A question which might elicit considerable interesting discussion is: why are the typical modern women twenty and over thirty years young in manners, dress and appearance than were their grandmothers at the same age? One might reply, says Mrs. Woodrow Wilson in the March Cosmopolitan, very pertinently that in the first place they have decided not to grow old; and, believe me, it is largely a question of will. Having made this decision they seek the means which shall enable them to retain their youthful appearance. They understand that beauty and ill-health are not congenial companions; consequently the women of to-day live much in the open air, loving the sun and breeze far more than the easy and sheltered life of their grandmothers.
On Thursday returned to town after spending several days driving through Peterboro county. He was unwell and somewhat alarmed at the sight of a rash on his body. He went directly to Dr. White and standing outside the door asked the doctor if he thought he had smallpox. The symptoms led Dr. White to send for Medical Health Officer McAlpine who ordered Mr. Metherell quarantined for fear he had smallpox for he judged the symptoms indicated that disease in a mild form. That afternoon the Board of Health ordered the isolation tent erected and equipped at the dump ground. After spending the afternoon in his stable, Mr. Metherell was at night quarantined in the tent. He has been able to attend to bringing his meals and is recovering rapidly. Whether the case was really one of smallpox or not the promptness of the health authorities in dealing with it is most commendable. The people with whom Mr. Metherell spent the few nights preceding his arrival in town will be quarantined.
The final match in the Trent Valley League hockey series was played here on Friday night between the Total Abstinence Society 7 of Peterboro and the Norwood team. It was a fight for the championship and the Stratton cup, between two equal quishers of all opponents but each winner in the season. The match was witnessed by about 800 people many of whom were from the town and not a few from Fenelon Falls. The match was very fast and close. The friends of either side cheered its successes lustily and altogether the contest was one of the most interesting and animated sporting events ever seen here. Peterboro scored first, Norwood soon retaliated, each winning round about the teams each half-time a tie 3:3. Norwood scored first in the second half, but with a savage rush Peterboro took the rubber promptly back through the victor's goal. Some rough play

led Referee Schooley to send men on both sides to the fence. Near the close, Peterboro was two ahead. Norwood reduced that lead by one and made desperate but vain efforts to cut off the other. A protest has been entered by Norwood that Parnell of Peterboro was a professional ball player. The point will be considered by the T. V. L. officials to-day. (Thursday).

Obituary
ISAAC REA
Isaac Rea, the subject of this sketch, was born in the county of Fermanagh, Ireland, on March 30th, 1813. In 1822 his father and family came to this country and lived for five years in Toronto. Moving to this county he settled in the township of Ops, in the vicinity of Reabrook, which afterwards took its name from the family.
The county was then an almost unbroken forest with very few settlers. The family proved to be pioneers in the new county. Mr. Rea's father built the first mill in what is now the town of Lindsay, and was the principal promoter of the first school in the township of Ops. He gave the building. In his home, pioneer ministers, Methodist

and English church, preached and were entertained.
Deceased was one of the directors of the Warder newspaper, when it was started in Omemee and continued to be a subscriber till his death. He was also one of the first justices of the peace of the township.
In 1837 when the McKenzie rebellion broke out and the call came for volunteers, Mr. Rea raised a company and marched to Toronto, in defence of his country. In 1840 he received from His Excellency, Sir George Arthur, then lieutenant-governor of Upper Canada, the appointment of lieutenant of the 4th regiment of the Durham militia, and in the fifties he received his commission as captain in Victoria county.
When 27 years of age he married Eliza Buchanan Wade, who proved a true helpmeet for him, and their home was ever the centre of what is noble and good. It may be truly said of Mr. Rea that "he served his generation and fell on sleep." His wife died five years ago. They had a family of two sons and three daughters; W. M. Rea of Reabrook (deceased); Dr. W. Rea of London, Ont.; Mrs. Dr. Beacock of Brockville, (deceased); Mrs. Weldon Lindsay, widow of the late Rev. I. Weldon; and Theresa W., wife of Rev. F. Johnson, Ameliasburg, Ont.
Mr. Rea was a Conservative in politics, a Methodist in religion, and for many years a class leader and Sunday school superintendent. Evenness of disposition and consistency characterized his course through life, and he has left to his family and friends the heritage of a good example and a noble life.
MRS. WILLIAM REA
On Sunday Mrs. William Rea succumbed to a long illness. Mrs. Rea was born in Ops in 1833. She was a daughter of the late John Hickson. In 1860 she and Mr. Rea were married. Her husband, six sons and three daughters survive her.
Mrs. Rea was a woman of strong character and deep piety. She was a faithful and devoted wife and mother, and a consistent member of the Methodist church, whose services she was regretfully unable to attend much in recent years by reason of infirmity. Eight months ago she suffered a paralytic stroke, and lingered in a low condition until her death.
The funeral at Riverside, on Tuesday, was largely attended; and the memory of the deceased will long be cherished with respect and regard by the people among whom she lived.
GEORGE BOXALL
(Mail and Empire, Friday)
Mr. George Boxall, one of Toronto's oldest citizens, died yesterday morning at his home, 73 Grenville-st. He had been suffering since Christmas from an internal cancer.
Deceased was a member of the Public School Board from 1882 to 1887, and was again elected in 1890 and 1891. He was chairman of the Supplies committee for three years from 1883 to 1885. He was a Past Grand Master of the Canadian Order of Oddfellows, a member of St. John's Lodge of Masons, and of the Granite Lodge of the A.O.U.W. He was connected with the Carleton-st. Methodist church. In his young days Mr. Boxall was a member of the volunteer fire brigade. For many years he carried on a tin-smith's business on Yonge-st. He leaves a widow, two sons, and two daughters. The funeral, on Saturday afternoon, will be held under the auspices of the C.O.O.F. and the A.O.U.W.
At the meeting of the Public School Board last night Trustee C. A. B. Brown, seconded by Trustee Kent, moved that and regret at the death of Mr. Boxall, who had served for seven years on the board, and who had always taken a deep interest in the welfare of the city schools. Deceased was a brother of Mr. Jas. Boxall, town.

FAITHFUL-WICKETT
The home of Mr. and Mrs. William Wickett of Little Britain was the scene of a very interesting event on Wednesday, Feb. 25th, when their only daughter Miss Eva was united in the bonds of matrimony to Mr. S. Bentley Faithful of the same place. At 2.30 o'clock Miss Elnor Greenway took her place at the organ and as the music of the wedding march pealed forth, the bridal party entered the drawing room, the groom attended by Mr. Louis Wickett brother of the bride, while Miss Margaret Robeson of Bethany, waited on the bride, who entered, leaning on the arm of her father, who presented her for marriage. The ceremony was conducted by Rev. W. T. Wickett of Victoria Road, assisted by Rev. W. G. Clarke B. A. of Little Britain, in the presence of a large number of invited guests.
The bride was beautifully attired in a white lustrous dress trimmed with silk lace, chiffon and pearls, while the bridesmaid wore a very pretty dress of organdie. Each carried a handsome bouquet of white carnations smilax and ferns.
After congratulations and good wishes were tendered, the happy company were ushered into the dining room, where the beautifully decorated tables were daintily spread with provision that would invite the longing taste.
The popular young couple were the recipients of numerous and costly presents, attesting the esteem in which they are held. The groom's present to the bride was a very handsome silver fruit dish, and the bridesmaid a beautiful gold "cage"et. Amid showers of rice, and expressions of good wishes, and spirited songs the happy couple left on the evening train for Toronto and points west. Congratulations. Communicated.
