What Followed a Cut

A MAGISTRATE'S WONDERFUL EXPERIENCE WITH ZAM-BUK.

Mr. J. E. Arsenault, a Justice of the Peace, and station master at Wellington, on the Prince Edward Island Ry., has had a wonderful proof of the healing power of Zam-Buk. He says: "Four years ago I had an accident. I slipped in the station and fell on a freight truck, sustaining a bad cut on the front of my leg. I thought this would heal, but instead of doing so it developed into a bad ulcer and later into a form of eczema which spread very rapidly and also started on the other leg. Both legs became so swollen and sore that I could only go about my work by having them bandaged. My doctor said I must stop work and lay up."

"After six months of this trouble I consulted another doctor, but with no better result. I tried all the salves, liniments and lotions I heard of, but instead of getting better I got worse. "This was my condition when I got my first box of Zam-Buk. Greatly to my delight that first box gave me relief. I continued to apply it to the sores and day by day they got better. I could see that at last I had got hold of something which would cure me and in the end it did."

"It is now over a year since Zam-Buk worked a cure in my case, and there has been no return of the eczema or any trace of it. Such is the nature of the great cures which Zam-Buk is daily effecting. Purely herbal in composition this great balm is a sure cure for all skin diseases, cold sores, chapped hands, frost-bite, ulcers, blood poisoning, varicose sores, piles, scap scores, ringworm, inflamed patches, cuts, burns, and bruises. All druggists and stores sell at 50c per box, or post free from Zam-Buk Co., Toronto, upon receipt of price."
