Presentations at Omeme

—Grand Organ Recital

Omeme, March 6.—A social and entertainment will be held in Lebanon church Friday evening, March 10. A good program of music and recitations is promised. Refreshments will be served.

Mr. and Mrs. F. Gardiner entertained the choir and some of the members of Lebanon Methodist church last Thursday evening. Choir practice being ended refreshments were served. Before bringing a very pleasant evening to a close the guests took advantage of the opportunity and presented Mrs. Gardiner with a purse and the following address:

Dear Mrs. Gardiner.—During the lives of those who serve the public there come times when the merits of their services should be recognized. Such an occasion has presented itself to us to-night. We the members of the Lebanon Methodist church feel that we would be very ungrateful if we allowed your services as organist of our church to go unacknowledged. We know that many times it must be at the expense of personal and home duties that you have given us of your help so willingly. So it is with the utmost good will and a deep sense of our obligation to you that we ask you to accept this purse as a token of our appreciation of your valuable services. Trusting that you and your family may long be spared to continue your good work, we sign in behalf of Lenanon.

"THE CHOIR."

A meeting of the young men of Omeme was held in the Methodist church on Tuesday evening. The pastor, Rev. Robt. Burns, presided. Mr. Cecil Cornell was appointed secretary. The report of the special committee on a few amendments was read and with a few amendments was adopted. The organization was launched and will be known as "The Omeme Christian Brotherhood of the Methodist church." There are two departments viz., Christian Manhood and Social. The following officers were elected; supt., Rev. R. Burns; president, Rev. W. Woodley; 1st vice, Mr. Milton Sherman; 2nd vice, Mr. James McQuade; sec., Mr. Ruben Bradley; treasurer, Mr. Ira Rehill. These with Messrs. Norman Laidley, Herb. Snider and L. Mahood comprise the executive. The O.C.B. has arranged to hold a banquet on March 17th. An excellent program is being arranged.

ORGAN RECITAL. The Presbyterian organ recital on Monday evening was held in the auditorium of the church, where a new Estey organ of superior rank and power had been installed on probation. Its testing by Dr. Doward of St. Stephen's church, Toronto, was so satisfactory that the organ committee have decided to retain the instrument. The audience, though not as large as better weather would have ensured, was largely regular.

NEW TOWN HALL. The plans and specifications of the proposed town hall were open for public inspection at R. J. Mulligan's drug store till Saturday last. The tenders are due forthwith.

MRS. JOHN SHERIN. On Wednesday, March 1st, in Emily, there passed to rest Mary Eleanor Fee, wife of Mr. John W. Sherin, at the age of 53. The deceased had been in delicate health for some time, yet her death was unexpected and came as a shock to her many relatives and friends. Her mother and other close relatives were with her for some time before dissolution, yet despite the best of medical skill and loving nursing the life of the loved one could not be prolonged. The funeral took place on Friday to Emily cemetery and was largely attended. Besides her sorrowing husband there is left to mourn her death one son Milton. To these as well as her mother and a large connection the public extend sincerest condolences.

Miss E. Feir, of the Public school staff, was ill last week from an attack of grip.

A SEVERE CASE OF NEURALGIA

DR. WILLIAMS' PINK PILLS CURED AFTER LONG YEARS OF SUFFERING BY DR. WILLIAMS' PINK PILLS.

There is an excellent reason why Dr. Williams' Pink Pills have cured the most severe cases of neuralgia, sciatica, and other complaints in the group that are known as disorders of the nerves. This group also includes St. Vitus dance and paralysis, and the common state of extreme nervousness and excitability. Each of these complaints exist because there is something the matter with the nervous system. If the nerves have tone—are strong and healthy, you will not have any of these complaints. The reason Dr. Williams' Pink Pills cure nervous disorders is that they restore weak, run-down nerves to their proper state of tone. They act both directly upon the nerves and on the blood supply. The highest medical authorities have noted that nervous troubles generally attack people who are bloodless and that the nerves are toned when the blood supply is renewed. It is thus seen that Dr. Williams' Pink Pills cure nervous disorders by curing the cause of the trouble.

A PRESENTATION. The home of Mr. and Mrs. Isaiah Magee was visited by a large crowd of friends one evening last week. They had learned that Mr. and Mrs. Magee were soon to leave for the West and wished to show them in more tangible form than words their appreciation of them as neighbors. The following address was presented:

Mr. and Mrs. Isaiah Magee. — As we are aware of your departure from our midst and realize that the time has come when we must break the bonds of social fellowship which has existed between us for years, we have met here this evening to try to express to you in words which are very inadequate the regret we feel regarding your making your abode in the West and we trust that although many miles away you will oftentimes return in mind and spirit, if not in body, to think and remember the hosts of friends and acquaintances you have left behind. You have been a good friend and neighbor and we sincerely trust that you will prosper and do well in the far West which certainly has great prospects ahead. As a slight token of our esteem permit us to present to you these two suit cases which we think you will find useful while on your journey. Our prayers and thoughts will go with you which we trust will bring us once more to that land where parting is no more. Signed on behalf of your friends and neighbors, James Magee, Wm. Irwin.

Although quite taken by surprise Mr. Magee on behalf of his wife and himself, replied in terms of gratitude for the gifts and of regret that the trend of business called him away from a neighborhood where he had spent so many happy years. The merry party then turned in for an evening of pleasure. Supper was served, games participated in and the merry whirl of the dancers continued for the wee sma' hours, when the party dispersed, each one expressing the pleasure of the meeting and bidding farewell with all kinds of good wishes to Mr. and Mrs. Magee.

Another Cure

Harvey Bank, N. B.—"I can highly recommend Lydia E. Pinkham's Vegetable Compound to my suffering woman. I have taken it for female weakness and painful menstruation and it cured me."—Mrs. DEWANE, Banook.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female weakness, inflammation, ulceration, constipation, neuralgic humors, irregularities, nervous pain, backache, that brings down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

It is now sold in several cities in Ontario, and is sold by all druggists.

GOLDEN WEDDING AT ROSEDALE

Many Remembrances Received From Friends

Rosedale, March 8.—Wednesday, March 8 was Mr. and Mrs. William Swanton's golden wedding day. On account of the illness of Mrs. Swanton no monster celebration was possible. They were, however, the recipients of many presents. The following addresses will explain all about some of them:

Dear Friends.—This is your golden wedding day. Now it was the thought of us, your neighbors, to assemble here this evening to celebrate this significant event with you. Owing to the much regretted illness of Mrs. Swanton we deemed this unwise, but still we wish to pay a tribute to your worth and to give you an earnest of our sincerity. The entire fifty years of your wedded life you have spent among us, and during all that half century period we have found you neighbors in the very truest sense. Like the good Samaritan you have never passed by any in distress without doing your utmost to help and like the lowly-minded Master you have done all in simplicity without letting the left hand know what the right hand was doing. And we have found you friends of the abiding kind. With many of us this friendship dates back to childhood when we went to school and learned to know the people who dwelt by the school. You treated us as children with the same unaffected kindness that you have extended to men of high and men of low estate; thus you won a warm place in our childish hearts and we have looked up to you ever since. It naturally follows that you have made no enemies; thus exhibiting the fact that one can do the right and still be at peace with the whole world. We have not attempted to summarize your good qualities. It could not be done in words, but we feel very much indebted to you and so we ask you, Mr. Swanton, to accept this cane and you, Mrs. Swanton, this silver service. We hope you may be spared to us and to your family for many years and pray that God, himself, who has made your manhood and womanhood a blessing, may make your old age a still greater blessing.

Signed on behalf of the neighbors—Mary McNeven and Rhoda McFarland.

Dear Father and Mother.—When we realize that this is your golden wedding day our hearts are indeed full, nor can we let the occasion pass without giving you a pledge of our love. You have always been kind parents to us and have taught us by precept and example the way our wayward feet should tread. We know our conduct towards you has not been what it might and should have been, and therefore we ask you to forgive our many shortcomings. We ask you then to accept this lamp as a remembrance from us. We pray God may long leave you with us and as you were our stay in youth, we want you to keep in mind that our young arms will not forget you when old age shall shed its blanching honors round your heads.

Signed—Jack, Ada and Neil, Poplar Point, Man.

Dearest Father and Mother, — On this the anniversary of your fiftieth year of married life may we who are unable to be with you wish for you by God's good providence, many more years of fellowship together. Words fail us at this time to express our love and devotion and we wish you to accept these small tokens of remembrance, from us, not for their intrinsic value, but for the love it conveys to you from us, a love which as years go by increases and when we think of the untiring devotion you bestowed on us when young, words seem to utterly fail us and we feel that they only partly convey the love we feel. Your loving sons, Sam and Will, and daughter Mary.

Robeygreen, March 4.—The local prevention hop in the town hall on Monday evening was quite the social event of the season, and was thoroughly enjoyed by all. A number came in from Lindsay, Fenelon Falls and outside points.

The hockey tournament at Fenelon Falls was taken in by the local team here. They were the only outside team to represent at the first night of play and disposed of the Fenelon team by 2-1, but met defeat by Hullburton the second night and put out of the running. The boys report an excellent time, including a small runaway thrown in.

The Presbyterian people announce their 111th services for next Sunday and Monday, March 12th to 13th. They always draw a good crowd and always have a good time, which will be no exception this year. The Methodist congregation, feeling the need of a Sunday school room, are holding a conversational meeting Monday evening. If the

decision is favorable and sufficient funds are forthcoming, they will proceed right away.

The concert in the town hall on behalf of the Verulam Agricultural Society Friday evening the 8th inst., was well attended, and a good program carried out. Mr. A. E. Bottom acted as chairman, and in his usual pleasant manner kept everything running smoothly. The opening chorus, "O Canada," by the union church choir was very appropriate. This was followed by a recitation by Clayton Taylor and choruses by the Scotch Linn choir. Others on the program were an instrumental duet by Misses Bottom and Welch; a reading by Rev. Mr. Foley; a recitation by Mrs. Jas. Seymour; a fan drill by sixteen little girls, concluding with a melodrama play "A box of monkeys." Perhaps the best number on the program was a sweet little song by Master Bertram Robertson, a little gutter of six years, who has captivated the house by his clear, rich, sweet voice, and received a very hearty and energetic encore, which he responded to without a shadow of nervousness or timidity.

Bertram will certainly be heard from again. The proceeds of the concert will be applied towards the building operations of the society.

Mr. James Purdy passed away on Thursday noon after a lingering illness at the age of 71 years and 11 months. He was laid to rest this (Saturday) afternoon.

Mr. James B. O'Brien, of Toronto, who purchased land on Pigeon Lake last fall, and who had a dock built by Mr. A. E. Kennedy, took a run down last night and out this morning to see how everything has fared during the winter. He returned home again this afternoon.

Miss Grace Robinson left Thursday afternoon for a short visit to Ann Arbor, Mich.
