## One Barrel of Flour Instead of Two

YES, in the old way there was one kind of flour for bread and another for pastry.

Now, OGILVIE'S ROYAL HOUSEHOLD FLOUR is an all around flour. It makes not only the very best bread but also the very best cakes, pies, biscuits, rolls, muffins, pop-overs, pancakes, dumplings, anything that you want to make or bake from flour.

"ROYAL HOUSEHOLD" saves money and trouble. Instead of having two barrels of flour in the house you can get along much better with one. And you can be certain that it is always uniform—will always come out right whether for Bread or Pastry.

ROYAL HOUSEHOLD FLOUR makes better bread and better pastry than any other flour because it is better flour—made from the finest grade of wheat in the world, Manitoba Red Fyfe wheat, and milled by the

very finest machinery, in mills that are a model of cleanliness.

"ROYAL HOUSEHOLD" costs a trifle more by the barrel than ordinary flour but this trifle extra proves real economy when the loaves are counted. For "ROYAL HOUSEHOLD" goes farther than ordinary flour—farther in actual quantity of baked product.

Even if "ROYAL HOUSEHOLD" cost a great deal more than ordinary flour it would be well worth it for it is more nourishing.

You can't afford to buy impoverished flour at any price. You can't afford to skimp on health when you buy flour just because it costs less than "ROYAL HOUSEHOLD".

"Ogilvie's Book for a Cook" sent free to any woman who will send in her name and address to The Ogilvie Flour-Mills Co. Limited MONTREAL.

## HOUSE CLEANING

TWO GOOD PAPERS READ AT W. I. MEETING.

Balsam Grove, March 21.—A very successful meeting of the Pleasant Valley W. I. was held at the home of Mrs. David Moynes on March 17. There was a splendid attendance and two good papers were read. A very reasonable one on "Housecleaning," prepared by Mrs. John Smith was well received. The second one prepared by Mrs. D. Moynes, subject, "Worry," was of interest to all and showed much thought in preparation. Miss Ethel Smithson provided music. The national anthem brought the meeting to a close. They will meet again on April 21, at the home of Mrs. R. C. Webster, Balsam Grove.

A number of our citizens are laid up with bad colds. We hope they will soon be able to be out again. Mrs. Wes. Webster, Glenarm, visited her parents here last week.

## PLEASANT POINT.

Pleasant Point, March 21.—Mrs. McElroy, of Linden Valley, and Mr. and Mrs. George McElroy, of town, have returned home after spending a week with friends in this vicinity.

Mr. Irwin Sanderson has been busy here with his circular saw for the past week.

At a meeting of the ratepayers of this section held in the school house on Friday, March 18, for the purpose of considering the erection of a new school, it was decided to build a new school and also to change the site. A site consisting of an acre was accordingly purchased from Mr. Chas. Fore, on the northwest corner of lot 3, con. 10. The new building will be erected in the mid-summer holidays. Mr. W. H. Stevens, the inspector for this district, was present at the meeting and gave some valuable advice.

Mr. Robert Wallace had the misfortune to have one of his fingers

split open while throwing blocks away from the circular on Saturday last.

Mrs. S. Endicott entertained a few friends on Wednesday evening last.

## HEAD LAKE.

Head Lake, March 14.—Spring is coming. The crows are back again announcing its arrival. The warm sunny days of last week have played havoc with the roads and now they are almost impassable. The farmers are all busy getting out wood and preparing to meet the new season.

Mr. Kenneth McDonald had a bee last Saturday drawing lumber to Victoria Road. On account of the bad roads he did not get it quite all out.

Mr. Stephen Burgess was in Fenelon Falls last Saturday on business.

Mr. Fred Gunn, of Toronto, is at present visiting friends in Digby.

Mr. Nelson Talman is preparing to put in a gang of men in Mr. Hodges' bush to cut the timber he purchased there some years ago.

The Head Lake school has been closed during the last week with a scarlet fever scare. As yet we understand there are no new cases.

## A NASTY BITE.

Mr. Jack Lynch met with a peculiar and at the same time painful accident Sunday afternoon when he was bitten by one of his horses. It seems that Mr. Lynch was leading the horse out of the stall when it made a vicious lunge at him, biting him on the forehead, just over the left eye. Fortunately the eyesight was not impaired, but the wound is a nasty and painful one.

The Don foundry was destroyed by fire.

Valentine & Martin's shoe factory at Waterloo was gutted by fire. Loss \$90,000.

The new assessment gives St. Thomas a population of 14,872. Harry Thomas, sent to Kingston Penitentiary from Sault Ste. Marie for burglary, has been deported.
