Seek Best Service!

The doctor cannot do it all—his work must be supplemented by good service on the part of the prescriptionist if his efforts are to avail. Choose your druggist for his capability and reliability, not because his store is nearest. We believe that many have realized this fact and that to this knowledge is due the steady growth of our prescription business. Prescriptions called for and delivered if desired.

Many a corner loafer is moved by a policeman's stirring words.

Many growing girls in school or business are frail—delicate—anaemic—lack energy and ambition and have thin blood. It is all unnatural and unless checked leads to serious and chronic illness. Nourishment, not drugs, is the law of reason to build strength—but when appetite is poor and digestion weak, ordinary foods do not nourish—then SCOTT'S EMULSION is necessary. SCOTT'S EMULSION overcomes just such conditions; its tissue material enters the blood without digestive effort and makes it rich. It tones the whole system and starts the healthy action of cells throughout the body. Imitations are often offered, but to get results you must get SCOTT'S. OBITUARY

GERTRUDE EMMA MARSH. After a short illness of two weeks, one of which was spent in the Ross Memorial Hospital, Gertrude Emma, beloved wife of Mr. Albert Marsh, of Dunford, passed away early Friday morning, death taking place in the Ross Memorial Hospital.

The deceased lady was a favorite with all who knew her, and it is deeply regretted that one so young and so popular should pass away so soon in life, she being 24 years, 11 months and 4 days of age.

The late Mrs. Marsh was a daughter of Wm. Oxley, of Kingston, Eng., and was born in the Old Country, moving to this country three years ago with her husband. They took up their residence at Reahoro, where they resided for two years, afterwards moving to Dunford, where they have since resided. In religion the late Mrs. Marsh was a member of the Methodist Church.

She is survived by her husband and one child, Phyllis, 14 months of age; her father, six brothers and five sisters; Mrs. Golden, of Dunford, being a sister of the deceased. The funeral will leave the family residence at Dunford on Saturday, March 15th, at 2:30 o'clock; service at the Methodist Church. Interment in Dunford cemetery.

DELAYING DOMINION BUSINESS. "There is nothing in the charge that the Government is unduly delaying redistribution upon the basis of the last census. As Mr. Borden has a majority of nearly 50 in the House and as no general election is likely for two or three years to come, the average Canadian fails to see why pressing public issues like naval defence, the construction of good roads, the stimulation of agriculture and the reduction of the cost of living should be postponed merely to gratify a few disgruntled Oppositionists."

THREE HANDS. Amherst, N.S., March 12.—Maggie Smeaton, an Acadian woman, recently gave birth to a child with three hands, one of them being developed from the wrist of the other. A thumb was attached to the ear of the child.

The infant is quite healthy and an operation will be performed to rid it of its superfluous hand and thumb.

Truth is stranger than fiction, because it is rarer.

A COLD However Slight MAY TURN INTO BRONCHITIS.

You should never neglect a cold, however slight. If you do not treat it in time it will, in all possibility, develop into bronchitis, pneumonia, asthma, or some other serious throat or lung trouble. On the first sign of a cold or cough it is advisable to cure it at once, and not let it run on for an indefinite period. For this purpose there is nothing to equal Dr. Wood's Norway Pine Syrup, a remedy that has been universally used for the past twenty-five years. You do not experiment when you get it. Mrs. Louis Lalonde, Penetanguishene, Ont., writes:—"When my little boy was two years old he caught a cold which turned into bronchitis. I tried everything to cure him, even to doctor's medicine, but it did him no good. One day I was advised to give Dr. Wood's Norway Pine Syrup a trial, and before he had half a bottle used, he was cured. I would advise all mothers to try it, as good results will follow. My home is never without it."

See that you get "Dr. Wood's" as there are numerous imitations. It is put up in a yellow wrapper, 3 pints from the trade mark; the price, 25 and 50 cents. Manufactured only by The T. M. Wilson Co., Limited, Toronto, Ont.

Tailors and Counter Hoppers Crossed Sticks

Fenelon Falls, March 11.—Mr. Angus Fountain spent Tuesday in Bobcaygeon.

Messrs. H. Grandy and R. Howe, of Lindsay were in Fenelon Falls for a few hours on Tuesday. Miss Della Brokenshire and Miss Lulu are guests of Mr. and Mrs. Fred McNeil, of Red Rock this week. Mrs. W. Townsend, of Cameron, called on relatives here last Friday.

A very interesting and amusing event took place here on the rink on Wednesday evening when the Tailors and the Counter-hoppers crossed sticks and after a rather strenuous half hour the hockeyists considered they had played a good game. The score was 5-2 in favor of the Counter-hoppers. The line-up was as follows:

Counter-Hoppers—D. Oulette, 1. wing; Roland Virtue, r. wing; Ernest Brynell, goal; Jos. Hafey, point; Dan Doherty, cover point; Stanley Kelley, centre; Percy Donaldson, rover. Tailors—M. Quigg, 1. wing; Fred Jeffery, r. wing; Eric Sharpe, goal; Arnold Magee, point; Archie Trudell, cover point; Bid. Burgess, centre; Jos. Carley, rover.

Mr. Stanley Hamilton, who has been the butter-maker in A. McIntosh's creamery for the past three years, left town on Friday and will accept a good position in Manitoba. Mr. Hamilton will be missed very much from a large circle of friends.

GOLDEN WEDDING of Mr. and Mrs. Wright M. Goodwin

A large number of handsome and suitable presents have been received testifying to the esteem in which Mr. and Mrs. Goodwin are held in Lindsay, Toronto, Hamilton, Norwich, London, Collingwood, Ont.; Odgensburg, N.Y.; St. Paul's, Minn.; Cleveland, Ohio; Sea Breeze, Fla.; etc.

The receipt of a number of letters of congratulations from many former associates on the Grand Trunk Railway has been very gratifying to Mr. Goodwin. They are from Geo. C. Goodwin, Vice-Pres., Central Vermont Railway, St. Alban's, Vt.; A. B. Smith, Manager of Telegraph, G.T.R., G.T.P. Ry., and G. T. Pacific Telegraph Co., Montreal; W. W. Ashall, Supt. of Telegraphs, C.P.R., Montreal; U. E. Gillen, General Superintendent Western Lines, G.T.R., Chatham, Mich.; Supt. Southern Division, G.T.R., St. Thomas, and many others.

As a sample, we publish the letter from General Superintendent Gillen: "My Dear Goodwin,—I am just in receipt of your card announcing the golden wedding anniversary of yourself and good wife on the 14th inst. I heartily congratulate you and Mrs. Goodwin on attaining such distinction, and compliment you on having lived a life eminently worthy of example."

"May the balance of your days be spent in peace and plenty, is the sincere wish of your former associate. With the assurance of my highest regards for yourself and Mrs. Goodwin, I am, Yours truly, U. E. GILLEN."

Grand Orange Lodge in Session

Windsor, Mar. 12.—The fifty-fourth annual convention of the Provincial Grand Orange Lodge of Ontario West was formally opened at the Armouries here this afternoon by Grand Master Frederick Dane, of Toronto. Nearly 500 delegates were in the hall when the Grand Master delivered his address.

In the evening a public meeting was held, with the Grand Master, Mr. Fred Dane, of Toronto, in the chair. Mayor Clay delivered the address of welcome, which was responded to by the Grand Master. Addresses were also made by Dr. J. Williams, of Woodstock, Deputy Grand Master; Mayor Hockin, of Toronto; Rev. D. C. Hossack, Toronto; Lieut.-Col. J. H. Scott, Kincardine, Grand Master for British America; E. T. Essory, K.C., London, and Rev. John Coburn, Toronto.

Nearly 800 delegates are registered at headquarters. The real work of the convention will start Thursday morning.

After the opening preliminaries, Mr. Fred Lane, of Toronto, the Grand Master, delivered an address, dealing with the various matters in which the Order is interested. He declared that the need for such an Order was now greater than ever, and quoted Sir Richard Cartwright's statement that the Order was a force to be reckoned with for generations to come.

Two Chinese merchants were executed at Chengtu for secretly storing opium. Four officers were killed at Kienchow while forcing farmers to destroy poppy crops. Soon the voice of the amateur gardener will be heard in the suburbs. Next to a circus a boy would rather see a dog-fight. If you have no family tree, branch out for yourself. Not every man has the face to raise whiskers.

The best way to balance an account is said to be to square it. Telling the truth accidentally is more or less embarrassing. Many a self-made man acts as though he was ashamed of the job. If worst comes to the worst, it's best to make the best of it.

Eczema Has Stayed Cured For 15 YEARS

Wonderful Testimony from a Well-known Peterboro' Man Who Suffered for 30 Years

His Legs Were Covered With Eczema Down to the Knees—Perfectly Raw.

DR. CHASE'S OINTMENT CURED HIM

The Ketchesons are well-known as pioneer settlers of Hastings County, and one of them probably has a wider acquaintance than Mr. W. D. Ketcheson, who was formerly Division Court Bailiff of the Trenton Court, and is now living at 88 Douro Street, Peterboro', Ont. Over fifteen years ago Mr. Ketcheson was cured of an extremely severe case of eczema and piles by Dr. Chase's Ointment, and he writes now to say that the cure proved a permanent one.

In 1897 Mr. Ketcheson wrote as follows:—"I was troubled for thirty years with itching piles and eczema. I could not sleep at night, and when I got warm the itching was terrible. Eczema covered my legs down to the knees, perfectly raw. I have tried every preparation I could hear of. Seeing Dr. Chase's Ointment advertised, I procured a box, and this Ointment effected a complete cure."

On Sept. 28th, 1912, Mr. Ketcheson wrote as follows:—"I received a letter from you to-day, saying that you found on file a statement made by me 15 years ago. I have always given Dr. Chase's Ointment a good name since it cured me, and shall tell you how I came to use it."

"I had suffered for many years from eczema and piles, and had tried doctors and everything I could hear of in vain. Reading about Dr. Chase's Ointment, I purchased it at once, and was soon completely cured. That was fifteen years ago, so there can be no doubt of the cure being a permanent one. I have met a great many people who have been cured by Dr. Chase's Ointment."

It does not pay to waste time with cheap imitations or substitutes when you can be sure of satisfactory results by the use of this great soothing, healing ointment. For sale by all dealers, or Edmanson, Bates & Co., Limited, Toronto.

LAURIER AND THE KING FISHERS

Who claimed while still in office Parliament should be supreme. That its powers was all sufficient Sanction for our naval scheme.

We who spoke with exaltation Of the peoples' sacred right To express their royal mandates Through the legislatures might.

Why are we, you ask so ready, Now our party's sun has set, To adopt the playful antics Of the wanton suffragette.

Well, my friends, you must remember That the gifts of power are sweet, And the shades of opposition Colder than the gambler's feet.

That Mackenzie King's an outcast, Fisher too was left behind, When the country's cursed mandate Chilled us with its icy wind.

Shall we let our former comrade Weary and repine at home? Think of Fisher digging post-holes In the lonely wilds of Brome.

Think of King, the boy Napoleon, Printing posters at Berlin, Striving, struggling, hoping, praying, That he may once more get in.

What care we for people's mandate When the party's purse is lean, Has the British Empire ever Helped to grease the Grit machine?

Better far to let the Empire Go the way of mighty Rome, Than to let our two brave comrades Pine in Waterloo and Brome.

So behind our gallant leader, Prince of every petty art, If we cannot rule the country We can make the Empire smart.

It is announced officially that the object of the visit of the Prince of Wales to Germany is for the purpose of studying the language of the country.

The chap who is an expert at making excuses never can draw large fees for his skill.

Concrete is the best building material

A BROAD statement—Yet literally true. The aim of man from the beginning has been to make his building materials as nearly like natural stone as possible. The great labor required to quarry stone led him to seek various manufactured substitutes. The only reason he ever used wood was that it was easiest to get and most convenient to use. Wood is no longer easy to get. Like most building material, its cost is increasing at an alarming rate.

The cost of concrete is decreasing. So, from the standpoint of either service or economy, Concrete is the best building material. Canada's farmers are using more concrete, in proportion to their numbers, than the farmers of any other country. Why? Because they are being supplied with

Canada Cement

a cement of the highest possible quality, which insures the success of their concrete work. The secret of concrete's popularity in Canada lies in the fact that while we have been advertising the use of concrete, we have also been producing, by scientific methods, a cement so uniformly high in quality that the concrete made with it gives the complete satisfaction our advertisements promised. Concrete would not have been in such universal use today, had an inferior grade of cement been supplied. Insist upon getting Canada Cement. It is your best assurance of thoroughly satisfactory results from your concrete work. There is a Canada Cement dealer in your neighborhood. Without this label it is not "Canada" Cement. Write for our Free 100-page book "What The Farmer Can Do With Concrete"—No farmer can afford to be without a copy. Canada Cement Company Limited Montreal
