Junior second - Wilfrid McMullen, Ross Callaghan, Ellie Parker, John White, Wilfrid Middleton, Leslie Kennedy, Allan Kennedy. Senior part 2 - Oliver Johns, Alma Kennedy, Willie Callaghan, May Middleton, Florence White, Emma McGahey, James McGahey. Junior part 2 - Austin Kennedy, Albert White. First class - Jackson Bell, Bureen Johns.

FLEETWOOD Spring is once more spreading her welcome smiles around our quiet village. The snow is going rapidly. The first wagon was out Monday. The roads are not very good in the vicinity. There is a decided change in our village of late, as the laboring men have gone to their places of work among the farmers. Their cheerful whistle is no longer heard in the evenings. As Mr. Jacob Hart was driving to church on Sunday morning a portion of the harness broke and the horse became unmanageable, throwing Mr. Hart and occupants from the cutter. None of them were hurt, however. The horse was caught at the church.

OAKWOOD School report for March: 5th class - Fred Workman 90, Nettie Perrin 81, Willie King 77, John Thorndike 38, Albert Workman 37. Sr. 4th - Reggie Rennie 94, Roy Gardner 89, Lillie Webster 84, Harry Perrin 83, Ida Hogg 82, Cora Lake 76, Zetta Lake 73, Maude Thorndike 68, Hugh King 47, Maude Copplestone 28. Jr. 4th - Vera Tait 99, Ethel Martindale 90, Arthur Phelps 80, Ellwood Keyes 75, Fred Lake 62, Hugh Irwin 61, Emerson Coad 49, Chas. Walters 46, Lanson Patterson 40, Willie Ferguson 16. Sr. 3rd - Cecil Rennie 81, Roy Soans 65, Pearl Weldon 62, Leo Cameron 60, Garfield Falls 50, Stella Philp 40. Jr. 3rd - Leta Philp 97, Gladys Hughson 93, Maude Martindale 91, Florence King 89, Pearl Thorndike 85, Arnold Coad 66, Pearl Coad 65, Villie Flury 60, Horace Coad 60, Claribell Falls 60. 2nd class - Harold Hogg 84, Louis Patterson 73, Gladys Phelps 71, Winnie Phelps 70, Hazel Richardson 65, Katie Copplestone 60, Morley Goard 60, Pearl Irwin 50, Harvey Mackin 9.

ZION-MARIPOSA Mr. Newton Shaver is visiting under the parental roof. Mr. and Mrs. Henry Yerex have removed to Little Britain, leaving Messrs. Thomas and Frank Yerex in charge of the farm. The foot-ball match on Friday, March 30th, between the Fingerboard and Port Hoover teams was a tie. Both teams played well, but neither made a goal. Times are rather quiet at present in this neighborhood owing to the complete breaking up of the roads, and we have nothing special in the way of entertainments to report, except our Temperance Band meeting, which takes place next Sunday as usual. Capt. H. Yerex, who has been in our midst for some time, helping us in both church and Sunday school, is about to leave us again; and as a token of esteem and gratitude the young people of the church presented her with a handsome purse and address on the eve of her departure. The annual business meeting in connection with the Sunday school of this place was held on Tuesday, March 27th. The working staff for the coming year is as follows: - Supt., Mr. Thos. Broad; assistant supt., Miss Ada Snelgrove; sec., Miss Edith Frise; librarian, Miss Ethel Mitchell; teacher for young ladies' bible class, part 1, Mrs. G. Stokes; part 2, Mrs. Wm. Downer; young men's bible class, Mrs. S. R. Culbert; girls' intermediate class, Miss Beatrice Stokes; boys' intermediate class, Mr. Mashlon Culbert; junior class, boys, Miss Clara Western; junior class, girls, Miss Nellie James; primary class, Miss Ellen Cameron. Our school is quite large for a country school and is in a prosperous condition and we hope the good work will be crowned with success.

EDWARDS & Co. McCULLOUGH of Peterborough, Lindsay Every Wednesday at the House. Hours 10 a.m. to 4 p.m. in Eye, Ear, Throat and Nose.

HUGHAN, No 1 William-st. LINDSAY

Ontario Bank LINDSAY, HAS BEEN REMOVED TO THE NEW PREMISES, West Corner Kent and William-sts.

WANTED RELIABLE MEN

News of the Week

Cambridge won the annual boat race this year, defeating Oxford in a hollow fashion. Archibald Forbes, the famous war correspondent, died at London Eng. Friday morning. He had been ill several months. The Duke of York has accepted from a resident of Cork a thousand packets of shamrock seed, which will be sown upon the graves of Irish soldiers in South Africa. The directors of the Dominion Sheep Breeders' Association met at the Palmer house, Toronto, Thursday, and arranged to hold the seventeenth annual Ontario Provincial Fat Stock and Dairy Show in the city of Guelph. Harold, the four-year-old son of Rich. Davidson of Alymer, was instantly killed on Thursday night. He was playing in the yard alone, and in climbing upon a heavy oak frame it fell back, carrying the boy with it. He was struck on the head and his neck dislocated. The Chinese government has settled the controversy arising out of the murder of the Rev. Mr. Brooks of the Church Missionary Society on the following terms: Two of the murderers will be beheaded, one imprisoned for life, one for ten years, another for two years, a memorial chapel will erected upon the site of the murder, and a tablet will be placed in Canterbury Cathedral, England, at the expense of the Chinese government. The Rev. Mr. Brooks at the time of his murder was stationed at Ping Yin, in the province of Shan Tung. He was captured in that vicinity and killed by members of the seditious society known as "Boxers," who have been very active in destroying villages and slaughtering native Christians. The Governor of the province had despatched a force of cavalry to the scene of disturbance, but the soldiers arrived too late to save the life of Rev. Mr. Brooks. The household of Mr. John Langstaff, 31 Malborough avenue, Toronto, had a narrow escape from asphyxiation by illuminating gas early Thursday morning. In the house were Mr. and Mrs. Langstaff; their daughter, Miss Florence; daughter-in-law, Mrs. G. L. Langstaff; and her son Harold; Mr. Henry Burkitt, nephew of Mr. Langstaff; and two friends, Miss Louise C. Caddington and her sister, Miss Gladys C. Caddington. Mr. Langstaff rose at five o'clock, as usual, and found the others of the family suffering to a greater or less extent from the gas. He tried to locate the leak in the cellar with a lighted taper, and an explosion occurred which threw him some distance. Dr. Foster and Dr. Wilson were called, and worked with the patients most of the day before their recovery was assured. The cause of the trouble was a break in the gas pipe between the house and the street main. Mr. Langstaff is a man of 81 years of age, and all the other members of the household were overcome. Mr. A. G. Gilbert, manager of the poultry department, of the Dominion Experimental Farm, gave an account of his experimental work for the past year

before the committee of Agriculture at Ottawa Thursday morning. He gave, among other matters of import, the result of the successful rearing and fattening of thoroughbred poultry by several farmers in different parts of the country, and the satisfactory disposal of the same. The birds so successfully raised and sold at ten cents per pound were Plymouth Rocks and Wyandottes. They were fed by hand, and averaged 5 1/2 pounds each when sold. Mr. Gilbert also gave figures to show the successful experimental work at the farm during the year in the fattening by natural methods of thoroughbred cockerels on hard and finely ground grains. The birds fed on ground grains made the greatest development at the least cost. The most important statement was the discovery, during the year, of a disease technically known as entero-hepatitis, new to Canada, and which has been the cause of great mortality to thousands of turkeys throughout the country. The discovery of the disease was made by an enquiry from a farmer's daughter in Farming, of Toronto. A remarkable instance of what modern surgery can accomplish was given at the Toronto General Hospital Saturday, when a bullet was removed from the brain of young Stanley Thomas of Forest. The operation was entirely successful, and after its performance the patient got along splendidly and the physicians feel that his recovery is assured. Young Thomas is fifteen years old, and his father is a farmer near Forest. On Saturday the lad was engaged at target practice with a revolver. He was seated on a leg, and, after shooting, he looked into the muzzle of the weapon. From some cause that cannot be explained a cartridge exploded and the bullet entered the lower right eyelid, and passing upward, lodged within the skull. Dr. B. sin, a local doctor, was called as soon as possible, and he determined to send the lad to the General Hospital in Toronto. He arrived in safety and in a perfectly conscious condition. The X rays were applied, and the position of the bullet was located behind and above the right eye. It was felt that it could be extracted with perfect safety, and the operation was accomplished by Dr. Bruce. The doctors do not expect that the lad's sight will be affected.

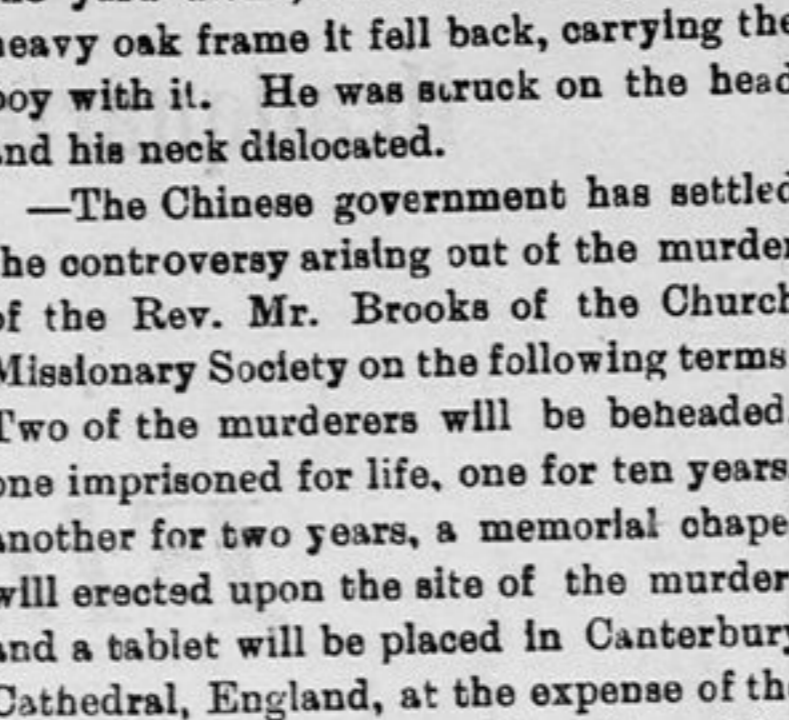

ST. VITUS CURED The Story of a Bright Young Girl's Recovery. SHE WAS FIRST ATTACKED WITH LA GRIPPE, THE AFTER EFFECTS RESULTING IN ST. VITUS' DANCE - FRIENDS DESPAIRED OF HER RECOVERY. From the Acadien, Wolfville, N. S. The mails from Wolfville to Gasperau are carried every day by an official who is noted for his willingness to accommodate and the punctuality with which he discharges his duties. His name is Mr. Henniner Cleveland and his home is in Gasperau, where he resides with his wife and grand-daughter, Miss Lizzie May Cleveland, a bright girl of about fifteen years. A few months ago the health of the grand-daughter was a source of much anxiety to Mr. and Mrs. Cleveland, and the neighbors who learned of the physical condition of the little girl gravely shook their heads and said to themselves that the fears of the fond grand-parents were by no means groundless. When the news reached the ears of an Acadien man, a short time ago, that the health of Miss Cleveland had been restored, he hastened to interview Mr. Cleveland as to the facts of the case. When he explained his errand both Mr. and Mrs. Cleveland appeared only too anxious to give him the information sought and it is in accordance with their wishes that we give to the public the facts of this remarkable cure. Early in December, 1898, Miss Cleveland was taken ill with a severe attack of la grippe and fears of her recovery were entertained. Careful nursing, however, brought her through this malady, but it left her system in a completely run-down condition. This showed itself principally in a weakness of the nerves. In January symptoms of St. Vitus' dance began to show themselves. At first these were not very prominent, but it was not long before she was rendered altogether helpless by the terrible malady. In a short time she lost all control over the movements of her hands and feet. For weeks she had to be carried from room to room and was unable to feed herself. Her grand-parents naturally became very much alarmed and having tried other remedies without effect, determined to give Dr. Williams' Pink Pills a trial. Developments showed that their confidence was not misplaced. When three boxes had been used the condition of the patient had improved considerably. Then Mr. Cleveland bought six boxes more and continued their use as before. The sufferer rapidly began to recover. When she had consumed the fifth box Mrs. Cleveland reduced the dose to one pill a day and by the time the sixth box was consumed a complete cure was effected. Miss Cleveland is now as vigorous and healthy as could be desired. Her grand-parents are persuaded that Dr. Williams' Pink

LANGUID Many a school-girl is said to be lazy and shiftless when she doesn't deserve the least bit of it. She can't study, easily falls asleep, is nervous and tired all the time. And what can you expect? Her brain is impure and her whole system is suffering from poisoning. Such girls are wonderfully helped and greatly changed, by taking

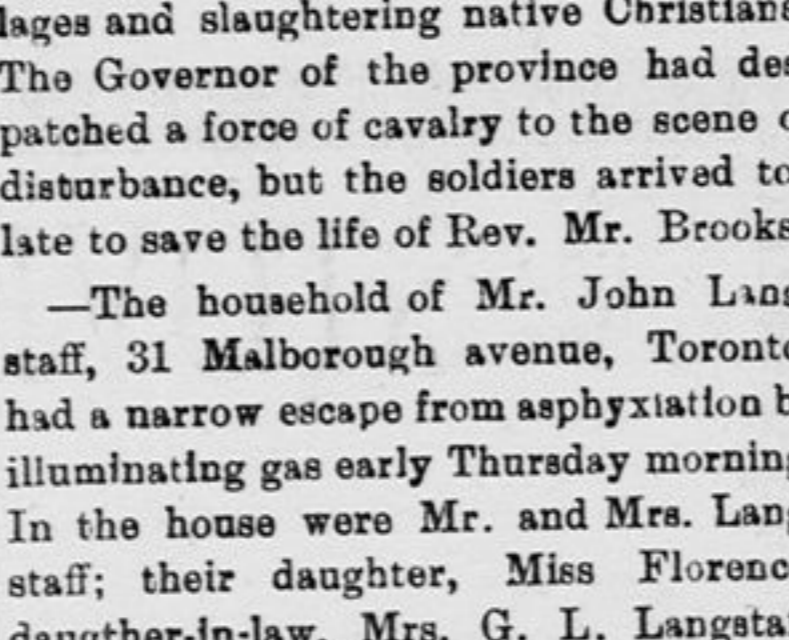

Ayer's Sarsaparilla Hundreds of thousands of schoolgirls have taken it during the past 50 years. Many of these girls now have homes of their own. They remember what cured them, and now they give the same medicine to their own children. You can afford to trust a Sarsaparilla that has been tested for half a century. \$1.00 a bottle. All druggists. If your bowels are constipated take Ayer's Pills. You can't have good health unless you have daily action of the bowels. 25 cts. a box. One box of Ayer's Pills cured my dyspepsia. L. D. CARDELL, Bath, N. Y. Write the Doctor. If you have any complaint whatever and desire the best medical advice you can possibly receive, write the doctor freely. You will receive a prompt reply, without cost. Address, DR. J. C. AYER, Lowell, Mass.

THE HEINTZMAN & CO. PIANO (The Evening Telegram, March 8th, 1900.) The year 1899 was a great year for the old firm of Heintzman & Co.—a record breaker in their half century history of piano making. The early months of the new year have established the fact that 1900 will out-record 1899, for, with continued good times, people are not satisfied with a cheap piano. They want the best, and now the Heintzman & Co. comes to the front and shares as a high-class instrument in the good times. The Heintzman & Co. has grand-parents, parents and children. It is not an unusual thing to find one generation following another and being satisfied with nothing less than a Heintzman & Co. piano. To quote Shakespeare, the Heintzman & Co. piano is "rich in its friends."

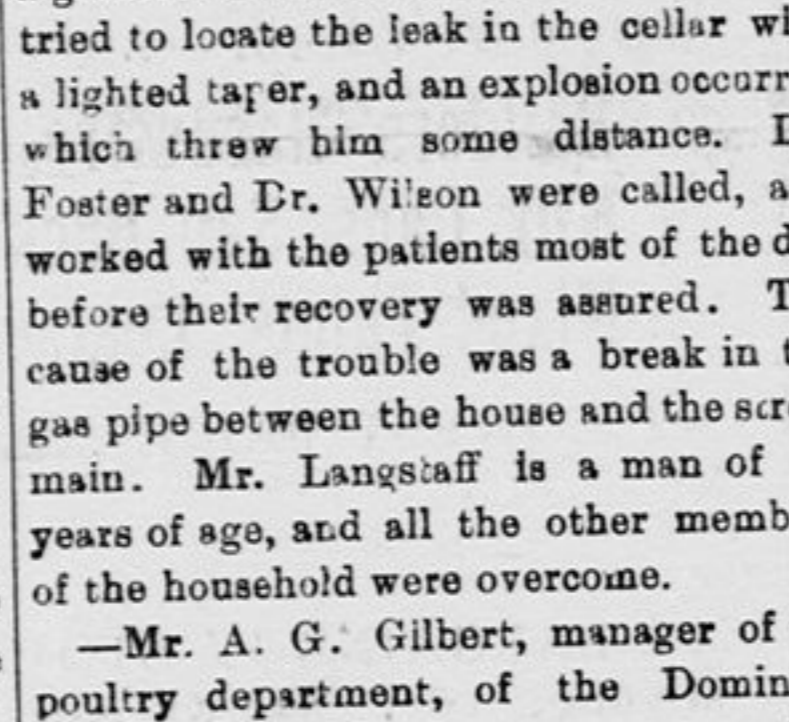

W. W. LOGAN Is the only authorized Agent for Lindsay and County of Victoria for Heintzman & Co.

Noxon Disc Harrow, (OUT-THROW.) The only Disc Harrow that has adjustable pressure springs. This feature is invaluable on hard or uneven ground.
