

“Dr. Miles’ Nervine Raised Me From the Grave” — Mrs. Taylor

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.

“Dr. Miles’ Restorative Nervine raised me from the grave and I have such confidence in it. I can never say enough for your grand medicines. If anyone had offered me \$1000 for the second bottle of Nervine that I used I would have said ‘no indeed.’”

Nervous exhaustion is a common occurrence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began. For sleeplessness, poor appetite and that “run down” feeling, nothing is so good as

\$2,000,000 FOR TRENT CANAL LINDSAY TO GET ITS SHARE

For some time past the Lindsay papers (both The Warder and the Post) have been boosting hard for Lindsay, and rightly so, for we believe that in Lindsay we have a town well worth boosting.

A week or so ago the Post printed an article, two columns wide, with the following caption in large letters: “Not a Thing for Lindsay,” and the article was given all the circulation the Post was capable of giving. The article in question was as follows, and the capable of giving. The article in question was as follows, and the capable of giving.

The first named estimates of the Borden Government were laid on the table of the House on Wednesday afternoon. The Minister of Militia is from this town, not a dollar is appropriated for improvements to our post office, the Scugog river, or for the erection of an armory. Other towns have received rich plums, but Lindsay has been overlooked.

\$2,000,000 is a lot of money and no mistake, but it should be remembered that there are twelve representatives, including Col. the Hon. Sam. Hughes, in the House at Ottawa in the present Government from ridings bordering on the Trent canal. They are, all interested in the Trent canal, and in their constituencies.

In the estimates brought down, \$1,900,000 has been set aside for construction work on T. V. canal, and \$20,000 to meet damages incurred from drowned lands caused by flooding. \$20,000 has also been set aside for the building of a new bridge across the Trent river at Frankfort, while \$41,500 has been set aside chargeable to in- at Frankfort, while \$41,500 has been set aside chargeable to in-

Citizens of Lindsay will recognize at once that Lindsay is to receive a rich plum in the dredging of the Scugog river, and it is also expected that a new cement dock will be built at Lindsay. Lindsay, expected that a new cement dock will be built at Lindsay. Lindsay, expected that a new cement dock will be built at Lindsay.

HAD VERY BAD COUGH And Tickling Sensation in Throat. Dr. Wood’s Norway Pine Syrup Cured It.

Miss C. Danielson, Bowman River, Man., writes:—“Last fall I had a very bad cough and a tickling sensation in my throat. It was so bad I could not sleep at night, so I went to a druggist and told him I wanted something for my cold, and he advised me to try Dr. Wood’s Norway Pine Syrup which I did, and after taking one bottle I was completely cured. Let me recommend Dr. Wood’s Norway Pine Syrup to anyone who suffers from a cough or throat irritation.”

The committee reported the House of Refuge to be running in a very satisfactory manner. Most of the inmates express a satisfied feeling at the treatment received in the institution.

THE BEST REMEDY

For Women—Lydia E. Pinkham’s Vegetable Compound

Bellefleur, Ont.—“I was so weak and worn out from a female weakness that I concluded to try Lydia E. Pinkham’s Vegetable Compound. I took several bottles of it, and I gained strength so rapidly that it seemed to make a new woman of me. I can do as good a day’s work as I ever did. I sincerely bless the day that I made up my mind to take your medicine for female weakness, and I am exceedingly grateful to you for your kind letters, as I certainly profited by them. I give you permission to publish this any time you wish.”—Mrs. ALBERT WICKERT, Bellefleur, Ontario, Canada.

Women everywhere should remember that there is no other remedy known to medicine that will cure female weakness and so successfully carry women through the Change of Life as Lydia E. Pinkham’s Vegetable Compound, made from native roots and herbs.

For 20 years it has been curing women from the worst forms of female ills—inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

You wash dishes about two hours every day. That’s one hour wasted!

Dishes get dirty, greasy and sticky and soap will not clean them. Soapy dish water merely cleans the surface; it doesn’t dig out the corners and drive out the decayed food particles. Moreover, soap leaves your dishes with a soapy, animal-fat smell, that is far from inviting.

GOLD DUST is the sanitary dish washer. It not only cleans the surface, but digs deep after hidden particles of dirt and kills the germs of decayed food which ordinary dish-water overlooks. GOLD DUST sterilizes as well as cleanses.

Besides doing the work better than soap or any other cleanser can, GOLD DUST will save just half the time you spend in washing dishes.

MASTER OF GRANGE

MANILLA MAN RECEIVES RE-POSSIBLE POSITION. The members of the Dominion Grange discussed, at the thirty-seventh annual meeting in Victoria Hall, Toronto, the serious problem of the east out of harmony with the west, the urban antagonistic to the agricultural population. It was a time to reckon with present-day conditions and learn a lesson for the future, then the farmers should organize too. Mr. H. Glendenning of Manilla, was appointed Master of the Grange.
