

First Annual Report of the Board of Water Commissioners for the Town of Lindsay.

To the Mayor and Council of the Town of Lindsay :

The Board of Water Commissioners for the year 1900 beg to report as follows :

1. A detailed statement of Receipts and Expenditures for the half year from 1st July, 1900, to 1st January, 1901, is hereunto annexed, shewing the amount of rents, issues and profits arising from the waterworks, the expenses of collection and management, and all other contingencies, the salaries of officers and servants, the cost of repairs, improvements and alterations.

2. A statement of Assets and Liabilities on 1st January, 1901, is hereunto annexed, shewing the extent and value of the moveable and immovable property belonging to the waterworks, the amount of debentures issued and remaining unredeemed, and the interest paid thereon or yet due and unpaid.

3. A statement of Revenue and Working Expenditure of the Waterworks for the half year from 1st July, 1900, to 1st January, 1901, is hereunto annexed. This statement, as will be seen, includes the water rates and accounts earned but unpaid, the supplies purchased and on hand, and also the liabilities incurred, outstanding and unpaid, thus shewing the true earning power of the works, and from which it will be seen that the net profit of running the works for the half year amounts to \$925.43, a statement that should be gratifying to the rate-payers.

4. The total number of persons supplied with water during the half year is 285, and the amount of revenue from private consumers on 1st January, 1901, according to our water rate book, is as follows :

Flat Rates.....	\$2482 25
Lawn Rates.....	384 64
Meter Rates.....	314 00
Miscellaneous Rates.	125 00
