BOLSOVER.

Bolsover, Feb. 8.—An interesting and fast game of hockey took place on Wednesday, when the Kirkfield team faced another defeat at the hands of the Bolsover septette. The game, however, was rather handicapped on account of the puck jumping the sides and sliding away. The pace was very slow at first, but both teams taking things easy. Both sides tried working a little combination and not until the first goal was scored did the home team wake up. The game was delayed in the first half by B. McGee pulling a skate and Smith being injured. Silvertown and McGirr at point and cover-point were always dangerous for the visitors and their playing helped a lot in keeping down the score. At half time the score was 2-2, but the second half showed a little combination and resulted in a win out for the home team by 5-2. It is to be hoped the boys will be able to give us a return match soon when another friendly game can be played. Line-up:—

Bolsover	Kirkfield
A. McFadden goal	Ellison
F. Silvertown point	Mosgrove
F. McGirr c. point	Daniels
Smith rover	Nesbitt
McLaron centre	Rushin
B. McGirr r. wing	Brady
J. Silvertown l. wing	Mitchell
Referee—P. Hogarth, Victoria Rd.

GREAT MEN WHO HAVE PROVIDED ZAM-BUK. SCIENTISTS, ANALYST, MAGISTRATE, AND WAR CORRESPONDENT ALL TESTIFY. Men and women great in point of knowledge, position and experience, say that Zam-buk stands superior to all other healing substances. Read the opinions of the following eminent men: Mr. C. E. Sanford, of Weston, King's Co., N.S., a magistrate, a school commissioner, and Baptist deacon, says: "Zam-buk cured me of eczema on my ankle, which had defied every other remedy tried during twenty years. It also cured me of piles, and I take pleasure in recommending it to my fellow-men." Mr. Frank Scudamore, the famous war correspondent, who has gone through twenty-nine battles, and whose dispatches during the Boer war were so eagerly read from coast to coast in Canada, says: "Owing to the poisonous dye from an undergarment penetrating a slight scratch my legs broke out in ulcers. At one time I had seventeen deep holes in my left leg, into each of which I could put my thumb; and had fourteen similar ulcers on my right leg. Remedy after remedy failed to heal these, and I was well nigh worn out with pain and lack of sleep. Zam-buk was introduced, and I am glad to say that it gave me speedy relief. A few weeks' treatment resulted in a perfect cure of all the ulcers." Dr. Andrew Wilson, whose reputation as a scientist is world-wide, in a book recently published ("Homely Talks on First-Aid") says: "Zam-buk may be relied upon as an anti-eczema dressing which requires no preparation, and of possessing unique healing properties." Mr. W. Lascelles-Scott, the famous analyst to the Royal Commission for Victoria, says: "I have no hesitation in certifying the entire purity of Zam-buk. It is of great healing power for open wounds or injuries." So one could go on quoting authority after authority, all of the opinion based on personal tests, that Zam-buk should be in every home. Zam-buk is a sure cure for cuts, burns, scalds, cold-sores, ring-worm, blood-poisoning, and eczema. It is also used extensively for piles, for which it is without equal. All druggists and stores sell at 50c. a box; 3 for \$1.25; or post free from Zam-Buk Co., Toronto, for price. You are warned against harmful imitations.
