After all expenditure of several

New York's record of "accidents" is equal to that of Chicago, Philadelphia, St. Louis, Boston, Baltimore, and Cleveland, with a total population of more than six million combined. Forty-eight persons were killed in New York in the course of the year and 128 others were injured. Thus far this year the record of death and destruction is being fully chronicled in New York numbered five killed, fatally injured five, and hurt

# Use of Manure Spreader

A manure spreader is the best and palities were fairly well done, others cheapest means of handling barnyard were most indifferently done, and six manure, provided, of course, there is were really valueless, and he order- enough of this manure on the farm ed them to be done over again, as he to justify one in investing the moncould place no dependence upon ey necessary to purchase such a machine. These manure spreaders can It has been suggested in these col- be regulated to distribute uniformly

"\_ Use Shiloh's Cure the sharpest cough -try it on a guarantee of your money back if it doesn't actually CURE quicker ever tried. Safe to take, -nothing in it to hurt even a baby. 34 years of success commend Shiloh's Cure-25c., 50c., \$1. 315
