CLARKE-THEXTON.

A very pretty wedding took place in Millbrook on Thursday, March 10, at the home of the bride's parents, Mr. and Mrs. William Thexton, when their daughter Luella, was married to Mr. R. Watson Clarke, of the town of Roland, Man., and eldest son of Mr. and Mrs. R. W. Clarke, of Millbrook. Rev. M. P. Rogers, Methodist minister, officiated. The bride was given away by her father and wore her traveling suit of pale rose colored cloth with hail embroidery trimming. Her picture hat was of black straw moirai with plume and gold sequin trimmings. The bridal bouquet was of roses, carnations and maiden hair fern.

Miss Florence Thexton, sister of the bride, played the wedding march. The house was tastefully decorated for the occasion with palms, carnations, roses and smilax. The bride and groom were unattended.

The number of presents which the bride received, in silverware, cut glass, purse of gold, etc., shows the high esteem in which she is held in the community. The groom's gift to the bride was a magnificent sunburst of pearls and that of her father a handsome fur coat. Miss Dean's young ladies' Bible class, of which Miss Thexton was a member, presented her with a useful piece of silverware. After the wedding dejeuner was served Mr. and Mrs. Clarke left on the G.T.R. train for their new home in Roland, Man. The bridal couple left amid showers of rice and confetti and followed by the good wishes of their many friends. The groom is a nephew of Dr. Clarke of this town.

SNELL-HUGHES.

The home of Mr. and Mrs. C. Snell of Minden, was the scene of a very pretty but quiet wedding on Wednesday, March 16, when their son, Mr. Frederick Snell, and Miss Josephine Hughes, third daughter of Mr. and Mrs. Jos. Hughes, of Minden township, were united in marriage by Rev. T. A. Nind, in his usual impressive and pleasing manner. The bride was very prettily dressed in white elephant grey panama with white applique and lace, and was assisted by Miss Pearl Palmer as bridesmaid, who wore a suit of dark blue. Mr. Robert Ranson, of Lindsay, supported the groom. Only the immediate friends of the contracting parties were present, but the wedding presents were many and very useful.

The happy couple will shortly move to their home, immediately west of Mr. Smith's, on the Scotch Line, Anson.

The whole field of life prices is covered, as each of the writers takes a different angle. "The American Farmer's Wife—Her Problem" helps solve the puzzling question of the woman on the farm. Rheta Childe Dorr handles the church problem in "The Institutional Church." The fiction is by Zona Gale, Richard Washburn Child, Grace MacGowan Cooke, and a new serial, "The Unforseen," is begun by Mary Stewart Cutting. The early summer fashions are set forth attractively in color and in words of authority. The number is well balanced and pleasing.

OBITUARY

WILLIAM WALKER SADLER. William Walker Sadler, one of Lindsay's highly respected and best known citizens, died on Wednesday evening at 9 o'clock at his home on St. David-st.

The late Mr. Sadler had been in poor health for the past year, and during the past three months little hope was entertained for his recovery. He spent some time in the Ross Memorial Hospital, where everything in the medical line was done to restore his health, but to no avail, and he was removed to his home about four weeks ago.

The late Mr. Sadler was the oldest son of the late T. Sadler, who was one of Lindsay's best known citizens. The deceased was 55 years of age and came to Lindsay in 1862. He has resided here ever since. He was born on May 15th, 1854, in Ormstown, Chateaugay County, Quebec, and worked for many years with his father in the lumber and milling business, being employed in the mill now owned by the Fivelille Milling Co. He later went into the steamboat business and owned and ran the Greyhound (the Kathleen).

For the past fourteen years the deceased has lived a retired life and was a large shareholder in the Light, Heat & Power Co., of Lindsay. He was also a lover of the water, and of nature's beauty, and spent considerable time in hunting and fishing.

The late Mr. Sadler was a man of very quiet disposition, which won for him a large circle of friends in Lindsay and vicinity, who will regret to learn of his death.

In December, 1882, the deceased married Margaret O'Connell, of Lindsay, who is left to mourn his loss, along with five daughters: Mrs. John Hartnett, Ops; Jennie, Mildred, Frances and Margaret at home; and three sons, Fred, Reub and Leslie, at home; and one brother, Thomas, of Fenelon Falls; also three sisters, Mrs. Alex. Gordon, Toronto; Mrs. (Dr.) Adam Clarke, Winnipeg; and Mrs. W. Lummis, Toronto.

The sincere sympathy of the citizens of Lindsay and vicinity are extended to the bereaved widow, brothers, sisters and family in this their great loss they have sustained.

Especially touching were the last sad rites surrounding the funeral services of the late William Walker Sadler, who died at his home on St. David-st., on Wednesday night. The funeral was held on Friday at 9 o'clock and was attended by a representative gathering, representing the social, business and religious interests of the town who had gathered to do honor to one who had devoted himself loyally to the highest and best interests of the town.

The pall-bearers were chosen from among the life-long friends of the deceased, and were, Messrs. Thos. Stewart, J. R. O'Neil, D. Sinclair, C. Callaghan, Wm. Galbraith and J. R. Shannon.

The remains were conveyed to St. Mary's church, where requiem mass was chanted by Venerable Archdeacon Casey and thence to the Roman Catholic cemetery for interment. The manager and directors of the Light, Heat and Power Co., of which the deceased was a prominent member, were present. A number of floral wreaths and beautiful bouquets were sent by many of the friends of the deceased as a token of respect.

The late Mr. Sadler was a son of the late Thomas Sadler and not of William Sadler, as was stated in last night's issue, and the name of the youngest son Leslie, was omitted from the list of those in the family who are bereaved of a kind father.

Mrs. Alex. Gordon, Toronto, Mr. and Mrs. Thos. Sadler, Fenelon Falls, Mr. and Mrs. A. Walsh, Mr. Jas. Fettesse, Toronto, Miss B. Keenan, Sunderland and Mr. D. Walsh, of Bobcaygeon, were the chief mourners from distant points at the funeral.

MISS ANNIE MANN.

In loving remembrance of Miss Annie Mann, who died at the residence of Mr. Wm. J. McGahey, lot 2, con. 12, Emily, on Tuesday morning, March 8, 1910. The deceased had been in ill health for a number of years, but gradually grew worse within the last couple of months, still her friends had hopes that she would get strong again. But the all-wise Providence intervened and death released her from her sufferings. Always of a cheerful disposition and kindly nature, she made many friends who will grieve to hear of her death. The deceased was born in Scotland and came to Canada about twenty-two years ago. Of this time she lived thirteen years in the home where she died and where she was beloved by all who came in contact with her. The remains which were taken to Peterboro for burial, was followed to the depot by a large concourse of sorrowing friends and neighbors, who will miss Annie very much. The funeral ser-

Mr. W. Parks and family left last week for Mount Horeb, where he has secured a position.

Mr. and Mrs. Thos. R. James treated a number of their friends to an oyster supper.

The Epworth League rally of the Cambray circuit was well attended by the members of the different leagues, viz., Cambray, Eden, Zion and Cameron. In the afternoon the roll was called and responded to by the members, both active and associate, of the leagues. Two papers were read by Miss Sadie Greenaway, of Eden, and Mr. W. MISS ERNESTINE BOUVARD WAS TAKEN SICK FROM CATCHING COLD

PE-RU-NA RELIEVED.

MISS ERNESTINE BOUVARD, Duck Lake, Saskatchewan, Can., writes:

"At the close of 1903 I took sick as the result of catching cold. I became very weak and could not do anything.

"I consulted a doctor who had me take various kinds of medicine, but I did not find any relief from my suffering. At the advice of a friend, I wrote to you and you advised me.

"After I had taken two bottles of Peruna there was noticeable improvement. I combined the use of Peruna, Manalin and Læncipia and after taking several bottles of each I find myself entirely cured.

"I can certify that it was through your medicines that I recovered my health. I advise every one who is similarly afflicted to obtain Dr. Hartman's advice and be benefited."

Mrs. Wilda Mooers, R. F. D. No. 1, Lentis, Oregon, writes:

"For the past four years I was a wretched woman, suffering with severe backaches and other pains, leaving me so weak and weary that it was only with difficulty that I was able to attend to my household duties.

"I used different remedies, but found no relief until I had tried Peruna.

"Within two weeks there was a change for the better, and in less than three months I was a well and happy woman.

"All the praise is due to Peruna." Peruna is not a local remedy, but an internal systemic remedy. It will relieve catarrh in its most obstinate form.

COL HUGHES PROTESTS.

Ottawa, March 16.—With an attendance of 250 delegates the Orange Grand Lodge of Eastern Ontario opened here this afternoon. A civic address was presented and responded to by Grand Master Burney of Kingston.

At a meeting last night of the Grand Black Chapter, Col. Sam. Hughes spoke strongly against the proposal of the French Congress that French be spoken and taught in the schools.

"In place of permitting the French language in our schools," he said, "we should carry English to them. Let them retain their mother tongue and use it when they like, but when it comes to schools, let the language be English."

Important amendments to the Insurance and health acts are contained in a Provincial Government measure.
