**Curling Season Ends at
'Caygeon--Big Banquet**

Bobcaygeon, March 19.—The anniversary of Knox church last Sunday and Monday was a pronounced success. Rev. Dr. Marsh preached the anniversary sermons on Sunday. On Monday evening the usual church tea was held, after which he lectured on an evening in the skies. Dr. Marsh is an astronomer of some distinction, and his lecture, accompanied with lantern views, was much appreciated.

Two rinks of curlers, skipped by A. E. Bottum and E. J. Broad left on Monday for Peterboro to play the return game for the Fitzgerald-Bottum trophy, but were eight down and 20 down here, which assures the shield a resting place in the Electric city till next winter at least.

The second round of the Bobcaygeon-Stanton cup between Bobcaygeon and Fenelon Falls clubs was played Thursday and Friday. Two rinks, skipped by R. J. Green and E. J. Brown visited Fenelon Falls Thursday and were 6 up. Two rinks came over from Fenelon Friday, skipped by Mr. Staunton and Mr. Robson and were 9 down. Bobcaygeon was 4 down on the first round so that they are 11 up all round. This was the third season Fenelon had won it twice in succession. A

win this year would give them possession, but as a consequence it will decorate the club rooms here this year and will give new stimulus for future curling.

The annual supper of the curling club was held Friday evening in the spacious dining-room of the Rockland hotel. The visiting rinks from Fenelon being guests of the club. After the toast to the king the visitors' toast was responded to by Mr. Staunton and Mr. Robson, and speeches by Mr. Bottum and Dr. Sims, Mr. McCallum and others.

A very enjoyable social evening was spent, Rev. W. G. Smith, chaplain, presiding in the absence of the president and at the conclusion invited Fenelon curlers to participate in the curler's parade and attend service Sunday evening at Knox church.

Mr. Jos. Robinson having decided to move west sold out his property to Mr. R. A. Kennedy and Mr. Kennedy takes possession April 1st.

Mr. W. A. Thurston, of South Verulam, leaves for Saskatchewan on Tuesday. Mr. George Thurston has sold his farm to Thos. Thurston.

Mr. Thos. Murphy, who is on the sick list has about decided to see the great west. He may go with Mr. Thurston on Tuesday.

CAMBRAY

Cambray, March 21.—The snow is almost all gone in this neighborhood. The wheels were moving on Saturday.

The lagrippe is very prevalent just now. There is scarcely a home this vicinity that has not been visited by that disease.

The Woman's Institute will be held at the home of Dr. Ray on April 6. The doctor will read a paper on contagious diseases. Miss Edna Webster will read one on the benefit of meeting together, and Mrs. McInnes on "How to make the W. I. meetings both entertaining and interesting. All the ladies in the vicinity are invited to attend.

FLEETWOOD.

Fleetwood, March 21.—Mr. David Black, who has been very unwell, is slowly recovering, and we hope ere long to see him around again.

The auction sale on Tuesday, March 15th, held at Mr. Geo. S. Staples', was quite a success. All stock and

implements brought high prices. The auctioneer, Mr. John Wilson, of Port Hope, got the value out of everything, and the total amount realized was very good.

The auction sale held on the farm of Mr. H. H. Hanna proved very successful. The crowd was very large, and bidding very lively. Mr. Hanna had his stock in fine condition, and as the auctioneer, Mr. Gardiner, is very popular in this part, everything offered brought its full value.

We notice our cheese maker, Mr. Comisky, in these parts making arrangements for another successful season for the Fleetwood Cheese Factory, and as he is very popular with the patrons, success is assured from the start.

Mr. Albert Sutton had the misfortune to lose his best horse lately. It will be quite a loss at this time of the year, and horses are very hard to get, owing to so many having been sold during the winter in this part.

Mr. Halley Jones from north of Franklin, was visiting relatives in this part on Sunday last.

Mrs. Herb Wagar and child, who have been visiting with her parents, Mr. and Mrs. Dan Jones, returned to her home last Friday.

The Woman's Institute meet on the last Wednesday of this month at the home of Mrs. Wm. Cornish.

Don't forget the least of nations to be given in the Methodist school-room on Friday. Great preparations are being made and the ladies all seem to be very busy.

The "Pedlar People" entertained a number of their patrons and friends of this village at dinner at the Commercial House one day last week.

The Ladies' Aid have been very enthusiastic in collecting for their autograph quilt, on which they have

**EIGHTY YEARS OF AGE
SUFFERED 20 YEARS**

Then Cured by Gin Pills
Remember, right at the start, that Gin Pills are not a "cure-all". If you have Small-Pox, Typhoid Fever or Consumption, there is no use in your taking Gin Pills, because they probably would not do you any special good.

Gin Pills are not a "hit-or-miss" remedy. They are a scientific preparation for the Kidneys and Bladder—for Rheumatism, Lumbago and Lame Back, and are made and guaranteed by the largest wholesale drug house in Canada.

For the special diseases mentioned, Gin Pills have proved their great value in thousands of cases. Here is a case in point.

Annapolis, N. S., May 14th, 1909.
"I wish to give testimony to the benefits I have received from the use of Gin Pills. I am over eighty years of age and have been suffering from Kidney and Bladder Trouble for about fifteen years. I took doctors' medicines but got no help. I want to thank you for sending me the sample box of Gin Pills which I took, and found it helped me.

I have taken six boxes of Gin Pills, but got relief before I had taken near that amount. I used to get up some nights every fifteen minutes and had to use an instrument before I could urinate. Now, I can lie in bed four or five hours without getting up. I can truthfully say that I am nearly cured and am still taking Gin Pills and shall always keep a box in the house." W. H. PIERCE.

If you are suffering with your Kidneys—with sharp, shooting pains through back and hips—if your bladder is weak—if you are all crippled up with Rheumatism or Lumbago—Gin Pills will do you good. We give you a chance to test them. Write National Drug & Chem. Co. Limited Dept. B., Toronto, for free sample box and you will receive it by return mail. Regular size boxes are sold by dealers at 50c., 6 for \$2.50. 33

raised nearly two hundred dollars. The quilt is to be offered for sale this week.

**Chocolates Said
To Contain Poison**

Valentia, March 23.—To be sick as a result of being poisoned by eating chocolates, has fallen to the unfortunate lot of Mr. Victor Suggitt, of Valentia, son of Mr. Wm. Suggitt, who is attending the Port Perry High school. One day recently Suggitt bought some chocolates and treated some of his companions. He ate a number of them and as a result became sick, and returned to his home. Some of the other boys who partook of the chocolates are also sick. Suggitt claims that the chocolates contained poison.

**Sudden Death of
Popular Young Man**

The many Lindsay friends of Mr. John Anderson, general merchant of Haliburton, were shocked this morning when the news reached town of his sudden and unexpected death.

The late Mr. Anderson was a young and popular business man of Haliburton, and was well known in Lindsay, having visited here upon many occasions. He was in the prime of life and about 30 years of age, and died after an illness of only a few days from pneumonia, having contracted a cold at the hockey tournament held in Fenelon Falls recently.

The deceased was a prominent member of the Masonic order, and was well known to the members of Lindsay lodge. The funeral will be held on Friday under Masonic auspices, and the remains conveyed to Beaverton for interment.
