...LITTLE LOCAL LINES...

News of Town and Country Briefly Told

—The robins have come; the blue bird is expected to arrive any time, but the advent of the first ploughman was not anticipated for many days, when to our ears we heard the glad news which savors of seed time and harvest. Mr. Chas. Mehan, of Emily, leads the procession, and was seen turning the stubborn glebe on Tuesday, 10th inst. Charlie leads, others follow.

—Miss Margaret Scott, of this town, was married on April 6, in Massena, N.Y., to Mr. W. J. Murphy, of that place. Mrs. Murphy's sister, Mrs. R. Brown, also resides in Massena.

—The ex-house surgeons of the Toronto General Hospital dined at the King Edward Hotel last week and organized themselves into an association. Among the officers elected was noticed the name of Dr. McAlpine of Lindsay, who was named as an out-of-town vice-president.

—Peterboro curlers are planning the building of a new three story rink.

—\$16 buys a high-class made-to-order tweed suit at Clark's, opposite the Benson House. Inspection invited.—15-2.

—At the Annual Librarian's Convention held in Toronto on Monday, the subject of "Chess, Checkers and Smoking-room in connection with a Public Library," was discussed. Rev. W. A. Bradley, Berlin, reported that a basement room had been fitted up, but failed to attract smokers, probably because it was not warm enough. Other speakers agreed that it was a great adjunct. One gentleman reported the attendance in a reading-room when smoking was allowed. Among 30 there were two letter-carriers, one policeman, two wealthy merchants, a city engineer, a Board of Trade secretary, with other gentlemen. Mr. Bain related his Toronto experience. The caretaker had warned him not to go into the basement room if he valued his life. The police looked upon it as a most desirable institution. When they "wanted" anyone particularly they went there to find him. Mr. Gould, McGill Library, doubted the advisability of any library devoting a room wholly to recreation. Inspector Knight intimated that he had defeated a tie to vote a scheme to open the library in Lindsay on Sundays for the next three months, as an experiment.

—Easter Sunday services in the churches were well attended, in spite of the rainy weather. There was special music, floral decorations in abundance, and the sermons were generally upon the Resurrection and its significance to mankind.

—Mr. John Earle, of Cameron, in Fenelon township, has a cow which has had six calves inside of three years. She is a grade Durham. The first pair, now three years old, are being fed for export, and will weigh 1,300 lbs apiece when ready for market.

—Mr. Joseph Brown's speedy launch "The Retta" is being overhauled and painted for the coming season. A new boiler will be added and other improvements made that will add to comfort and speed.

—Upholstering, repairing and picture framing done promptly and reasonable at M. E. TANGNEY'S.—15-1.

—Mr. Jessie Perrin's new boat works, foot of Ridout-st., will be completed next week. He has had a winter, and now has ten launches ready for the machinery for the following parties: James Ackon, Toronto, 21 ft.; Emmet, Roach, Ops, 20 ft.; Mr. Hunter, Toronto, 25 ft.; Mr. McGill, Washington, D. C., 35 ft.; Thos. McConnell, Lindsay, 16 ft.; Percy Menzies, Lindsay, 16 ft.; Wallace Lamb, Lindsay, 18 ft.; Toronto Engine Works, 4 launches. Later in the season Mr. Perrin will construct a 30 ft. launch, of improved model, for himself, in which he will install a 12 h. p. gasoline engine. He expects to have a very fast boat.

—The patient getting discouraged with his physician's treatment, asks his opinion of Dr. Roscoe's Rheumatic Remedy. He replies, "it is a good medicine but it would kill you." In his present condition he may as well be dead, so "kill or cure," he takes the medicine and is perfectly well in a few days. We have frequently heard of such cases.

—The opera house business in Peterborough is getting to be looked upon as a paying proposition. This is evidenced by the fact that recently Mr. R. H. Bradburn, the proprietor of the Grand opera house there, has received several offers for the house.

Last week Messrs. J. J. Turner & Sons made an offer for the house, which was considered high enough by Mr. Bradburn, and it was not accepted. At least another local capitalist has been in negotiation with him, but no deal has been closed yet, and unless he gets his price the present proprietor will not sell the property, which is one of the best money-makers in the city.

—Just received, a large consignment of seeds from the best house in Canada, consisting of garden and flower seeds of all kinds. Also man-gold, turnip, carrot, beet, corn and rape seed. JOHN H. FLUREY, the Oak Front Grocery.—15-3.

—Speaking of the annual meeting of the C. E. in Toronto last week an exchange says: "There were two factions present claiming to represent Lindsay. One party, whose credentials weren't accepted, tried to corral the ballots when they were being given out, but was forced to disgorge, and the right person claimed his own delegates. One named Barber, supposed to represent Havelock II., said he didn't get his ballot. The returning officer had given the two ballots to a man named Irvine, who also represented the club. Barber wanted another ballot, as he said he didn't know his co-delegate. 'A strange state of affairs,' observed Mr. Clemes."

—The band was out on Tuesday evening serenading Mr. and Mrs. Norman Bruce, who left yesterday morning on a honeymoon trip. Mr. Bruce is a cornet player in the band.

—The annual meeting of the Midland League was held last Friday at Cobourg. Only four teams were presented. Port Hope, Oshawa, Peterboro and Cobourg. Lindsay and Bowmanville will be absentees this year. The entrance fee to the league has been raised from \$25 to \$50, and a double schedule will be played. The season opens up on May 24, when Port Hope go to Cobourg and Peterboro to Oshawa. The officers elected are as follows: President, P. J. O'Riley, Oshawa; 1st. Vice-Pres., C. G. Graham, Peterboro; 2nd. Vice-Pres., T. Mulhall, Cobourg; Treasurer, H. McGuire, Cobourg.

—Clark the Tailor, opposite the Benson House, Lindsay, is booking orders very fast for his famous \$16 suits, made from fashionable tweeds and trimmed in the best style. These suits cannot be duplicated at the price anywhere in town. Leave your measure to-day.—15-2.

—"The Convict's Daughter," which will be the attraction at the Academy of Music Monday night, is said to be one of the best presented comedy dramas offered to the theatre-going public, while in incident and theme it is most powerful, every climax breaking with almost volcanic intensity. So much, by way of introduction. To go into the play itself, nothing can be said to detract from its worth. In the entire company, from the actor who interprets the leading role down to the mere stage loaves, there is not a single person who has been negligently selected or unintelligently cast. The climaxes develop quickly and break magnificently, while the lighter moments are rolling as a Sousa march the sentimental fragments being truly natural and the comedy hits as sparkling as the lights which adorn the stage. Seats now on sale at Gregory's. Prices, 25, 35, and 50c.

—We are now ready with our spring stock of bedroom, dining-room and parlor furniture; also a large stock of baby carriages and go-carts. The assortment is large and prices are reasonable. M. E. TANGNEY, 15-1.

—Last Saturday, a man named Morris O'Connor was prosecuted in Peterboro for netting bass in Pigeon creek and attempting to dispose of the same. Some time ago Chief Rutherford, acting game warden, detected that certain parties were netting fish and that they would bring a load to Peterboro. A trap was laid for O'Connor and he walked right into it, bringing in no less than 600 pounds of bass. This was not his first offence and he will likely be punished to the full extent of the law. Rumors are current in Lindsay that fish are being taken in Lake Scugog and sold in town here. It would be well if our inspector could catch one or two of these miscreants and make an example of them.

—The butcher shop, in Robson's block, Mr. Doble's old stand, has opened up with a full stock of fresh and cured meats, and is well supplied with hams, headcheese and bologna. All orders carefully attended to and delivered promptly. Prices as low as the lowest, and quality guaranteed. A share of patronage solicited. ARKSEY & HEPBURN, Phone 118.—16-2.

—Capt. Elliott, of the Kathleen, gave his last year's subscribers complimentary trip to the Point yesterday afternoon.

—J. D. Tripp, the famous Canadian pianist, will give a recital in the Academy of Music on Thursday, April 26th.

OMEEMEE.

Easter Sunday services in the different churches were more attractive than often seen in large places. The sermons, music and floral decorations being excellent.

Large numbers of old acquaintances and friends spent Easter Sunday and Monday here.

Boys have begun snaring the suckers.

Some ploughing has been done. Jas. Cunningham and Jno. Howland are both yet confined to their homes. There is no hope of the former's recovery.

One of the most elaborate, interesting, educating and refined entertainments, is the prevailing opinion of all who were present and enjoyed this grand affair, is the "Temple of Fame," put on for the first time before an Omeemee audience on Easter Monday night. Only five weeks rehearsal were had, and the performance exceeded the most sanguine expectations of the large and intellectual audience, assembled from the country and village. The ladies' managing committee, to whom all credit is due, was composed of Messdames Cameron and Cochrane, Clark, McCrae, Bent, Mulligan, and the Misses Currie, Stephenson, Clark and others, who worked faithfully and efficiently. Mrs. Dr. Cameron made an excellent "goddess" and Mrs. Dr. Cochrane, as mother, won the crown. Mrs. McPherson, Mrs. Mulligan and Miss Laidley made excellent queens. Each and every character, comical and musical, excelled, and it would not be too much to say they were faultless. This was the opinion expressed by parties present, who had seen it produced in Toronto, Lindsay, Millbrook and other places. The costumes and stage jewels procured at Toronto and other cities exceeded in value over \$5,000, and one would imagine they were in the presence of some royal assembly in some of the European cities. There is a strong desire to have it repeated at some convenient time. The proceeds amounted to about \$120, and still there were many turned away who could not gain admission. We now feel that there is no other village in the Dominion can furnish a cast of characters to equal this, and the challenge is open.

The Easter concert held in the Baptist church on Monday evening was well attended, and the program given by the choir from the Lindsay Baptist church excellent in every particular and much appreciated. The choir, directed by Mr. D. H. Williamson, sang three anthems, the voices blending harmoniously. Mr. Williamson, tenor, sang three solos, and had to respond to an encore, Mr. Peter Wilson, baritone, sang "The Banderolero," (Leslie Stuart) and an encore. These two gentlemen also sang a duet with much success. Mr. Geo. Johnston sang two songs. Mr. Hamilton, organist of St. Andrew's church, Lindsay, gave several piano selections by classic composers. His playing was much admired. Miss Irene Parkin made a hit with her humorous readings, and Mr. D. H. Williamson also gave a reading. The accompaniments to the solo and choir selections were ably played by Miss Matthews, organist of the Baptist church, Lindsay. The evening's entertainment closed by singing the Doxology.
