curned you up and spanked you when you wasn't big as a well-grown marlin-spike, and I've often given you a good licking when you were older, for your short-comings; I've talked to you, Orlando Toosypegs, for your good till all was blue-I've made myself as hoarse as a boatswain splashing showers of good advice on you; and now, what's my return! You say you don't see no use in being Orlando, it grieves me it makes me feel as bad as if I had drank a pail of bilge-water; but there is no help for it! I give you up to ruin- I've lost all faith in human mortals-I wash my hands of you al-

together.!" Here the admiral looked around for some water to literally fulfill his threat, but, seeing none, he wiped his hands on the tablecloth, and resumed his seat with the air Spartan father may be supposed to have worn when condemning his own

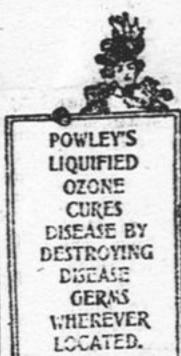

son to death. So deeply affected was Mr. Toosypegs by this pathetic exhortation, that he sobbed away like a hyena in his flaring bandanna, with a great noise and much wiping of eyes and nose, which showed he was not lost to all sense of human feeling.

"Yes, Orlando," said the admiral, mournfully, "I repeat it, I'm determined to wash my hands of you. The basin ain't here; but it's no matter. Your father was a nice man, and I'm sorry his son ever come to this."

W. A. Andrews Banished His When He Was So Bad That He Had Lost Twenty-five Pounds and Was a Complete Wreck.

Hobbling Around on Two Canes He Commenced to Take Powley's Liquified Ozone, Which Instantly Destroyed the Disease Germs.

In Two Days His Appetite Returned, His Sleep Was Natural and Restful, His Pains and Aches Vanished and He Threw Away His Canes.

"Last August I was attacked with severe muscular rheumatism. So bad was this attack that I called in my doctor, who had to administer injections to allay the pain, after which he put me through the sweating system. He attended me well and faithfully for five weeks. When I got up I was compel'ed to use two

caresto gct around the louse. During all this time I "Now, Orlando," repeated the ad- lost about twenty-five pounds in debtors give, was heard at the outer miral, with a wave of his pipe- weight; in fact I was a complete

"About this time my daughter comshe had suffered for years. In a short time she was completely cured of this troublesome disease. So effective was the preparation in her case that I comm need taking it myself, and in two days' time my appetite returned and my sleep became as good as ever. All "D'ye do. Ozone Acts Rapidly and Thoroughly.

It is conceded by medical men that the cause of nine-tenths of the disease

for it gives me the most peculiar "Orlando Toosypegs," said the ad-

"Admiral Havenfut," said Mr. Toosypegs, hiccoughing violently, "I'm ashamed of myself. I oughtn't to have said it; and I won't do so no more at any price. I know - I know I oughtn't mind being wretched, but somehow I do, and I can't help it. If you'll only forgive me,I'll tell you what's the matter and promise to try and do better for the DUAND time to come."

"Well, heave ahead!" said somewhat mollified mariner. "Admiral Havenful!" exclaimed Mr. Toosypegs, springing to his feet with such startling energy that the old sailor jumped up, too, and brandished his pipe, expecting a violent personal assault and batterysay that? Oh, my gracious!" ed bad! Ugh!"

sea-green visage, the unhappy young man sat down, with one had on his mouth and the other on his dinner. With a violent snort of unspeakable contempt, the admiral flung I can, and will never fail to recommend himself back in his chair, and turned up his Roman nose to the highest possible angle of scorn.

"Excuse me, Admiral Havenful, said Mr. Toosypegs, at length, in a fainting voice, "I feel better, now. It was so-so sudden, and took me so unexpected, that-that it rather started me; but I'm quite well now. I'm very much obliged to you. Ugh! The very mention of-you know what follows sea-sickness-turns my very skin to goose-flesh. We won't speak of it any more, if it's all the same to you, Admiral Havenful. I promised to tell you the cause of my misery-didn't I? Yes? Well, it'sit's Miss Minnie." "Little Snowflake! hea-I mean go

ahead." "I went and fell in love with her, Admiral Havenful," said Mr. Toosypegs, looking around, blushing.

"Stand from under!" growled the bewildered admiral. "Admiral Havenful, it's my intention to stand from under as much as possible. I'm very much obliged

to you," said Mr. Toosypegs, politely. "I dare say you're surprised to hear it, but I really couldn't help it. I assure you she was so-so stunning, so as-I don't know what to call it; but it's enough to turn a fellow crazy, by granny! I know she don't care a pin for me. I know she don't and nobody can tell the state it throws me into. I thought I felt dreadfully about Miss Pet's black eyes, and I did, too; but it Miss Minnie's blue ones pitches me into. Admiral Havenful, I don't ever was. It makes you feel worse know anything, except, perhaps, sea-

pleasantness." So completely unexpected was this declaration, that the admiral so far

ahead!" The effect of this command on Mr. Toosypegs in his present disordered state of mind, was perfectly electrifying. Springing to his feet, he seized his hat and cane, clapped his bandanna to his mouth, and, with a THE LEADING FURNITURE DEAlook of intense anguish no pen can describe, made a rush for the door, fled from the house and vanished for the remainder of that day from mortal eye.

CHAPTER XXX.

Three hours after his interview and rejection by Erminie, Judge Lawless me. I tried a number of good tonics alighted at the inn-door in Judes-

grand seignor of this rustic town, straight up to the fire-place, and deand ushered him into the parlor with liberately spit a discharge of tobacas much, and considerable more, re- co-juice right into the eyes of an unspect than he would have shown to offending cat, by way of commencing the King of England, had that gen- business. Then turning his back to tleman condescended to visit the the mantel, he put his hands behind "Judestown House," as the flaming him, crossed his feet, and stood ready gilt sign-board announced it to be. LERS OF LINDSAY.

ficers from here to Land's End." Judge Lawless understood it, and throwing himself into a chair, he called out blandly: "Come in."

The door opened, and a short, thick-set weather-beaten, grim-looking, old sea-dog made his appearance, and giving his head a slight out all bows and smiles, to greet the jerk to one side, by way of acknowledging the judge's presence, walked

to commence operations. "Well, square, what's in the wind sir? s'gar, sir? anything you want, now?" demanded the new-comer, at sir?" insinuated mine host, all in a length, seeing the judge did not seem inclined to speak.

"Bart,: said the judge, in a low, "All right-I'm here! what's it,

"No; this is something quite different. How long do you remain here "Bart, sir? Yes, sir. Here five this time?" "Can't say, for certain, boss. The schooner's off a repairin' and we're

"Ah!" said the judge slowly, pass- trying the land dodge till she's ready ing his hand over his moustache; again; no telling though, yet when

"Cap'n's wife? Well, yes, square, I late have alarmed the good people reckon she is. What do you want of "Yes, sir; hunt him up, five min- "I want her to take charge of &

utes, sir." And off bustled the host young girl that you must carry off. "Forcible 'duction, 'saltin' and Judge Lawless arose with knit batterin'. Come, square, you're go-

brows and began pacing excitedly up in' it strong." and down the room, when alone. He 'Speak lower, for Heaven's sake ! knew this Black Bart well, knew all Will you undertake to do this for
