GOLDEN BUTTER

Butter certainly looks nicer and seems to taste better when it has a rich, golden color. It takes the green feed of the pasture to naturally produce cream that will make butter of the color that we like to see. However, our

VEGETABLE BUTTER COLOR

will produce the same results at this time of year when green feed is lacking. This butter color is healthful and butter colored with it is just as wholesome as it would be without it and is decidedly more inviting in appearance. If you make butter for market it will bring a higher price when it's golden. Price

LITTLE LOCAL LINES.

News of Town and Country Briefly Told

—Mr. Arthur S. Parkin, manager of the Lindsay Midgets, will entertain his club and a few friends in his rooms to-morrow night with a progressive euchre.

—The second session of the third parliament of Canada, was formally opened Thursday afternoon by His Excellency the Governor-General with the customary charms. In spite of the weather an unusually large number of people witnessed the ceremony. The galleries were filled to overflowing and the seating capacity on the floor of the house taxed to the utmost. Among the many ladies present was Miss Roby Hughes, daughter of the local member. An Ottawa exchange says "Miss Hughes looked charming in a violet silk crepe de chine trimming of old rose points, necklace of diamonds and baroque pearls."

—It is stated on good authority that Mr. R. J. Munro of the Munro House, Peterboro, has been made a handsome offer for his well-known paper, "Little Jap."

—The offer was received from a Peterboro gentleman, who intended shipping the house to the west. It is said the figure was near what Mr. Munro is asking for his paper, and that an exchange of property will be effected if it is probable.

—Mrs. M. Lamb of Fenelon had a very successful sale of stock and implements on the 9th inst. Horses sold for \$142 to \$178; milch cows from \$44 to \$50; young pigs \$8; brood sows, \$25; sheep, from \$11 to \$13. About 50 hens sold for 51c each.

—Mr. Geo. Jordan left for New Liskeard and other points in New Ontario on Tuesday night on business matters, and will be away several weeks.

—Chief Neilson wired Peterboro police last Saturday afternoon to arrest William Eaton, 16 years of age, an English emigrant boy, who speaks with a decided English accent, on a charge of having stolen from his employers, the Lindsay Lumber Company, the sum of \$50. The firm by which he was employed, gave him a cheque for \$50 on the Ontario Bank, Lindsay, on Saturday morning for the boy to cash. He received the money from the bank teller, and after receiving it left for Peterboro on the 11 o'clock train from Lindsay, buying his ticket at the railway station. When the cheque was cashed the boy was given seven \$5 bills, all of the Ontario Bank, and ten \$1 bills, and \$5 in silver. He is short and chunky wears a dark grey suit, dark grey cap and short trousers.

—The Peterboro council have struck a rate for this year at 17 1/2 mills. This is a 1/2 a mill less than last year.

—While Mr. John Willock, of Powles' Corners, was driving to town Wednesday, his horse became frightened at a local butcher's wagon standing on the roadside at Hopkins' creek, on the Fenelon road, and made a dash to get away, with the result that rig and occupant were tumbled into the ditch. Mr. Willock had a couple of ribs broken and sustained other injuries. Of 25 dozen eggs, only 3 dozen escaped destruction. Mrs. Blackett, alias of Powles' Corners, who was driving to town with Mr. Willock fortunately decided to take the train at Cameron siding, and thus escaped possible serious injury.

—Sunlight Soap is better than other soaps, but is best when used in the Sunlight way. Buy Sunlight Soap and follow directions.

—Beer took a drop last Wednesday. While the local brewery wagon was descending Murphy's hill on the Fenelon road it upset, rolling several barrels of Cornell's famous ale into the ditch. The task of reloading was no easy one.

—The Ottawa Citizen says the small country fair associations want horse racing at these shows legalized. Why do they not be honest about it and admit that the so-called township shows are mere side-shows to a race meeting. Without the horse races fifty per cent. of the township shows would not hold an exhibition, and even as it is the exhibition part of the performance is a case of an exhibit, and even as it is the exhibition part of the performance is a case of an exhibit for each prize offered—and that is about all.

—The next sale at Fanning's Repository, Lindsay, will be on Saturday, March 24th. See advt. in this issue.

—A prohibition of the practice of hunting deer with dogs is aimed at in a bill which is to be introduced by Mr. A. C. Pratt, M.P. P. for South Norfolk.

—The portrait of His Honor Judge J. Harding of Lindsay, has been added to the collection of oil paintings in the blue room of the Masonic quarters, Temple building, Toronto.

—The Library Board met on Monday night when the question of opening up the library on Sundays and holidays was debated. Mr. R. M. Beal is the promoter of the movement and said it should be the desire of all to make the library attractive to help keep the young men out of saloons. A committee was elected to consider the matter, composed of Messrs. H. E. Wright, Kyle and Rev. Father O'Sullivan.
