> CORN AND TOBACCO. (From the Canadian Century). It will remembered that at time quite an extensive area to growing corn. The duty on corn coming into Canada from the United States was removed and the Canadian market was immediately flooded with importations of irom the United States that growing had to be almost completely abandoned by Canadian farmers About the same time additional protection was given to Canadian growers, and the result that tobacco crops took the place of corn crops in that part of Ontario formerly most noted for its corn.

WHAT IS THE MATTER WITH MAINE?

The farmers of the State of Maine have all the advantages that reciprocity could bring to the Maritime Provinces of Canada and none of the disadvantages, They have free access to the much-talked-of "market ninety millions," and cannot be shut Dr. T. P. McCullough out of it suddenly by a vote of Congress, as Canadian farmers might at any time under the Reciprocity Agreement. They are nearer to the every first and third Wednesday in markets of Boston and New York the month, from 2 p. m. to 6 p. m., than any part of the Maritime Prov- Spence. for consultations in eye, ear, nose inces, and yet the farmers of Maine are no more prosperous than those of New Brunswick, Nova Scotia and Prince Edward Island. They have no dreams about the value of the 'market of ninety million people.' haul shuts them off from most of the markets of the United States. though there is no tariff to keep them out. The percentage of crease in population is less in Maine

than in the Maritime Provinces. There are said to be many thousands of acres of abandoned farms in Maine, New Hampshire and Vermont. Many of these farms were occupied for generations, but the young people moved to the cities or to the Western States and the old folks

THE PRICE OF HOGS. . Canadian farmers may as well make up their minds to give up the business of raising hogs if the Reciprocity Agreement is adopted. The average price of hogs in ' Chicago and Montreal for the five years ending December 31, 1910, was as fol-

### JUST ONE WOMAN IN THOUSAND

Who Can Say "Dodd's Kidne Pills Made me Well!"

MRS. LOUIS DELORME WHO WA ALWAYS TIRED AND NE VOUS AND SUFFERED FRO BACKACHE, TELLS HOW SH FOUND A CURE.

St. Rose du Lac, Man., Mar. 10 (Special) .- The story of Mrs. Lot Delorme, a well known and high respected resident of this place, identical with that of thousands other women in Canada, the more interesting on count. She was tired, nervous a worn out. Dodd's Kidney cured her.

"I suffered for five years fro backache and too frequent urinatio which destroyed my sleep." Mr Delorme states. "My head wou ache, and I was always tired nervous. My limbs were heavy, at I had a dragging sensation acro the loins. Dodd's Kidney Pills mad me well. I used in all ten boxe but they fixed me up."

Inousands of other Canadian men who have not used Dodd's Ki ney Pills are in just the condition Mrs. Delorme was in before she us them. Thousands of others were in that condition and who us Dodd's Kidney Pills, are now and strong.

We learn from the experiences Others, and those experiences tent we that the weary and worn wom of Canada can find relief in Dodd Kidney Pilin.
