Shoemaker's Backache.

The constant bending over that of necessity a shoemaker must do when at work comes hard on the back and hard on the kidneys.

Backache, lame, weak and sore back are the bug-bears of a shoemaker's existence.

The kidneys get cramped and strained, are unable to filter the blood as they should—they tell of their disordered condition by making the back ache and pain.

There isn't much use rubbing on liniments or sticking on plasters when the prime cause of the ache lies in the kidneys.

The remedy that is most effectual for "shoemaker's backache," as for all kinds of backache and kidney trouble, is Dr. Pitcher's Backache Kidney Tablets.

INTENSE PAIN.

John Saunders, shoemaker, Whitchy, Ont., gives the following evidence:—I procured a bottle of Dr. Pitcher's Backache Kidney Tablets at the drug store, and can say that they gave me great relief immediately.

ALL FOR LOVE

(Continued from Page 4) "Well, it's a wonder you took the blamed thing off until you choked me dead! You ought to be ashamed of yourself, Mr. Garnet, smothering a young lady this way, in a big blanket like that. I wish you'd let me go. I don't want to be carried like a baby any longer."

"Not so fast, pretty one," said Garnet, in a low tone of mocking exultation. "Be in no haste to quit these arms, for they are to be your home for the future."

"Humph! a pretty home they would be! You'll have to consult me about that, Mr. Rozzel Garnet. Let me go, I tell you! A body might as well let a bear carry them as you!"

"As you please, my pretty lady-love!" said Garnet. "I do not think you will escape so easily this time as you did the last. That was your hour of victory; this is mine. Then, you said neither earth, air, fire, nor water, could hold you. Perhaps stout walls of rock can!"

"Don't be too sure, Mr. Garnet. There is such a thing as blowing up rocks, or an earthquake might happen, or of the sea might overflow, or you and all your brothers in villainy might get paralytic strokes, or Satan might come and carry off the whole of you bodily to your future home. I'm sure I wish this time you did the last. That was your hour of victory; this is mine. Then, you said neither earth, air, fire, nor water, could hold you. Perhaps stout walls of rock can!"

"Well, no; I reckon there isn't," said Black Bart, with a grin, "seeing it's right under a hill, and nothing but solid rocks above and below."

"A strong foundation," said Pet. "like the true Church, it's built on a rock. I should think it would be damp, though, when the tide rises and fills it; and as I am subject to rheumatism—"

"No danger," said Bart. "I'll risk your drowning. There! Garnet's calling you. Go in there."

Pet arose, and Garnet holding back the balise screen, motioned her to enter. She obeyed, and looked curiously around.

The room was smaller than the one she had left, and better furnished. The rocky floor was covered with India matting, and chairs, couches and tables were strewn indiscriminately around. A bed with heavy curtains, stood in one corner, and a stand, containing books, writing materials and drawing utensils, stood opposite.

Choking With Bronchitis.

Madame Gauthier, of Montreal, Suffered for Two Long Years Before She Obtained Any Relief.

Then She Tried Powley's Liquefied Ozone—The Disease Germs Were Speedily Destroyed and She Was Better.

She is Now Completely Cured and Pronounces Ozone a Truly Marvelous Remedy.

I rejoice to be able to state that after two long years of great suffering from bronchitis, in which I was the victim of a most distressing coughing and smothering sensation, I have been completely cured by Powley's Liquefied Ozone.

I consider it a truly marvelous remedy and warmly recommend it to all.

(Signed) MME. T. GAUTHIER, 701 St. Paul St., Montreal, P. Q.

POWLEY'S LIQUEFIED OZONE CURES DISEASE GERMS WHEREVER LOCATED.

MADAME GAUTHIER.

The following are brief extracts from the letters of a few of the many hundreds of persons who have been cured of bronchial affections by Powley's Liquefied Ozone:

JOHN M. SMITH, 225 Wellington street, London, says: "I suffered from chronic bronchitis from childhood. I tried every remedy I could hear of, but got no relief until I got Ozone. I consider it a great boon to humanity, and hope the public soon learns to appreciate it."

MRS. B. HENDREN, 52 St. Clarens ave., Toronto, says: "For four or five years I suffered terribly from bronchitis and asthma. I tried all kinds of remedies but got no better. Ozone helped me to get on my feet. Since commencing to take it I have gained 40 pounds in weight, have much greater vitality and sleep splendidly, something I could never do before."

J. W. KIRKUP, 781 St. Urban street, Montreal, says: "I had taken but two bottles of Powley's Liquefied Ozone when I was cured of a very serious attack of bronchitis, and to-day I am entirely free from this trouble. I consider this remedy the greatest discovery of the age for curing disease."

Ozone is a Healer and Cannot Injure. Many drug preparations used to alleviate the symptoms in pulmonary and bronchial affections give a certain amount of temporary relief, but at the same time prove injurious to different organs of the body. This is especially true in the case of persons with weak stomachs. Powley's Liquefied Ozone contains no drugs, and instead of irritating a delicate stomach, it is beneficial to every organ of the body. It simply cures disease by destroying the disease germs that cause it.

Powley's Liquefied Ozone is sold only by reliable dealers—never by peddlers. Price 50 cents and \$1.00 per bottle. Our free book on receipt of name and address.

be anxious about me up home. They don't know I'm out, you know."

The woman went calmly on with her work without replying, and Pet, seeing it was all a waste of breath, pleading, got up and went over to the shelf where the books were, in search of something to read. A number of pencil-drawings lay scattered about Pet took them, and little as she knew about art, she saw they had been sketched by a master-hand.

"Oh, how pretty!" she exclaimed, "was it you drew these?"

"No; my husband," answered the woman. "They are all fancy sketches, he says."

There was a sort of bitterness in the last words; noticed by Pet, who was eagerly and admiringly examining the drawings. One, in particular struck her; it represented a large shadowy church, buried in mingled lights and shades, that gave a gloomy, spectral, weird appearance to the scene. At the upper end, near the grand altar, stood a youth and a maiden, while near stood a white-robed clergyman, book in hand. A dying bird seemed fluttering over their heads and ready to drop at their feet. The face of the youth could not be seen, but the lovely, childlike face of the girl was the chief attraction of the drawing. Its look of unutterable love, mingled with a strange, nameless terror; its rare loveliness, and the passionate worship in the eyes upturned to him who stood beside her, sent a strange thrill to the very heart of Pet. The face was familiar, just as those who see in dreams are; but whether she had dreamed of one like this, or had really seen it, she could not tell. She gazed and gazed; and the longer she gazed, the surer she was that she had really and certainly seen, if not that face, some one very like it, before.

"Can you tell me if this is a fancy sketch?" said Pet, holding it up.

"My husband says so—why!" asked the woman fixing her eyes with a keen, suspicious glance on Pet.

"Oh, nothing; only it seems to me as if I had seen that face before."
