Several days ago the wife of Mr. Watson, of Bowmanville, strayed from her home, and when it was found a woman had been found in Toronto who answered somewhat the description of the missing woman, Mr. Watson and his friend came to Toronto.

They went to the Bellamy Home, but found the missing wife was not the woman picked up.

This morning Mrs. Piggins, who took the unfortunate under her care, reported that several people had offered to give her work, but she will be unable to go out for four or five days at least.
