"Nothing I have ever used gives he warm, coothing sensation of Catarrhozene," writes Isabel Ery, Seguin Falls, Ont. "I was in frightful way with catarrbooff the mose and throat-had droppings, hard breathing, bad breath and in digestion. Catarrhozone relieves at once and cured me thoroughly. is invaluable in colds, sore throat and bronchial trouble." Not diffi cult for Catarrhozone to cure, National Window Cap- |cause it contains the essences of pine Laws Vasey balsams and other antiseptics that simply mean death to catarrh. Large costs \$1, and contains two months' treatment; smaller sizes 25c. and 50c., all druggists and storekeepers or the Catarrhozens Co., Buffallo, N.Y., and Kingston,

Ar. Pot?rboro 7.25 p.m.: Ar. Have- give this onr attention. Call and see ed and cleaned up and planted with t: mils and potatoes. The crop 'gathered' amounted to several hundred of bushels of roots of splendid quality. Meanwhile the forest was attacked with a will, the result being that in six months 300 acres was chopped and windrowed, and much of lit cleared by burming. Roads were cut through and around the 1,000 acres and the camp was completed, weiis being dug and proper drainage and sewerage system made. The acsemmodation is now suitable for at least half a hundred men. The prisonars take and interest in the work,

Hanna told the Canadian Club is-

truly a remarkable one. It seems

benefit. For the ordinary law-

breaker it looks like ideal punish-

ment from every point of view. Car-

tainly there is no lack of land to be-

cleared in Canada and the gaols are

all fairly well filled with workers.

to tell of genuine "prison reform,"

which is most encouraging, says Mr. Canadian press at the time Hanna, and some of the poor fellows do not like to leave when their sentences expire. Some of them asked to be allowed to stay over Christmas, and those liberated on Saturday often request that they be not discharged until Monday, in order that they may escape the temptations of the week-end in the towns and cities. No trouble was experienced in managing the campers. Four paid men only are in charge of the den, another has charge of the field operations, a third is a guard, and the last is a cook. The night watchman is one of the prisoners. One guard over half a hundred men operating over an area of 200 to 250 acres of forest land ! The story Mr.

## Lame Backs!

THIS CASE PROVES THAT THE DEST AND STRONGEST LINI-MENT EVER MADE IS NERVI-LINE.

When it comes to determining the

real merit of a medicine, no weight

of evidence is more convincing than some reliable and well-known person who has been cured. For this reason we print the verbatim statement William Patrick Traynor and Hugh of Juan F. Powell, written from his J. Brown, who have been given the home in Carleton. "I am a stronb, 23, 1911, when they took part in the weigh nearly two hundred. I have arrest of the notorious "Kelly and been accustomed all my life to life grain-growing the drawbacks suffice to | Jones" bandits-the Mecuai brothers great weights, but one day I over did it, and wrenched my back badly. Every tendon and muscle was sore. then a constable, rounded them up To steep or bend was agony. I had in a house on Rachel street. Traynor a whole bottle of Nerviline rubbed was badly wounded by the bandits as on in one day, and by night I was H. Cramp." By this line John Ranthem twice, although covered from the well again.
