JUBILEE FAIR

Baseball Tournament And Horse Racing This Year

Capt. N. L. Patterson, the portly and good-natured member of the village council of Woodville, and also an enthusiastic member of the Eldon Agricultural Society, was a visitor in town Thursday, and in conversation with a Warder reporter stated that the Woodville fair this year would without a doubt, weather permitting, eclipse all past records :

year, being jubilee year, the directors have opened up their hearts good and wide and have already announced that besides the baseball tournament there will be some classy horse racing. It is the intention to bring some of the best racing horse flesh in the country to the fair by offering substantial cash prizes.

The directors are also putting their heads together and figuring ou other ways and means by which the Woodville fair can be improved on and figure on making the fair this year a red letter one in the history of the Association.
