### 45th Regiment to Camp at Kingston This Year

The 45th Regt., under command of  
Col. Sylvester, will camp this year  
at their old camping grounds,  
Barrieffield, Kingston. Col. Syl-  
vester received these instructions yes-  
terday from the militia department  
in Ottawa, and the date set for the  
camp is on June 13th. A full reg-  
iment will go to camp this year,  
consisting of two companies from  
Lindsay and one each from Tory  
Hill, Mariposa, Bobcaygeon, Nor-  
land, Omeme and Cameron. It will  
be remembered that last year at  
Sturgeon Point the regiment was  
only out in half strength owing to  
the money stringency of the Domini-  
on Government.

In conversation with Col. Syl-  
vester he stated that he expected to  
have a full company as most of the  
members enjoyed the trip to King-  
ston in preference to Sturgeon  
Point. The colonel when asked how  
he liked Sturgeon Point as a camp  
ground, replied that he was perfect-  
ly satisfied with the conditions that  
existed there last summer and  
would not object to return there for  
this summer's camp.

#### STAFF OFFICERS.

This year's regiment will consist  
of the following staff officers:  
Commander, Col. Sylvester.  
Majors, W. H. Henley and F.  
Holmes Hopkins.  
Quartermaster—Major E. H.  
Hopkins.  
Paymaster—Major J. A. William-  
son.

Adjutant—Capt. German, Om-  
eme.  
Chaplain—Rev. J. W. Wallace.  
Surgeon—Dr. Sutton, Omeme.  
THE EIGHT COMPANIES.  
The regiment will go to Kingston  
in full strength with the following  
eight companies:  
A.—Cameron, Capt. W. H. Hen-  
ley, Lieut. R. Porter.  
B.—Lindsay, Capt. A. Williams;  
lieut., F. Carew.  
C.—Lindsay, Capt. W. Holtorf;  
lieut., J. Keith and T. Murtagh.  
D.—Omeme, Capt. Fee; lieut.,  
Thorne.  
E.—Norland, Capt. LeCraw;  
lieut., Watson and Wakelin.  
F.—Tory Hill, Capt. Anderson;  
lieut., Short and Allen.  
G.—Mariposa, Capt. Coad; lieut.,  
Coad.  
H.—Bobcaygeon, Capt. Lancaster;  
lieut., not appointed.

A despatch from Kingston says:  
Only infantry will be camped at Bar-  
rieffield this year, the cavalry going  
to Petawawa for their training.  
Three more regiments of infantry,  
however, will be at Barrieffield and  
the number of men will be as great  
as ever. The infantry will consist of  
the 6th, 7th and 8th brigades. The  
6th brigade includes the 16th, 40th  
and 45th regiments; the 7th brigade  
the 46th, 47th and 49th regiments,  
and the 8th brigade the 42nd, 56th  
and 59th regiments.

### Earache, Toothache!

TO CURE THE PAIN IN TEN  
SECONDS AND GET INSTANT  
RELIEF, NOTHING EQUALS.

#### NERVILINE

Fifty years ago Nerviline was used  
from coast to coast and in thou-  
sands of houses this trusty liniment  
served the entire family, cured all  
their minor ills and kept the doc-  
tor's bill small. To-day Nerviline  
still holds first rank in Canada  
among pain-relieving remedies—  
scarcely a home you can find that  
doesn't use it.

From Port Hope,  
TESTIMONIAL Ont., Mr. W. T.  
NO. Greenaway, of the  
4398 Guide newspaper  
staff, writes: "For  
twenty years we have used Nerviline  
in our home, and not for the world  
would we be without it. As a rem-  
edy for all pain, earache, toothache,  
cramps, headache and disordered  
stomach, I know of no preparation  
so useful and quick to relieve as  
Nerviline."

Let every mother give Nerviline  
a trial; it's good for children, good  
for old folks—you can rub it on as a  
liniment or take it internally.  
Wherever there is pain, Nerviline  
will cure it. Refuse anything but  
Nerviline. Large bottles 50c, trial

STRUCK BY TRAIN.  
While attempting to cross the G.  
T.R. tracks on Cambridge-st. early  
Thursday a team and wagon owned  
by Mr. Sam. Fox, M.P.P., were  
struck by the Haliburton train with  
the result that one of the horses is  
in a critical condition and may not  
recover.

The team was driven by a young  
chap named Mackassey, and owing to  
the strong wind and the curve in  
the track he could not see nor hear  
the approaching train.

Just as the team landed on the  
crossing the engine appeared, and  
the horses quickly turned sideways with  
the result that the engine struck the  
front wheels of the wagon, upsetting  
it on top of the horses. The young  
chap jumped and was uninjured, but  
one of the horses received a deep  
gash just below the ribs on the right  
side. The wagon and harness were  
also badly broken.

#### FARM LABORERS SCARCE.

Farm laborers are scarce in Ontar-  
io, owing to the fact that they are  
drifting to the Northwest, where  
fields look green. At the present  
time there is a great demand for  
farm laborers in the counties of Wel-  
lington, Oxford, Lambton, Norfolk,  
Lincoln, Haliburton, Peel and Sim-  
coe, while a number of farmers in  
Victoria county are also on the look-  
out for hired help. A report from  
Toronto states that a large number  
of farmers from the above counties  
waited on the Government Coloniza-  
tion Department seeking laborers.  
The anxious farmers were willing to  
take almost any class of man, ex-  
perienced or inexperienced, married  
or single, and they did not even  
draw the color line. So while Ontar-  
io farms are being drained of their  
men to supply the west, British im-  
migrants are being relied upon to  
fill the vacancies in this Province.

## AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pink-  
ham's Vegetable Compound

MARLTON, N.J.—I feel that Lydia E.  
Pinkham's Vegetable Compound has  
given me new life.  
I suffered for ten  
years with serious  
female troubles, in-  
flammation, ulcer-  
ation, indigestion,  
nervousness, and  
could not sleep.  
Doctors gave me  
up, as they said my  
troubles were  
chronic. I was in  
despair, and did not  
care whether I lived  
or died, when I read about Lydia E.  
Pinkham's Vegetable Compound; so I  
began to take it, and am well again and  
relieved of all my suffering.—Mrs.  
GEORGE JORDY, Box 40, Marlton, N.J.  
Lydia E. Pinkham's Vegetable Com-  
pound, made from native roots and  
herbs, contains no narcotics or harm-  
ful drugs, and to-day holds the record  
for the largest number of actual cures  
of female diseases we know of, and  
thousands of voluntary testimonials are  
on file in the Pinkham laboratory at  
Lynn, Mass., from women who have  
been cured from almost every form of  
female complaints, inflammation, ul-  
ceration, displacements, fibroid tumors,  
irregularities, periodic pains, backache,  
indigestion and nervous prostration.  
Every suffering woman owes it to her-  
self to give Lydia E. Pinkham's Vege-  
table Compound a trial.  
If you would like special advice  
about your case write a confiden-  
tial letter to Mrs. Pinkham, at  
Lynn, Mass. Her advice is free,  
and always helpful.

### Bible is Greatest of All Books

Rev. J. P. Wilson, pastor of the  
Cambridge-st. Methodist church, and  
Rev. Robt. Burns, pastor of the  
Methodist church at Omeme, ex-  
changed pulpits Sunday, the for-  
mer preaching educational sermons  
in Omeme.

Rev. Mr. Burns preached to two  
large congregations at the Cam-  
bridge-st. church and in the even-  
ing took his text from St. John's  
gospel, 5th chapter and 39th verse.  
"Search the Scriptures; for in them  
ye think ye have eternal life: and  
they are they which testify of me."

The discourse was interesting and  
instructive, the speaker pointing out  
that both the new and the old testa-  
ments were harmonious. He com-  
pared the work of God to a beautiful  
oratorio in which all the parts blend-  
ed and were harmonious. The Bible  
should be prized by every person in  
the land and should be found on ev-  
ery library shelf. In beauty it had no  
peer, and from its sayings the great  
poets, the works of whom we admire,  
had gained their gems of thought. It  
was a great historical book and a  
book of great philosophy, as was de-  
monstrated in the writings of St.  
Paul. The Bible was also a book of  
science which could be scrutinized by  
the telescope of faith. It was com-  
pared to a chart which shows us  
whether we are on the right track or  
the wrong one.

In order to search the scriptures ef-  
fectively several instruments were re-  
quired, viz., the Holy Spirit or the  
power; prayer or the lever; faith  
and a youthful mind.

The results from such a searching of  
the scriptures would be the testi-  
fying of Christ and we would have  
eternal life. The key word of the  
Bible was "search," and Jesus  
Christ was the centre around which  
all the books of the Bible revolve.

### Calf Had its Heart on Outside

Bowmanville, Ont., April 9.—Wm.  
Tennant, a local veterinarian, this  
week came across a freak calf, which  
was born with its heart on the out-  
side, suspended by its vessels and in  
the pericardial sack. It was born at  
the farm of Mr. Ed. Weatherit, and  
was quite smart all the day after  
Mr. Tennant was called, but died  
the following morning. The heart  
was perfect in every way, and its ac-  
tions were very distinct. There was  
a 2-inch hole through the sternum,  
just back of the fore legs.
