Many of our villagers are erecting new fences in front of their residences.

ROSEDALE.
Rosedale, April 11.—Some of our farmers have finished seeding.
We are pleased to have Miss Viola MacIntosh in our midst once more. Miss MacIntosh recently successfully completed a course in stenography at the Central Business College, Toronto.
We regret the departure of Mr. and Mrs. F. J. Goodman and daughter, Miss Ruby, for Naramata, B.C. Naramata is a new town on Okanagan Lake, which is in a valley bearing the same name, far famed for its fruit farms. Mr. Goodman, we understand, has the contract of building a summer hotel on the beach of the aforementioned mountain lake, and if the country is congenial to him, he purposes to permanently reside there.
Work is commencing once more on the new canal here. Teamsters are hauling gravel preparatory to building

ing the new dam and timber slide on the Gull River; the steam drill is busily engaged in scattering the bed rock at the canal entrance into Balsam Lake; the dredge is being overhauled and again under the superintendence of Mr. Sheeley, will shortly be in commission, and the dagoes can be seen wending their way to Rosedale each day. Rosedale will ere long be a hive of industry. Of course this hive will not be without its drones, and moreover these same drones will manage to devour most of the government sweets.
Miss Allie McFadyen, who graduated a short time ago from the Eew York general hospital, is visiting with her aunt, Miss Reynolds.
Mr. and Mrs. A. E. Minthorne, lockmaster, have returned to Rosedale from Fenelon Falls, where he passed the winter.

Nearly six inches of snow fell here yesterday morning. As a result seeding operations have been suspended.

The honorary members of the club are: Mr. Arnold, Mr. McCallum, Mr. Hamilton, Mr. Junkin, Mr. Cashore and Mr. Jordan. Mr. Arnold was elected president, and Mr. M. McCallum vice-president. Messrs. Hamilton and Jordan were made patrons. The other officers are: Harold Wilson, captain; Ivan Junkin, sec.-treas.; and Robert Hamilton, Ewart Maybee and Gordon Arnold managing committee.

FARM HELP SCARCE.
One of the most pressing needs of the time is a competent supply of farm labor. The Government emigration agencies are doing their best to supply it.

LARGE EGGS.
Mr. W. E. Pollard, of Manvers Road, is not to be outdone by any big egg stories. He has a half dozen eggs the combined weight of which is nineteen ounces. The largest one measures seven inches by eight inches.

A CORRECTION.
Fanning's sale at the Repository, Lindsay, will be held on Saturday, April 23. A mistake appears in the advt. elsewhere in this issue, which states that the sale will be held on the 9th. Farmers would do well to attend this big sale where the real bargains are made.

SEND THE MONEY NOW.
Families who appreciate good reading, agriculturists who wish to be up to the times, and farmers who prize a good newspaper will learn with pleasure in another column that The Weekly Mail and Empire, a 24-page high-class weekly, is being offered as a trial from date till the end of the year (over eight months), for only 85 cents. This is undoubtedly the greatest offer ever made by a weekly newspaper.

Mrs. Tiers, of Fairbairn, spent last week the guest of her daughter, Mrs. A. Northey.

Rumors are afoot of Fenelon Falls having a Jack the hutter. Our burg certainly delights in keeping in with the county town, but would advise Johnnie to be careful who he hugs, as a number of our timid creatures are adapting the use of hat pins.
Mrs. George Martin, assisted by her daughter Miss Sabina, entertained about forty of their friends to an afternoon tea on Friday and a very enjoyable time was spent by all present.
Mr. B. Cowan, of Hamilton, spent Tuesday in town the guest of his friends.

Mr. Deyell and Family Welcomed to Mt. Horeb
Mount Horeb, April 12.—The residents of this part of the country welcome back with open arms Mr. John Deyell and family, who have taken up their residence on the old homestead. It was some twenty-five years ago that Mr. John Deyell left this section of the country and left the homestead to take up his occupation of farming in the north east part of Ops township. At that time the residents of Mount Horeb regretted to see him depart, as he was recognized as one of "the boys," and was popular with all with whom he came in contact with. Twenty five years ago he took an active part in church work, and since he moved to Ops he has continued to be active in the promotion of the Master's work, devoting considerable of his time to the church and the Sunday school. He also was well acquainted with the municipal affairs of the township and his fellow-residents and friends recognized his ability and elected him a member of the township council, which position he still holds.

A week or so before his departure his friends in Ops congregated and gave Mr. and Mrs. Deyell and family a right royal send-off, stating that they were indeed sorry to see the family leaving the neighborhood.
The people of Mt. Horeb, however, are pleased to welcome him back again. The Deyell family is widely known, and the members are among the most respected of the community. Mr. John Deyell is a brother of the late Thos. Deyell, and also of Mr. Isaac Deyell of Lindsay. Fenelon's loss will be our gain.

IMPORTANT TO LADIES.
It is not often an opportunity occurs at your door to see the latest Parisian and New York styles in Hair Goods, yet such is the case, as Prof. Dorenwend of Toronto is visiting this town, and invites your inspection of these goods at his private apartments reserved at the hotel.
These Hair Goods styles, when properly adjusted protect and ornament the head; soften and beautify the expression of the face, and consequently tone up an aged appearance. Be sure and use them at Hotel Benson, on Saturday, April 23.

RETURNS TO TOWN.
Mr. B. Dingle, for many years head bookkeeper for the Sylvester Manufacturing Co., but who resigned about three years ago, has returned to town and has accepted his old position with the Sylvester Co. Since leaving Lindsay Mr. Dingle has resided in Berlin and Toronto, where he conducted a broker business. He is well known in Lindsay and will be a valuable acquisition to the Sylvester Co., and his many friends will welcome his return to town. Mrs. Dingle and family will not return to town until July. Mr. Dingle commenced his duties yesterday morning, having been appointed secretary-treas. of the company.

which the cataract town are proud of.
Mr. Leslie Smithson, of Glenora, was in town on Thursday evening.
Mr. Grant Austin, of Lindsay, passed through town on Tuesday.
St. Andrew's Guild held a very entertaining and instructing meeting in the lecture room on Tuesday evening. Rev. C. L. Lord gave a short history on the hymns. Mrs. E. A. McArthur ably assisted the program by singing an old favorite, "The Sinner and the Song," the choir joining in the chorus. Mrs. John Northey sang another favorite, "The Model Church." A number of favorite hymns were also rendered as follows: "Rock of Ages," "Jesus Lover of My Soul," "Just As I am," "Lead Kindly Light," "I am," "My God to Thee," "Onward Christian Soldiers," "Mr. Sam. MacKendry gave a selection on the harp, "The Sweet Bye and Bye." Mr. W. McArthur also very ably assisted the program.
Venerable Archdeacon Warren, of Peterboro, occupied the pulpit in St. James church last Sunday and preached two eloquent sermons. At the evening service Mr. Racey Kilmer sang very sweetly. Mr. Kilmer's singing was very much enjoyed.
Miss Emily Hand spent Tuesday in Lindsay and attended the play, "The Lady of the Lake," given by members of the Collegiate. Miss Hand is a splendid artist and we understand part of the stage scenery for this play has been her work.
