Doings at Raven Lake Cement Works

Raven Lake, Feb. 8.—Truth is stronger than fiction, verily, I say truth is a great thing, therefore, I wish to occupy this space from week to week, in order that the people of Raven Lake may become more familiar with the truth.

We all congratulate Mr. Wm. Pearce in his judgment of a gasoline engine, he having purchased a 2 1/2 h. p. four cycle, hit or miss engine, and intends cutting wood for his neighbors here.

Mr. R. H. Pearce had the misfortune of having a fine horse kicked last week. Work is progressing favorably at the cement plant.

Mr. Vaughan, the superintendent, made a dying business trip to Toronto last week.

Mr. Smerk, electrician, returned from Norland and the power house, and reports it very cold there.

Argyle, Feb. 6.—Frequently we have noticed that other hamlets in Eldon townships were regularly mentioned in The Watcher, and not wishing this Scotch settlement to be in the rear we hope to be able to supply items of news occasionally in the future.

Mrs. Carruthers, of Thorah, spent a few days visiting local relatives last week.

Mr. S. W. Keown, our genial store-keeper, does a great business. When you want anything don't forget Mr. Keown.

In the north end of this settlement the new branch of the Canadian Pacific Railway is causing plenty of excitement and conversation. Daily dump-cars, tracks, lumber and the other necessities are being hauled from the G.T.R. station to the new line. Operations will commence as soon as the snow disappears. There is also plenty of conjecture as to whether we shall be favored with a station or not, and where it will be. The theory which gets most support is that the station will likely be on the farm of Mr. Jas. Ross. Let it be anywhere if we can only have one.

Annual Meeting of Stock Owners

The annual meeting of the Victoria Pure-Bred Stock Association was held in Mr. D. A. MacKenzie's office last Saturday afternoon.

There was a good attendance and matters regarding the pure-bred stock sale were discussed, after which the election of officers for the ensuing year took place. Everybody was satisfied with the sale held last month and it was decided to hold a similar sale around the twelfth of January next year.

The following are the officers for the year: President, W. H. Cullis; vice-pres., Jas. Casey; sec.-treas., D. A. MacKenzie; directors, R. E. Thurston, Bobcaygeon; John Spence, Omamee; John Forman, Victoria Road; J. F. Graham, Lindsay; Wm. Graham, Lindsay, J. J. Warde, Lindsay; J. D. Costello, Lindsay; R. H. Reid, Reabour; A. E. Swain, Valentia; Thos. Corscand, Lindsay; Geo. Mark, Little Britain; Charles Jenkins, Oakwood.

Miss Clara Shields and niece Alma Grant, are spending a few days in Toronto.

On Friday evening the hockey team from Glenora played the boys here a friendly game of hockey. Although the game was somewhat in favor of our boys, everyone enjoyed a good laugh.

We are glad to hear of the splendid success our neighboring town is having with hockey, with the assistance of some of our boys.

On Thursday evening a progressive euchre party was held in Cavanaugh's hall by the young men of Victoria Road. A very enjoyable evening was spent, Miss Nora Armour and Dr. Millard being the winners of the evening. Refreshments were served. Before the evening was brought to a close it was decided to form a club under the name, "Victoria Road Social Club." Dr. Millard was elected president and Mr. Fred Alton secretary. It was decided to hold a progressive euchre evening every two weeks. We are glad to see the young people taking this means of providing for themselves social enjoyment, and wish the club every success.

FLEETWOOD

Fleetwood, Feb. 7.—Quite a large number of people visited Lindsay to transact certain business, and report a large crowd.

Mr. C. Cumisky has, by the kindness of the neighbors, been able to get all the factory wood drawn up. Mr. Elmer and Miss Vida Cawton of Lindsay, called on their friends of this burg.

Mr. Ross Staples, is busy cutting his wood, which he bought from Mr. J. Shea of this burg.

Mr. Sydney Staples and Miss Flossie Hart, of L.C.I., spent Sunday at home with their parents.

Mr. H. Lunny, of Cavanaughville, is busy buying horses in this part of the country.

Skating is very poor owing to the thaws and snow storms. We hope they will be able to be at it soon again.

Woodville, Feb. 6.—Dr. Staples, of Biggar, Man., is visiting at his home here.

Mr. and Miss Corbett, of Winnipeg, intend leaving for their home this week, after spending some time with their aunt, Mrs. Chas. McDonald.

Misses Lily Ray and Florence Campbell spent a few days of last week in Toronto.

BEATEN IN RAID

Montreal, Que., Feb. 13.—John F. F. Roberts, the local secretary of the Dominion Alliance, and three detectives, were badly beaten up while conducting a raid on St. Lawrence Hall last night. Sitting at the table drinking were three city policemen. Roberts seized a number of bottles of liquor, and was leaving the place, when he was seized. All the raiders were beaten with bottles and clubs. This morning Roberts laid a complaint against the place, and notified Chief Campeau of the conduct of the police. There will be an investigation.

are at present visiting with Mrs. Cooke's sister, Mrs. Thomas Woolley.

Mr. Nobel of Manitoba, was here last week calling on his cousin, Mr. Fred Jones.

Mr. R. Dawson, of the Portage Road, spent Sunday with his brother, Mr. H. Dawson.

SUNDAY SCHOOL

Lesson VIII.—First Quarter, For Feb. 19, 1911.

THE INTERNATIONAL SERIES.

Text of the Lesson, 1 Kings xix, 1-18. Memory Verse, 11-13—Golden Text, Isa. xl, 31—Commentary Prepared by Rev. D. M. Stearns.

In the last lesson we left Elijah in humble, patient, persevering, believing prayer on the top of Carmel, down upon the earth with his face between his knees, and again, even seven times, until he should see some indication of the promised rain. At the seventh time the servant saw a little cloud like a man's hand, and soon the heaven was black with clouds and the heaven was a great rain. How suggestive the little cloud was of the man's hand that was taking hold of God in prayer!

How great the contrast between Ahab eating and drinking, enjoying himself, thinking more of horses and mules than of perishing people (xviii, 6), and the man of God caring only for the glory of the living and true God, whom he represented. Since the Lord said to Elijah when He sent him to Israel in the future (xviii, 1), "I will yet for this be found of by the house of Israel to do it for them?"

The question should search us, Have we anything of the zeal for God and persevering prayer that Elijah had? When Ahab reached home and told Jezebel all that Elijah had done she was angry indeed and sent a messenger to him with a threat that she would have his life within twenty-four hours. Now comes the strange part of the story in the seemingly sad fact that the man of God who feared not Ahab nor all the prophets of Baal should flee for his life at the threat of a woman who was much just at that time to lead the people back to the God who had answered by fire. By a look in the wrong direction he seemed to lose his hold on God. Like Peter, when he saw the wind bolstered, he began to sink (Matt. xiv, 30). If we would be established we must always see the Lord alone and remember if God be for us who can be against us.

As he sat under a juniper tree far away in the wilderness he realized that he was no better than others and not worthy to live. The conflict was too severe, and he would fain be at rest. He was a man just as weak as any of us and strong only in the love of the Lord. The Lord, who is always full of compassion, had not forsaken His weary and discouraged servant, and as he lay and slept one of those blessed ministering spirits (Heb. i, 14) prepared something for him to eat and drink and awakened him that he might be refreshed with food as well as sleep. Again he slept, and again he was awakened to partake of the Lord's food, in the strength of which he went forty days and forty nights unto Horeb, the mount of God (verse 8).

There he lodged in a cave, and the same Lord who cared for him at Cherith and Zarephath must have cared for him at Horeb, for what was his meditation? Did he think of him to whom the Lord had here appeared in the bush that burned, but was not consumed, and who here fasted forty days on two different occasions? Did he think of the thunders and lightnings and quaking of the mount at the giving of the law (Ex. xiii and xiv), and did he long to see the answers from heaven on Carmel so recently? But many days or even weeks had passed since then, and he had not been in full fellowship. It is a sad thing to lose in any way or for any length of time the conscious fellowship with God which is our privilege.

Well, in due time the word of the Lord came to him with the question, "What doest thou here, Elijah?" (Verses 9, 12.) His answer each time was that he had been very jealous for the Lord God of hosts and that he was the only prophet left and they were seeking his life (verses 10, 14).

After his first reply he was told to go forth and stand upon the mount before the Lord. Then came a great wind which rent the mountains and broke in pieces the rocks before the Lord, then an earthquake and then a fire, but it was not until after the fire there came a still small voice that Elijah heard the small voice that said, "What doest thou here?" After all that he had just seen and experienced, his answer is the same, and he is still occupied with himself and his zeal for God and his importance to God.

He was a man of mighty deeds and evidently thought that only in some mighty way could Israel be cleansed from her idolatry. God has a way so different from our way oftentimes (Isa. lv, 8, 9), and it comes to us to hear and heed His voice, "I will work, and who shall hinder it?" (Isa. xliii, 13.) How suggestive and searching his commission now as well as the twice repeated "What doest thou here?" "Go, return, and stand upon the mount before the Lord; I have left seven thousand in Israel" (xv, 18). Let us never think that we are the only helpers the Lord has nor that we are all important to Him, let us see to it that we are appointed another.

NEW COPPER LINES.
A gang of eight men, headed by Foreman C. E. Mutton, have begun stringing two new copper lines between here and Blackwater. The new wires are to take care of the growing demands on the Bell Telephone long distance line. The work will require about six weeks' time. During that time the men will be quartered at the Pigeon House.

CAR OFF TRACK
Saturday afternoon a car attached to a freight train on the C.P.R. in some manner got off the track at Manvers Station, and the result was that the passenger train from the east to Toronto was delayed about one hour and a half, while the passenger train from Toronto to Lindsay and Peterboro was delayed almost an hour.

The regular passenger from Toronto to let the Union Station on time, but when at Brown's station, a message was awaiting the engineer, ordering him to return to Toronto for Supt. Warshaw, who wished to visit the scene of the run-off. This necessitated a delay of thirty minutes.

It is understood that the run-off was by no means serious, although the delay was tedious.
