CONSIDERED BEST MAN.

Some time ago Mr. Fisher, driver of the second team at the fire hall resigned and as a consequence Chairman Lewis, of the town property committee called for applicants for the position. Three or four applied and considering that it was necessary to have a man at once Mr. Lewis hired a young man from the country, the most likely applicant in his opinion.

Second-Deputy Dobson at the meeting of committees held Monday night thought that some local man should have received the position and also that the matter should have been discussed in the council. Chairman Lewis stated that it was very urgent to have a man fill the vacancy and he hired the young man from the country because he was used to horses, was young, willing to live up to the by-law and was not "fresh."

Ops council met Feb. 13th. all the members present. Communications, From Board of Railway Commissioners and from C.P.R. re the proposed grain route. From Salvation Army re rescue work. From the National Sanitarium Association. From G. F. Blackwell re surety bonds. From Col. Hughes re bridge over Scugog River. From Inspector of prisons re Ops patient.

Interviews: A large deputation from east Ops were present with a petition advocating the formation of a new union school section, to be composed of parts of school sections 10 and 11 in Ops and parts of adjoining sections in Emily. The need of a school at this point was discussed at some length, and it was stated that there were 20 children of school age in the locality who were 3 miles, or thereabout from any school under the present circumstances. Council considering that before the arbitrators was the place where the advisability of making the proposed changes should be thoroughly threshed out, decided on motion of W. Best and W. Walden to appoint James Hopkins as arbitrator for the township of Ops.

been any change in the opinion of the residents. On motion of F. W. Hickson and D. W. Terrill, the auditors' report was received and filed, and the clerk instructed to have abstract statement published and 100 copies printed. The by-law authorizing the receipt and treasurer to borrow money for the current expenses was duly passed. On motion of F. W. Hickson and W. Walden the following accounts were ordered paid: J. Isaacs, for Sawyer Massey Co., for tile moulds and freight, \$24.65; Geo. Ingle, for timber, \$2.60; W. Nichols, for groceries, to P. Perault, charity, \$1.40; The Farmer, for advertising nomination meeting, \$2.00; P. Wilson, for order books and road notices, \$6.00; J. J. Twohey and Walter Lee, for auditing, \$7 each.

The clerk was instructed to write to the C.P.R. re the location of stations in Ops on the new grain route. By unanimous resolution on motion of W. Walden and D. W. Terrill, the clerk was instructed to notify those who had not yet paid their tax on Stoney Creek survey, including the three petitions, that March 20th (next council meeting day) would be absolutely the last day given them to accept the offer made to them by council on Dec. 23rd, 1910, and that if any had not accepted the said offer on that date the council would immediately thereafter take proceedings to recover by process of law the full amount of the original drain tax placed opposite their names on the 1910 collector's roll.

Council adjourned to meet March 20th at 10 a. m. W. E. Agnew, clerk

MILLERSMITH Millersmith, Feb. 22.—On Tuesday, Feb. 14, Mr. John W. Thurston met Mr. Clegg, C.E., and Mr. McNeill, county clerk, at Dunsford station and drove them, accompanied by Mr. Tiers, ex-warden, and W. J. Thurston, out to the Emily Creek road on the 14th concession of Emily to inspect the channel and approaches to be built on both sides. Owing to the unfavorable weather there was only a path through the woods part, but now there are teams passing it. About thirty of the land owners nearly were present, which showed the keen interest the people are taking in the project. The engineer claimed that the road could be easily built and as Mr. A. El-Hott-owns a fine gravel pit at the west side of the swamp it could be cheaply constructed. This road

should be built. It is stated that before the Bohaygeon dams were built that one could leap across the small stream and now it is a river with surrounding swamp flooded. The timber is also destroyed from the result of backed up water. The feeling is that this road is very essential and will greatly benefit the farmers. Mr. Albert Meehan, of Boston, called on a number of his old friends. Mr. Meehan was formerly of this community and now as one of Boston's highly esteemed citizens, stands out prominently in the United Kingdom in the knowledge of science. Mr. and Mrs. Sam. Sanderson spent Sunday with his brother at Glendale. Miss H. Macdonald and Stanley Parkin spent Sunday evening with friends at Dunsford. Much time is spent by our earnest debaters preparing for Friday evening. In last week's issue it was stated that there would be four to debate from Dunsford and four from Millersmith, but there will be only three on each side. Mr. Leslie Kennedy has returned to his position with Mr. Webster, at Dunsford, after a week's holidays.

FLEETWOOD. Fleetwood, Feb. 22.—A large number of people of this burg visited in Lindsay on Saturday to transact certain business. Mr. Archie W. Staples, of this burg, is busy drawing his pressed hay to Lindsay, which he sold to Mr. Thos. Spratt. Mr. Talbert Davidson disposed of one of his fine horses on Saturday to Mr. W. Peel, of Manitoba. Mr. Thos. Shea, of this burg, while drawing a load of hay to town happened with a serious accident. While going through the pitch-holes the bolt came out of the double-tree letting the tongue down, which caused one of the horses to kick. Soon they left the sleigh behind, throwing him off the load into the deep snow, but they did not run very far before they were stopped and hitched to the sleigh again. Mr. and Miss Lathangus, of Lindsay, visited friends here on Sunday. Mr. Willie Kells from Tate, Sask., who has been visiting here for the past few weeks, left on Monday for the West, where he will be greeted by his parents. Mr. Sydney Staples, of the L.C.T., spent Sunday at home with his parents.

PAINFUL STITCHES IN THE BACK. No one but those who are afflicted with the dreadful kidney disease, knows what this means, and you who are so afflicted will forget all about it in a few days, if you are only wise enough to take Fig Pills. Fig Pills are guaranteed to cure you. If not your money back.

25c. a box at all leading drug stores, or mailed on receipt of price by The Fig Pill Co., St. Thomas, Ont.

Sold and recommended in Lindsay by A. Higinbotham, druggist. PASSED HIS EXAM. At a meeting of the Board of Examiners of Ontario Land Surveyors, held last week in Toronto, Mr. Oliver Smith, of this town, passed his preliminary examination heading the list of 14 candidates, and will now be articled in the office of a practicing surveyor.

PARLAND-NEWHALL QUARTET From Kenneth Bruce, superintendent of the Florida Chautauque: They are the platform, and they pleased so well last year that they will be with us again this year: From L. O. Jones, superintendent of the Lincoln, Nebraska, Assembly: The Parland-Newhall Company is A-1—the best quartet of entertainers I have ever heard. Academy of Music Monday, February 27.

KIRKFIELD The fastest and most exciting game of hockey played this season was the

one between Lindsay Typos and Kirkfield hockey team on Saturday night last. At half time the score was 7-8 in favor of our boys. The game ended in a score of 17-8 in favor of Kirkfield. The Lindsay Typos drove home on Sunday last. A special passenger train will run from Cobocook to Lindsay on Monday, Feb. 27th, when Kirkfield boys will play the return match there. Kirkfield will play Sunderland at Woodville on Thursday of this week. This will no doubt be a fast game, as Sunderland belong to the Tri-County League.

Mr. A. E. Smith spent three days in Toronto, returning home on Friday night last with a nice matched team of road horses, and reports of horses selling at high prices. Mr. Stevens, P.S.I., of Lindsay, visited out school on Thursday of last week. Mrs. F. Fead and little daughter, Helen, paid a lying visit to Brechin last week. We are all very sorry to hear of Mrs. Rushton's illness, and hope for a speedy recovery.

will give the local boys a good game on the big ice so that no doubt a large crowd will turn out. Big Sale of Suit Cases at Neill's

COMING MONDAY It is understood that Kirkfield will play a return match with the Typos on Monday, Feb. 27, when they will run a special train from Cobocook. Kirkfield have a very fast team, and
