MILLERSMITH—EMILY

On Wednesday the 27th a very enjoyable evening was spent in the school room by teachers, parents and friends. A good program was rendered consisting of songs, music, recitations, etc. and some very interesting selections on the gramophone. A short address was delivered by the teacher on "True Education." Some interesting discussions followed. We believe this to be a step in the right direction, and hope to see the parents have increased interest in the true education of the children, i.e., the education that tends to right thinking and right living.

FINGERBOARD

Mr. Norman Osborne and wife, accompanied by Miss Nettie James of Zion spent Sunday with Miss Edith Frise. Mr. John Frise and family of Blackwater passed through this place on their way to Valentia on Saturday. Mrs. Henry Moase is said to be ill with la grippe. Miss Ada Wills has gone to Lindsay to take a course in dressmaking and millinery. She will be greatly missed among the young people of this place. Once again the icy hand of death has visited this community and visited the home of our esteemed neighbor, Mr. Richard Moase, and claimed for its victim the young and respected wife, Mrs. Moase, (nee Miss Aileen Rodgers). For some time Mrs. Moase has had very poor health but the strong desire of all her friends was that she would again regain strength. At Christmas she and her husband and little boy went to Toronto to spend the holidays with her parents and only brother Addison. On their return from that city Mrs. Moase took congestion of the lungs, then pleurisy and last typhoid fever, which ended her life at the age of twenty-five. During her last days she looked forward to the happy reunion that awaits the sanctified, and wondered why her friends would cling to her when death seemed so sweet. On Saturday last the funeral services were conducted by Rev. C. Hopkins, after which her remains were laid to rest in the Pleasant Point cemetery, there to await the resurrection morn. The deceased leaves to mourn her a husband and one little boy. The friends have the heart felt sympathy of the community in their sad bereavement.

of a bouncing baby boy. Mr. Harry Anderson is suffering from a severe attack of the grippe. We hope to learn of his speedy recovery. Early this week Mr. Bert McGill had the misfortune to have his hand badly hurt while leading a horse to water. Mr. Tilley, P.S.I., visited the schools in this section last week. The infant child of Mr. William Jackett, who has moved to near Lindsay, died early last week. The recent successes of our pedagogues give promise of a bright and useful future.

Mr. Donald McArthur, our worthy councillor, will in the spring vacate his dwelling. He already has the brick and other material on the ground. Chas. McDonald will erect a large barn, with stone foundation the coming summer. James Davidson, the Highland bagpiper has been in this section the past month, the guest of Donald Fraser, who is also handy with the pipes. Their music has been enjoyed by many neighbors who have heard them.

Mr. J. Hinkley of Crown Hill, Ont., was in our vicinity recently. Mrs. I Robinson returned home on Thursday after spending a few days in Lakefield. Miss Nettie Pogue has been visiting friends at Cambury. Mr. Jos. McGee and Master Arthur spent Sunday at Lakehurst. Mr. Thos. Robinson is taking out ice for summer use. Mrs. Chas. The new Presbyterian church in Bobcaygeon is almost complete. It will be a credit to that or any other town. We hear it is to be opened soon. If the weather continues as it is now the fair sex shall need protection from the Persian as well as the native lamb. A car-load of ponies from the Northwest reached Peterboro last week. A team of them was purchased by Mr. John Brandon of Fenelon Falls. George Moor the English novelist contemplates visiting Canada this summer. We hope he may give us a call.

PALESTINE

Mr. Duncan McArthur, harnessmaker at Dauphin Man., is home for a five or six week's visit to his parents. He looks well and received a hearty welcome from numerous old friends. He likes the west, and has prospered there much better, he says, than he could have done in Ontario. Harness is much higher at Dauphin than here, and the ready cash is paid every time. Dauphin is a booming town of 1200, with a good agricultural country surrounding it.

The semi-annual meeting of the shareholders and patrons of the Oakwood Cheese and Butter Co. will be held in the factory on Wednesday, March 13th, at one o'clock in the afternoon. One of the matters to be taken up is the whey question—whether patrons are to be allowed to have the whey returned to them in the milk cans.
