Quite a number from this place attended Mr. George Webster's sale at Balsam Grove last Friday.

**"Dr. Miles' Nervine Raised Me From the Grave"**—Mrs. Taylor  
This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.  
"Dr. Miles' Restorative Nervine raised me from the grave and I have much confidence in it. I can never say enough for your grand medicines. If anyone had offered me \$100.00 for the second bottle of Nervine that I used I would have said 'no indeed.'"  
MRS. THOMAS TAYLOR, Blum, Tex.  
Nervous exhaustion is a common occurrence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began. For sleeplessness, poor appetite and that "run down" feeling, nothing is so good as  
**Dr. Miles' Nervine**  
Your nerves are your life and lack of vital energy makes existence a misery. Dr. Miles' Nervine will tone up your nervous system.  
Ask any druggist. If the first bottle fails to benefit, your money is returned.  
MILES MEDICAL CO., Toronto, Can.

**RUNNERS-UP.**  
The Olympias are the Candy Kids all right. They won the championship of the town league and also the championship of the tournament for the Hughes cup. The latter trophy was annexed on Friday when they defeated King's Excelsiors, runners-up, by a score of 7 to 5 after twenty minutes overtime. The half-time score being 2 all and full time 5 all. The game from start to finish was one of the fastest and most strenuous of the season, as both teams were out to win.  
It was 9:05 o'clock when the game commenced, the delay being caused by the managers of each team in selecting an official. Every official in town was suggested, but were all turned down for some reason or other, until finally "Bill" Stoddard stepped on the ice, and considering the strenuous nature of the contest he handled the game well.  
The game from the start was a clever exhibition of hockey and many end to end rushes resulted that had the small crowd standing on their heads. Both teams were in perfect condition and played the last five minutes as fast as the opening period.  
The Candy Kids played a good brand of hockey throughout and proved conclusively that they are the rightful champions. The match was rough in spots and there was considerable keen feeling between supporters of the rival teams, but at the conclusion the opposing factions smoked the pipe of peace, so to speak, and everything ended satisfactory.  
Enthusiasm ran high among both factions, and to the visitors the game evidently meant as much as would the Stanley cup battles to the Ottawa or Wanderer followers. The rink re-echoed with cheers from start to finish, and at times the excitement was bubbling over in several places, with betting brisk. The Olympia followers were naturally delighted with the victory over their rivals, and considering this is the Olympia team's first year in harness with the present management the Candy Kids did well.  
At the face-off the Candy Kids secured the puck, and for the first ten minutes had the play all their own way, scoring two goals, the first by Mercer in six minutes, and the second by Paton in eight minutes. This

## Presbyterians at Omemece Favor Union

Omemece, March 18.—Mr. Norman Clarke was home for over the week end.  
Mr. John Murray, of Peterboro, came up on Saturday to visit with his parents, Mr. and Mrs. H. Murray, of Kings-st.  
Rev. P. B. Thornton, of Colborne, was in town last week, the guest of friends.  
The heavy snow fall of Friday interfered with our train service and made it necessary for some to shove the piles of snow from the roofs.  
A number of Omemeceites drove out to Resboro on Thursday evening to the basket social given by the hockey team of that enterprising village. A good time was spent and the affair a happy success.  
Coronation hall was the scene of a very pretty St. Patrick's concert on Monday evening. The Epworth League of the Methodist church put on a program of tableaux, marches, drills, readings, songs, recitations, etc., that was received with much appreciation by a good-sized audience.  
On Monday Mr. G. E. Broderick, of Lindsay, was in town.  
The coal famine was broken on Wednesday, when Mr. Jos. T. Beatty received a car of chestnut, which was hastily delivered to the many in want of fuel.  
The Adult Bible class, of the Presbyterian church, will hold an entertainment in the basement of the church on Thursday evening 28th inst. The program will be an evening with England, Scotland and Ireland. Everybody welcome. Admission 20 and 15 cents.  
On Saturday week the stork called at the home of Mr. and Mrs. B. Rehill, and they are the happy recipients of a brand new son and heir.  
In the three charges of the Omemece circuit of the Presbyterian church on Wednesday, when Mr. Jos. T. Beatty was engaged in drawing stone from the west side of the lake to Sturgeon Point for Mr. Flavelle's new wharf the ice gave way under Mr. Smith's sleigh, causing the sleigh and the load to sink into the lake. Fortunately the ice did not give way under the horses or a tragedy might have been enacted. The team were able to hold the sleigh till the load was thrown off, when Coppins hitched on his team a head and thus pulled Smith's sleigh out of the water.

## HER WEIGHT INCREASED FROM 100 TO 140 POUNDS.

Wonderful Praise Accorded Peruna the Household Remedy  
Mrs. Maria Goertz, Ontario, Okla. home, writes:  
"My husband, children and myself have used your medicines, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my household work alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of eczema and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140."  
"I have regained my health again, and I cannot thank you enough for your advice. May God give you a long life and bless your work."

## Load of Stone Broke Through the Ice

Cameron, March 19.—As Messrs. Geo. Coppins and Sidney Smith were engaged in drawing stone from the west side of the lake to Sturgeon Point for Mr. Flavelle's new wharf the ice gave way under Mr. Smith's sleigh, causing the sleigh and the load to sink into the lake. Fortunately the ice did not give way under the horses or a tragedy might have been enacted. The team were able to hold the sleigh till the load was thrown off, when Coppins hitched on his team a head and thus pulled Smith's sleigh out of the water.

**A CORRECTION**  
(To Editor of Watchman)  
Dear Sir,—The following resolution was passed in Ops council March 11th, 1912: "That this council regret the appearance in The Watchman newspaper, dated Feb. 14th and 15th, of an article headed 'Ops Council' and stating that certain disclosures had been made at a recent meeting of the said council, charging a former road commissioner with having taken commission on money he had not expended."  
Further, that it be explained that the only thing that could have given rise to such a statement is the fact that it had been casually mentioned, without discussion, that Mr. P. Hawkins had taken commission on his whole appropriation for 1911 whereas \$17 of the said appropriation had remained in the treasury. And Mr. Hawkins has now, at this present meeting shown that he had expended some other moneys in his division as per interim orders on which he could have charged commission, the figures for everything cleared up being as follows:  
Money as per interim orders on which Mr. Hawkins had not taken commission, in 1910 \$7.22, and in 1911 \$97.50, making in all \$104.72.  
Excess of appropriation money on which commission was taken by Mr. Hawkins in 1910 \$26.23 and in 1911 \$17.84, in all \$44.07.  
Balance on which Mr. Hawkins is entitled to commission \$20.65. Commission on the same at 5 per cent. and one days pay being \$3.00, to be now paid to Mr. Hawkins.  
Certified a correct copy of resolution adopted in Council and ordered to be published.  
W. E. AGNEW, Clerk.
