of treating in England, but it is a sense of patriotism. very common thing for men to drink alone. People are far more exclusive riotism is very acute in the outlying than here. You might be riding in constituencies. a railway compartment with only Harcourt-Where they want colonione other passenger; he would zation roads and railways and local wood is known as "lad's love," "lad drink from his flask and never think improvements and things, which they lovelass" or "lads' love and lasses' deof asking you to join him. Standing can't get from the opposition. at a oar you might ask a man standing beside you to join you and he would often say 'Pardon me, I don't know you.' Then commonly, two friends, either two gentlemen or a lady and gentleman, go in to drink and when one offers to pay for both the other replies: 'No, I'm on my own.' That is a very common expression. There is no treating system there, to which you are required by etiquette to conform, as there is

THE PRESS AND THE FARMERS Newspapers Should Give Information on Agriculture

At the Convention of the Canadian Press Association last week, Mr. G. C. Creelman, superintendent of Farmer's Institutes, read a paper on "What the Press can do for the Agricultural Interests." He said in part: "We have 175,000 farmers in Ontario, with an invested capital of ten hundred millions of dollars. The product of our farms is valued at two hundred and fifty millions of dol- Stings of Insects, Coughs, Colds, Contracted lars a year.
