMOBILE DEVICES.

Two new devices designed for attachment to automobiles that recently have made their appearance on the market give evidence of considerable ingenuity. The first of these is designed to show when a car is used without the authority of the owner. It consists of a small case containing clockwork which winds a strip of paper past a needle. The needle is fastened to a delicately balanced horizontal pendulum and perforates the paper when moved by the vibration of the car. The tape is marked off in divisions of time so that the perforations indicate not only when the car was used but also the length of time. The other device would seem to have been long in demand. It is a simple grease cup with a quick detachable lid so that the cup can be quickly and easily filled. The lid is held by a bayonet lock.

DIED.

EARL.—On Monday, Jan. 25th, at the home of his daughter, Mrs. David Sharpe, Fair-ave., James Earl, in his 83rd year.

MYSTERIOUS SHOOTING.

To be fired upon in war time is not considered an offence in the war zone, but Lindsay can hardly be counted as being in the war zone, even though Canada is at war. However, this was the experience of one of the operators at the Baymore Power Company's sub-station Friday night. It appears that about 6.55 p.m., as Mr. T. Cochran sat within the sub-station, in the cage before the switch board, he was startled to hear the report of a gun, followed by the "plunk" of a bullet on the concrete just below the big door leading into the power house. A few minutes later, on the arrival of the other operator, Mr. W. Page, an investigation was made and the mark of the bullet found, as well as the metal contents. It was no ordinary lead missile. Had the aim of the assailant been a trifle higher—two inches higher—it would have pierced the wooden door and in all probability caused the loss of a life, as Mr. Cochran was sitting in direct line a few feet away. Night Constable Bert Woods was notified and was soon on the scene, and investigating the surroundings. However, beyond the fact that the rifle was fired by some person in the direction of Carey's box factory nothing else could be learned. In the meantime the police are making quiet enquiries and some clue with which to work upon may be discovered at any time. Mr. Stephen Oliver and others who examined the scene of the shooting this morning, noticed several tracks in the snow around an unoccupied cottage in the vicinity. However, the fall of snow last night completely filled in the tracks, and Mr. Oliver was unable to distinguish whether the tracks were made by one or more persons.

VIOLET DAY.

Violet Day, marking the anniversary of the death of the late Queen Victoria, at the residence of Major-General Sam Hughes, Glenelg-st., was a tremendous success. The event was held under the auspices of the I.O.D.E., Lindsay branch, between the hours of 4 and 6 o'clock, the proceeds to be devoted to the fund for providing materials to make shirts and socks for the soldiers at the front, and when it is stated that the splendid sum of \$70 was realized, clear of all expenses, citizens will have an idea of the huge success of the undertaking. Large crowds of ladies and gentlemen were in attendance, the admission fee being placed at 25. Once inside a big surprise awaited the visitors, the spacious and handsomely furnished rooms being decorated throughout in violet, while flowers of various kind, but chiefly of violets and hyacinths, were arranged in profusion. The flowers, many of the violets being of paper, were sold in large numbers, and in all \$8 was realized from the sale of flowers alone. The candy booth was also a centre of attraction, the violet-colored sweets selling at good prices. The table decorations were carried out in violet with dainty bows of violet ribbon. The bevy of pretty girls who served tea and waited on the guests wore small becoming caps of violets and dainty white aprons, while the ladies who assisted also wore touches of violet. A choice musical program added to the success of the event, which was so thoroughly enjoyed, and which will result in so much good work being done for the soldiers. The I.O.D.E. express their thanks to Mr. E. Maxson for the hyacinths which he so generously supplied.
