Canal Outlet Will Be Trenton

Ottawa, Feb. 18.-It has been decided at last that Trenton is to be young ladies, having been engaged and the route with Port Hope as in the teaching profession for a outlet. The slight difference, so far Valley, adjoining the C. N. R. main line. This is choice property, sel-Mes. H. Cathcart, of Dartmoor, difference in cost being estimated at can with a loose fitting cover to pre- bedside of her father, who is very and waterpower privileges, in which respect the Trenton route is found to be better. One great factor in favor of Trenton is that barges can be taken from Midland through the Trent Valley Canal to Montreal with perfect safety, being landlocked

Former Manilla Man Met Accidental Death at Port Arthur

(From our, own Correspondent.)

Manilla, Feb. 18.-The residents of this place and community were shocked and pained last Wednesday when a telegram reached here conveying the sad intelligence of the death of Mr. nate young man was employed in a

morning, in charge of his companion, ab,e to see the remains as his head is terribly crushed.

The deceased was well known, having lived here since childhood, prior to his departure for Part 'rthur some eight or ten years ago, and was a general favorite with old and young, and it was with with the very Mr. and Mrs. Gordon, Peterboro, deepest regret his many friends and old associates heard of his sudden death. He was 24 years of age, and unmarried. The sympathy of the entire community goes out to the be-
