SERIOUS RUNAWAY

WM. LAMB MET WITH A SERIOUS ACCIDENT.

North Verulam, April 7.—William Lamb, met with a bad accident last week. He started from home with a load of pigs, for Fenelon Falls, and when near Tallman Robinson's, the team of young colts started and he was thrown to the ground, and knocked unconscious. The team went on and turned into Walter Johnson's yard, and a search was made for the driver. He was quickly found and carried into Tallman's. Walter took the team and a load of pigs to Fenelon, and a doctor was obtained. Fortunately the injuries were not serious and after a couple of days he was taken home, and is now recovering.

A Sneezing Epidemic

IT'S NOT INFLUENZA — BUT CATARRH THAT COMES WITH CHANGE OF SEASON.

Every second person that you meet seems to have a sneeze and stuffed feeling in the forehead and nostrils. To cure promptly, say, in half an hour, there is nothing worth using except Catarrhazone. You inhale its balsamic vapor, and feel as if you were among the Norway pines. This is because Catarrhazone contains a healing medicine, light as pine air, which is breathed straight into the lungs and bronchial tubes. Away goes the cold, sneezing and catarrhal cough cease, bronchial irritation stops; in short you are cured of catarrh by a pleasant, simple remedy, free from sedatives and irritants. Catarrhazone is a good, safe family remedy for coughs, colds, croup, sore throat, that may be taken by young and old with absolute certainty of swift, permanent cure. Try Catarrhazone, but beware of the substitute who may try to induce you to take something instead of Catarrhazone. Large size lasts two months. Price \$1. Smaller sizes 25c. and 50c. Sold by all dealers, or the Catarrhazone Company, Kingston, Ont.

Miss Maimie Coolidge spent the week end at Oakwood, the guest of her friend Mrs. (Rev.) Elliott.

Messrs. John and George Hardy spent Thursday last at Woodville, where Mr. Bert McKay was host to a number of the boys of the Cannington High school.

We are glad to report that little Miss Olive Wright who was seriously ill is improving.

Messrs. John and George Hardy and the Misses Hardy were guests of their friends, Mr. and Mrs. Wm. Rich on Wednesday evening last.

ALMOST EARLIEST ON RECORD. On the night of Saturday last, April 2nd, the ice went out of Cameron Lake almost the earliest on record. In the spring of 1908 the date was March 31st. Twenty-eight or thirty years ago it went out on March 28th. The record would have been equalled or beaten this year had there been a wind, as the ice was merely hanging in the lake for a few days waiting for a wind to break it up and taken it out.

LA GRIPPE

Arrested, and Consumption Cured

Mr. G. D. Colwell, of Walkerville, Ontario, was stricken down with La Grippe in 1906 and it left him in very bad condition. He says: I was all run down and bordering on Consumption. I could not sleep at nights, had awful sweats, and coughed nearly the whole time. This is how I was when I began to take Psychine, in a low nervous state; but from the first bottle I began to improve. It did marvels for me and brought me back to health in no time, making a new man of me. It fortifies the body against the attacks of La Grippe and is a sure preventative. I always take Psychine if I feel a cold coming on and it puts me right in no time."

Pillows Found and Were Oil Soaked

Whitby Times: The carpenters who are busy rebuilding the home of the McLaughlin tragedy discovered last week a couple of pillows that were oil soaked, while tearing down part of the building. The discovery of them looks bad, and adds much to the theory that the house was set on fire, and will no doubt form another link in the chain of evidence that will be presented by the Crown during the trial next month at Whitby.

The workmen also are of the opinion that the house was fired in more places than one, namely under the staircase. From examination it is surmised that there was a fire kindled in the south bedroom, in the closet going down cellar and in the south end of the little hall upstairs.

HELD UP TRAIN.

Minneapolis, April 8.—According to advices received here this morning a lone bandit held up a train between Tomah and Oakdale, Wis., shortly after midnight and got \$18,000 in cash and jewelry. The train reported held up is Pioneer No. 1, bound for the Twin City. The report says not a shot was fired, although it is said the brakeman of the train was seriously beaten by the bandit.

ANTI-BETTING BILL.

Ottawa, April 7.—The anti-gambling measure heretofore known as the Miller Bill, but re-christened the "Yankee" bill by the Minister of Justice to-day, received its quietus at the hands of the House of Commons in committee this evening.

Some lively skirmishes between the opposing forces in a crowded House enlivened the last moments of the bill.

JUDGMENT RESERVED.

The county court case, Sylvester vs. Darlington township, which has been before His Honor Judge Harding for two days, was concluded on Thursday.

This is an action brought by Robert Sylvester of the town against the township of Darlington for damages for discharging water from the road on his property, lot 16 in the 7th concession of Darlington, and for an injunction to prevent the continuance of the same. The case was a hard fought one lasting two days, both parties having engineers with plans and profiles and a large number of witnesses. Judgment reserved.

G. H. Hopkins, K.C., for plaintiff; D. Burk Simpson, K.C., Bowmanville, for defendants.

Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. J.C. Ayer Co., Lowell, Mass.

Without daily action of the bowels poisonous products must be absorbed. Then you have impure blood, biliousness, headache. Ask your doctor about Ayer's Pills for constipation.
