

Islay Branch of Women's Institute Held Delightful Social Evening

Islay, March 25.—On Good Friday night, the Islay Branch members of the Women's Institute gave their usual quarterly social at the home of Mr. and Mrs. Thos. Hill, and it must be candidly said that the entertainment was of a high standard. The attendance was all that could be desired, the number who attended being in excess of seventy. The weather was exceptionally bright and clear, and thus several residents decided to walk, evidently to the delight of the joyful maiden and amorous swain. Arrivals began at about 7.30 p.m., and by 9 p.m., the time of starting the program, the rooms were completely filled.

The host and hostess were always to the front in their attention to the arriving guests, and were kept busy. At about 9 p.m., Mrs. W. Wilson, president of the branch, announced the intention to start, and consented to occupy the chair during the program of events, and it must be to her tact that the post was so ably filled.

The rendering of the "Maple Leaf" sung by the assembly, opened up the proceedings. Mrs. M. Moynes, Miss Birdie Cowleson, and Miss Dorothy Brown were the ladies who played the organ accompaniments during the evening. The items in all respects were fully appreciated by the audience. The dialogue, "The Census Taker," caused endless amusement, and was undertaken by Miss Dorothy Brown, Miss Katie Wilson, Miss Elva Worsley, Mr. Willie Wilson, and Master Clifford Worsley, the latter seeming to relish the idea of imparting his father's home discipline for the edification of the census taker. Miss Mabel Currins was excellent in her recitations, "The Christening," and "No Saloons Up There." This lady is known to be good in the memorizing of her pieces, and last night was no exception to the rule.

Miss D. Brown's recitation, "Miss Maloney on the Chinese Question," received hearty applause, being well received, and given with perfect freedom, as also was Mr. Will Parkin's recitation.

The readings given by Mrs. Louise Moynes, and Mrs. John Cowleson were well read, and deeply interested the audience. The instrumentals given by Miss Birdie Cowleson on the organ, and the selection by Mr. Chas. Metcalfe on the violin, Mr. D. R. Spence on the mouth organ, and Master Carl Moynes also on the mouth organ, were worthy of the applause accorded them. Master Claire Spence's selections on the violin, mouth organ, and his song, "Ohio," were fully appreciated. Master Ross Moynes gave a short speech in a becoming manner for such a young beginner.

Mr. Charlie Spence gave useful aid with his violin during the program, and the long supper time, with the organ accompaniment. It is hoped that he will lend his assistance on future occasions, now that he has made his maiden appearance to an Islay audience.

Had a Bad Cough FOR A NUMBER OF YEARS. WAS AFRAID IT WOULD TURN INTO Consumption.

Too much stress cannot be laid on the fact that when a person catches cold it must be attended to immediately or serious results may follow.

Thousands have filled a consumptive grave through neglect.

Never Neglect a Cough or Cold, it can have but one result. It leaves the throat or lungs, or both, affected.

Mrs. A. E. Brown, Ottawa, Ont., writes: "I have had a very bad cough every winter for a number of years which I was afraid would turn into consumption. I tried a great many remedies but only received temporary relief until I got a bottle of Dr. Wood's Norway Pine Syrup and after taking two bottles my cough was cured. I am never without a bottle of Norway Pine Syrup."

Dr. Wood's Norway Pine Syrup is the medicine you need. It strikes at the foundation of all throat and lung complaints, relieving or curing all Coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, etc., and preventing Pneumonia and Consumption.

So great has been the success of this wonderful remedy, it is only natural that numerous persons have tried to imitate it. Don't be imposed upon by taking anything but "Dr. Wood's." Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents.

Manufactured only by The T. M. Burns Co., Limited, Toronto, Ont.

The speeches given by Mr. George Parkins, and Mr. W. H. Warwick were interesting, detailing as they did the good results that is the outcome to such social functions, and especially those given by the members of the Women's Institute, which were always well attended, and where sociability reigned supreme.

At the hour of midnight, after the distribution of printed numbers, to allot partners for the oyster supper, the assembly began to fill the table accommodation for the feasting of the delicacies, of which there was an ample supply, and which were exceedingly well served up by the ladies present, under the able superintendence of Mrs. Elisha Worsley, and Mrs. Elijah Worsley, both of whom worked energetically, as there had to be three relays at the tables. After the supper, Mr. Isaac Naylor called for a vote of thanks on behalf of the host and hostess (Mr. and Mrs. Thos. Hill) for their kindness and devoted attention for the comfort of those attending the function, and for the correspondent of the Watchman-Warder (Mr. W. Warwick) for his attentive energy, and the capable manner in which he had always handled the reins of the reporting staff, on all occasions that it was necessary for the enlightenment of others on subjects of interest. All those joined in singing the National Anthem.

250 PEOPLE KILLED.
Mate Szalka, Hungary, March 28.—Two hundred and fifty persons were killed and many injured in the village of Pakoerite last night, when fire broke out in a hotel where a ball was being held.

A coach house connected with the hotel had been fitted up as a ball room, and was crowded with several hundred guests when the fire started. The roof of the building, a big wooden structure, fell in, burying the panic stricken crowd. Hundreds were present in the inn when the fire broke out, and owing to the panic that seized the merry-makers, few were enabled to escape.

Good Prizes for Field Competition

The South Victoria Agricultural Society is again offering prizes for Field competition for the best five acres of oats. The prizes are well worth endeavoring to secure, and it is expected that the competition this year will be keen. The prizes are as follows: First \$15, second \$12, third \$10, fourth \$8, fifth \$5. The entries are to be made to the secretary, Mr. Jas. Keith, and must be in on or before May 25th.

Popular Teacher Remembered by Pupils

Thursday afternoon shortly before the close of the school, the scholars of Mr. D. McFadyen's room presented him with a handsome gold initial-ed watch fob on a background of black silk.

Miss Alice Naylor made the presentation, and Mr. T. Cuthbert read an address, to which Mr. McFadyen ably responded, thanking them for the same, and wishing them every success in their work in the future. The scholars managed to keep the buying of the small token of regard for their teacher, a total secret, and Mr. McFadyen was unaware of anything until the pleasant surprise was sprung on him.

Mr. McFadyen has always been a successful, zealous teacher, and will be greatly missed by his pupils and the many who made his acquaintance.

Farmer Killed While Shooting Crows

Windsor, March 28.—By the accidental discharge of a shotgun in his own hands, Bernard Hyslop, aged 28, a well-known young Leamington farmer, was fatally injured this morning. He was shooting crows and from the position of the body when discovered, it was evident the weapon was discharged as Hyslop was climbing a fence. The entire charge entered the right side. Hyslop was a son of Mr. Alexander Hyslop of Gosfield township, and had been married only a short time.

LINDSAY LAW CHANGES.
Mr. C. E. Weeks, of Woodville, has joined the law firm of Hopkins & Hopkins, and the firm will in future be known as Hopkins, Weeks & Hopkins. Mr. Weeks will continue to look after the branch at Woodville.

DROPPED DEAD.
Peterboro, March 29.—Jas. Stenson, a prominent boot and shoe merchant of this city, dropped dead at his home yesterday. He was down to business on Saturday, and Sunday attended St. Paul's Presbyterian church. He got up this morning and went down to light the fire. About a half hour afterwards his wife came down and, going out to the shed, she found him lying dead. Heart failure was the cause of death. Mr. Stenson was 73 years of age, and had been in business here for over 50 years.

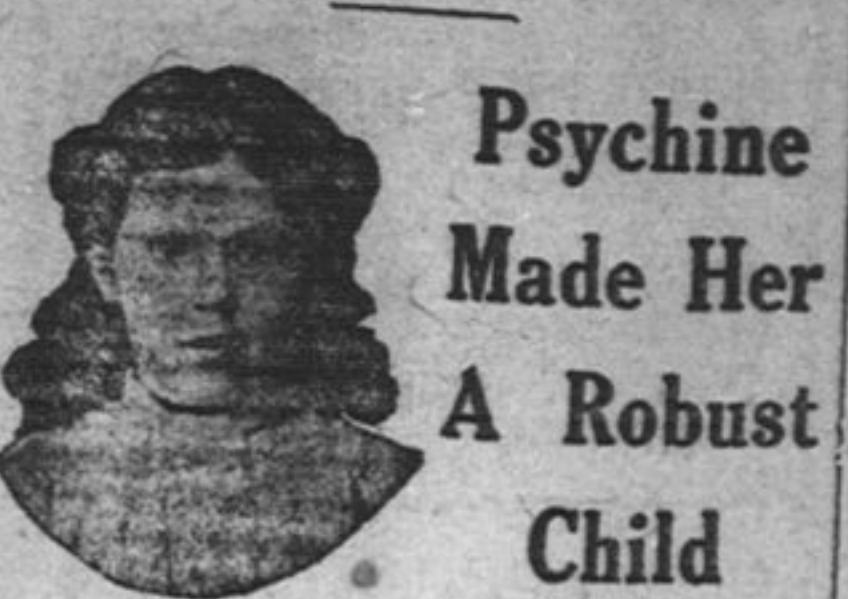

ACCIDENTALLY SHOT.
Peterboro, March 29.—As a result of a shooting accident in a woods near here Sunday, Ernest Gilbert was seriously injured in the stomach and now lies in a precarious condition in the hospital. With a number of other young men, he went out to the woods early in the afternoon. One of them, carrying a loaded .22 calibre Stevens rifle, tripped and the firearm exploded, the full charge entering the stomach of Gilbert. He was carried to the nearest house and a doctor was summoned. He was later removed to the city.

EVERYTHING GOING NICELY.
The Warder has received a communication from a former citizen in the person of Mr. Robert Bryans of Agricola, Alberta, in which he renewed his subscription to The Warder, and stated that he appreciates the paper very much.

Mr. Bryans also stated that the past winter was a mild one, the snow has all disappeared, and the farmers are preparing for seeding. "Everything is going nicely except our Government, which is wanting to make money too fast for themselves" concluded Mr. Bryans.

The Rev. H. H. Bingham of Paris, was re-elected President of the Baptist Young People's Union of Ontario and Quebec.

HEALTHY CHILDREN

Psychine Made Her A Robust Child

It is not necessary for us to speak any words of our own, for the facts given below are strong enough to convince the most skeptical. Mr. John Sykes, of Victoria Harbor, says: "When Nellie was about 4 years of age, she had wasted away so much that she looked like a little skeleton. The doctor treated her for 2 or 3 months, but the child got worse, and the doctor said he could do nothing more. We were called in another doctor who told us everything had been done and that the child could not get better. I decided to take the little thing to a Montreal doctor, who said her lungs were filled with pus and that she would have to undergo an operation if we would save her life. The next day he came down from Montreal and operated upon her, but the operation was a failure, as he was unable to get any pus to the lungs.

"We were disappointed, and fully thought little Nellie was not going to get better, but it was called to let her suffer so. At this time we heard what a wonderful medicine PSYCHINE some of the advertisements in the papers of people who had been cured through PSYCHINE. We thought it would suit our little girl, and so decided to give it a trial. This we did, and after Nellie had taken the first bottle we saw an improvement. Gradually the little girl began to fill out, and by the time she had used 8 or 9 bottles, she was quite well. That was two years ago and she is as well and robust to-day as the other children are.

"We have a great deal to be thankful for. We firmly believe little Nellie would never have lived if we had not heard of PSYCHINE. We shall be pleased to answer enquiries at any time."

VALUABLE HORSE DROWNED.
Bobcaygeon, March 24.—Mr. E. J. Broad, baker and confectioner, lost his valuable horse this morning. It appears that Matthew and Alfred Nichols were preparing for their spring trapping and were taking their supplies across Pigeon Lake and Mr. Broad very kindly loaned him his horse. They had made the trip across with the supplies and Alfred was returning when between Big Island and the main land, probably getting too close to the channel of the river, the horse went through and was drowned. Mr. Nichols made every effort to save the animal, getting in twice himself, but to no avail. The horse is young and very valuable and will be hard to replace.

Several young Havelock boys who were tempted to take twelve bottles of ale from a private citizen's cellar in that village by two men were allowed to go on suspended sentence by County Magistrate Edmison. The men had to pay for the ale, and were each fined \$5 with costs.

Dropsy—Given up by Doctor

"I had dropsy, and was told by my family physician that there was no chance for me. My family also gave me up. My limbs and body were swollen one-third larger than natural, water collected around my heart and I had to be propped up in bed to keep from smothering. I took Dr. Miles' Heart Remedy until I was entirely cured. This was in 1902, and I am now able to do any kind of work on my farm. My cure was certainly marvelous."

L. TURLEY CURD, Wilmore, Ky.

Dr. Miles' Heart Remedy has been wonderfully successful in relieving heart trouble. Its tonic effect upon the heart nerves and muscles is a great factor in assisting nature to overcome heart weakness.
