"SOVEREIGN"

SHEATHING FELT

Makes Houses Snug and Warm

"Sovereign" Sheathing Felt compared with ordinary building paper is like a woollen blanket compared with an ordinary cotton sheet.

"Sovereign" Sheathing Felt is made partly of WOOL, saturated and coated with the same tasteless, odorless gum that gives Ru-ber-oid Roofing its recognized superiority. It does more than break the wind-it acts like a blanket in the wall, and prevents the heat from leaking out in winter or filtering in in summer. As a result it makes a substantial saving in your winter coal bills and adds to your summer

"Sovereign" Sheathing Felt is waterproof-will not mould, rot, dry out nor crack, and is strongly fire-resisting. Get a sample of "Sovereign" from the nearest Ru-ber-oid Dealer, or write us for sample and Booklet.
