Many Young Women Go to Pretty

Spot to Die. St. Petersburg, April 3.-A despatch

to the Gazette from Viborg, Finland. says a curious suicidal mania has lately, at short intervals, driven 16 victims to self-destruction in the picturesque Imatru waterfall. The suicides were hysterically inclined young women who wanted to die in romantie surroundings. Their bodies were washed away by

the roaring Wuoksen River and rarely recovered, and then in shockingly mutilated condition. The latest victim was a young girl,

who had traveled especially from Moscow to commit suicide in the waterfall. A coachman seized her clothing as she was going over the edge of the precipice, but the material gave way, and she disappeared with a shriek in the torrent.

PORT CREDIT MYSTERY.

Elliott Was Stabbed and Struck On Head With Shovel.

Port Credit, April 3.—The crown has at last decided to take a hand in the unraveling of the mystery surrounding the death of the English sectionman, Edward Elliott, who met his death two miles west of here early on Good

At the inquest to-day a member of the provincial detective staff will be in attendance to watch proceedings and follow up any clue which may be unearthed. It is certain that evidence will be produced to prove conclusive ly that Elliott came to his death as a result of foul play.

Dr. Sutton, who performed that autopsy, is ready to swear wound in Elliott's chin was caused by some sharp instrument, either a knife or a stiletto, and that the gash on the back of the head was in all likelihood inflicted by a blow from a shovel. County Constable Peer made a trip

into the city yesterday to subpoens Jas. Batty, the conductor of the way freight who found Elliott alive by the track and brought him into Port Credit.

He arranged with Michael Basse to act as interpreter for the four Italians known to have passed the spot short ly before Elliott was picked up. Harry Gallagher, the man with whom Elliott left the section camp at Clarkson to come into the city, will be brought here to-day from Hamilton to testify, and Constable Peer is of the opinion that this man will be able to throw some light on the matter. Dr. Sutton will open the enquiry at

2 o'clock this afternoon, assisted by High Constable Broddy of Brampton and County Crown Attorney W. H. McFadden of Peel County, at the Wilbur House. ROOSEVELT ACCUSED.
