OMEMEE  
The farmers are well on with their winter's work owing to the good sleighing. The Methodist tea proved a great success on Monday night. Another lecture in the Presbyterian church on Friday night next on "Shakespeare" under the auspices of the high school by a professor from Queen's University, Kingston. Robt. Thornton, nephew of Lieut. Thornton, has enlisted for South Africa with Baden-Powell's constabulary. The medical examination is reported a strict one. Mr. Magwood of the Victoria Loan and Savings Company, Lindsay, was in town inspecting some property this week. Our junior hockey team visited Lindsay last Saturday to play the return match, but owing to the rink being engaged were disappointed in not getting a chance to try their skill.

SONYA  
Mr. Alex. McTaggart, jr., is under the doctor's care. We understand that Mr. Alex. McDonald has rented his farm to Mr. John Wells of Seagrave. On Friday evening of last week the brethren of Glencairn Camp S. O. S. met in their hall and presented Mr. Hugh McDonald with an address and arm chair on the eve of his departure to Sutton. On Friday evening last our village was shocked by the news that Mrs. Alex. Black had crossed that bourne from whence no traveller returns. Although deceased had been on the sick list for a short time, yet nothing serious was anticipated. However, pneumonia set in, and in spite of human aid she succumbed to that malady. The interment took place on Monday, the service being conducted by the Revs. A. Currie and J. M. Cameron. A very large number of friends and relatives escorted the remains to their last resting place in the McNeil cemetery. Deceased was of a quiet and retiring disposition, kind and obliging, highly esteemed by all who made her acquaintance. A beautiful wreath was placed on the casket by the members of Sonya auxiliary of the W. F. M. S., of which the deceased was treasurer for a number of years. A husband and two sons are left to mourn her loss, while the whole community sympathize with them in their bereavement.

FENELON FALLS  
moose. On his return home he left the head in Orillia to be mounted. On Tuesday he received the mounted head by train, and it is now on exhibition in Mr. Robson's store. The antlered head is magnificent measuring four and a half feet from tip to tip of the cutlers and Mr. Robson is very proud of being the owner of such a beautiful specimen and also of having shot it himself. It is also very handsomely mounted and will make a splendid hall ornament.

While up at French river last summer Mr. J. Robson shot a magnificent Mr. and Mrs. A. Fountain and family returned to the Falls last Thursday after spending the winter in the lumbering country near Warren. Mr. Wm. Graham is on a visit to his parents, Mr. and Mrs. J. R. Graham.

Miss Archer and Miss Washburn are Mrs. T. Sadler returned from Lindsay last week, attending the show room openings in Toronto. Miss Austin is visiting her brother Mr. H. Austin, Kinmount.

Mrs. B. Willis of Montreal came to the Falls last week to attend the funeral of her father, Mr. C. W. Moore. Mr. W. English is home from the north country. Miss A. Ellis returned to her duties in York county on Monday last. We are glad to state that she is quite recovered in health after two months rest.

Messrs. W. T. Junkin, R. S. Rowland and Merriam accompanied the hockey players to Keene on Friday night. Messrs. Junkin, Rowland, Gould and H. Dayman stayed over in Peterboro to attend the meeting of the Trent Valley Hockey League. "Three cheers for Keene! What did you come here for? Go home to your Cataractburg!" etc. sang the Norwood sports lined up on the Keene ice on last Friday night, when at half-time the score stood 3-1 in favor of Keene in the game between them and Fenelon Falls. Things did look black for our famous little players but "he laughs best who laughs last," and when about twenty minutes later the score stood 3-3 and Beteau paused for a moment before the Norwood crowd and said "You'll now will you? No! not another word will depart from your mouths, for we will defeat this team before another fifteen minutes has elapsed, just as we defeated you." And the gallant crew were silent. At the terminus of the game the result stood 4-3 in favor of Fenelon Falls and the manager of the Keene team jumped on the ice and gave vent to his feelings in some remarks which he soon saw fit to retract. Some people take defeat hard and to this class the Keene hockey players belong. We pity them, poor things, but the fault is no doubt owing more to their educators than to themselves. We feel proud of our team from the start to the finish of the season for they have conducted themselves in a sportsmanlike manner and have not perpetrated one act which would detract from their position of contestants in a fine line of Canadian winter sports. We think they deserve the praise and support of the people of Fenelon Falls for the manner in which they have upheld the sporting element of the village at home, and in each place in which they have played. The play off game between F.F. and Norwood will take place on Friday night in Lindsay. It is expected and hoped that a special train will be run up, as a large number of residents are anxious to witness the match. We understand that the victors of this game are to play Campbellford on the victor's rink. A final game the winner to take the cup. We think that Fenelon Falls will be the first name engraved on the cup and we trust we will not be doomed to disappointment.

The "best hockey team which Lindsay can produce" visited F.F. last Wednesday to wipe the ice with our local team. Fast and furious was the playing at first and the whole visiting team were onto Beteau so that he lost the puck every trip. Lindsay scored twice. Then the boys awoke to the fact that Beteau was their target and while the stalwart sons of Adam from afar watched their prey, Sandford got the puck and scored and then the rest was easy. The final score was 9-3 to the honor of Fenelon Falls and we congratulate our boys on their victory and the visitors on the most excellent game of shoney and foot ball which they played. Phoney Martin in particular was an expert at football. He can call on us for testimonials in that respect if he feels like entering the rugby field next summer. Of course it was gall and wormwood to the Lindsay players to come and see but not to conquer. But cheer up my friends! If you practice hard and keep cool you may live sufficiently long to defeat F. F. Your time may come but before you leave home next time, do not eat so much pie between meals. Of course it was good for trade but we really do value the constitutions of the Lindsay players even more than we value the trade of Fenelon Falls.
