PER YEAR

Do you realize that it's just about housecleaning time. It's nice to have that pesky work all done before the days get too warm. Then Easter being late this year enables you to get things freshened up for that glad day. How about a change in your furnishings? Makes a great difference if your windows have some of our new "Bungalow Nett" curtains on them, they are so cheap when considering that 75 and 40c. per yd will not make as expensive drape as curtains at 5 or \$10 a pair. Then they are more "up-to-date" now. For those who cling to the good oldfashioned lace ones we have a dainty selection all the way from 25c. to \$7.50 or there-

Send for our catalogue and see for yourselves. Also a full range of blinds, white, green, cream, plain and decorated to suit 25c. to \$1.00.

We have rever had as handsome an assortment of Madras, Scrims, Art Demins for covering and fancy uses as now on hand.

An elegant range of Tapestry and Wool Rugs and Mats, Mattings, Lincleums, and Oilcloths. 4 yd wide Linoleum for dinningrooms 50c. a yd.
