1900 Spring and Summer Clothing

Amongst the many bright offerings of our Spring lines of Clothing we desire to emphasize the following. We doubt if a more complete or up-to-date variety of Clothing, Hats and Furnishings are to be found elsewhere in Lindsay :

When you take into consideration the advance on all woollen cloths, and see the quality and style of these Suits, you will be agreeably surprised at the prices we ask for them. They come in Navy Blue Serges, Light and Dark Brown Checks, also Light and Dark Greys, sizes range 36 to 44; prices are

\$7, \$7.50, and \$8.00

It will pay you to examine these Suits. They comprise some real nobby patterns—an ideal business suit, in Navy Serges, Brown and Grey Mixed Tweeds, and Dark Green Checks, we guarantee them all wool, extra well made and finished, sizes 36 to 44, at

Little Local Lines

—The trout season opened yesterday. —The Port Perry Standard says that a daily boat will be run between that town and Lindsay this summer.

—Prof. J. H. De Silberge, the German optician, is at the Benson house, and will remain until Saturday evening. Eyes tested free of charge.

—We meet him and we pity His awful hacking cough— The first fool about town To take his flannels off.

McCormick & McLeod's lumber and tile mill, five miles north of Haliburton village, was burned early Friday morning last. A large stock of lumber, most of it hardwood, was also consumed. There was a great deal of fighting the flames. The mill will be rebuilt.

—On Friday night the Brotherhood of Locomotive Firemen hold an entertainment in the Academy. Judging by the program printed it will be one of the best of the season. The biograph will give choice views and capital numbers will be contributed by local talent. There should be a good house.

—There is a very numerous class of youngsters in this town that is going to get into serious trouble one of these days. The particular sort of youngster referred to is the one that breaks up glass on the roadway, and by that means ruins bicycle tires. There is an epidemic of that sort of thing this season. Repair men say that more damage is being done that way than ever before. The next boy or girl seen putting glass on the street must be taken to the lock up.

—A new form of needlework, very beautiful in its results, is shown in the May Delineator. Instead of accomplishing embroidery by colored stitches of various dyes, as heretofore, very pretty results are obtained by sewing strips of colored wax silk cut out in the shape of leaves or petals or stalks. A most attractive feature of the article describing this method of work, is that there is a full page printed in colors showing the effect of this dainty idea. For sale at all bookstores.

—On Friday afternoon last as an employee of the Jewett accommodation barns was leading a horse on the sidewalk along the new sewer being constructed on York-st., the animal became frightened at something or other, and backing up, fell into the open sewer. It was quite exciting for a little, but Dr. Johnston came to the rescue with the necessary appliances and the animal was placed on terra firma. It was a case for prompt action as the beast was lying on its back and quite helpless. It could not have lived long in that position.

Should be Appreciated

We understand our new hardware firm, Cinnamon & Everson, before the recent advance in hardware, etc., purchased two carloads of nails, one carload of wire fence, one carload of building paper, white lead, linseed oil, mixed paints, harvest tools, lawn mowers etc., and consequently are offering these goods at less than the present manufacturer's prices.—18.

The Hull Ottawa Fire

[Montreal Star, April 27] The Victoria-Montreal Fire Insurance Company last week cancelled all its insurance in the Hull and Gattineau districts. The cancellations above referred to were the results of an investigation made by Mr. G. L. Simple, one of the managers of this company, a short time previous to the fire, and goes to show that the interests of the stockholders are being closely watched.

Church Notes.

—Rev. J. W. Macmillan occupied his own pulpit on Sunday. At night 7th preached his second sermon on the miracles of grace. Subject: "The Good Samaritan." The African troop was present in the congregation.

—Rev. A. E. Langfeldt of Omemee conducted both services at St. Paul's on Sunday. Rural Dean Marsh is absent at the Ecumenical Missionary Conference in New York. Mr. Langfeldt's sermons were much enjoyed by the congregation of St. Paul's.

Personals

—Mrs. Ralph Clarke and daughter are visiting friends in Chicago.

—Mr. R. W. Moore, of Buffalo, N.Y., spent a few days this week with friends in Lindsay and Manvers.

—Prof. DeSilberge, the German optician, is at the Benson house, and will remain until Saturday evening. Eyes tested free of charge.

—Miss Jessie Draper, who has been spending several months with her sister, Miss Millie Draper, town, returned to her home at Severn, Ont., this week.

—James Campbell and family of Janetville leave this week for Minnetonka, Manitoba, in the Swan river valley. A carload of stock accompanies them.

—Mr. Peter Brown, the well-known Mariposa auctioneer, has been ill for the past week with inflammation and heart trouble.

—Miss Jennie Jackson, for some time past in charge of Armstrong Bros. manufacturing department, left for Toronto this week to spend a few months with friends.

—Mr. D. J. King, graduate of Buffalo University Medical School, has received an appointment to the house staff of the General hospital of that city. This is a piece of rare good luck for Dr. "Dave," upon which he has our sincere congratulations.

Sir Chas. Tupper.

Sir Charles Tupper will spend Friday in town. He will be met at the 11 o'clock train by Senator Dobson, Principal Harstone and others. The cadet corps will act as his military escort. Before noon he will address the students at the Institute and at 12:30 will be tendered a banquet at the Benson House. He will hold a reception from 3 to 4 o'clock in the parlor of that house and will be glad to meet as many as can to call on him. Afterward he will be driven about town. At 8 in the evening he will deliver an address at the Institute on "The Past Present, and Future of Canada." Of it our correspondent thus says:

"The subject is a very difficult subject, but there is no one better able to deal with it, difficult as it is, than Sir Charles. If you doubt it come and hear for yourself and go away satisfied—more than satisfied that the lecture is complete master of his chosen topic. To loyal Canadians, this should be of vast interest and to those who are not loyal—if such there be—curiosity ought to bring them hurrying along. To hear however, is to believe, and they that miss hearing this gentleman must blame no one but themselves. It is hoped all Canadians will take advantage of this lecture and show their interest in the well-chosen topic by a full house. Remember the night, Friday, May 4th, and keep it free for the lecture. Drop all political feuds and by attending the lecture help to make it the greatest success of the season. It is not often that such men as the learned lecturer find time in their busy lives to spare even to their friends, and we hold it a great favor for Sir Charles Tupper to come to us. Our only way of showing we appreciate this kindness is by having a good house, giving him the best of attention and the heartiest of welcomes."

YOUR OPPORTUNITY

Geo. A. Milne, the Tailor, has bought at a low rate on the dollar the stock of A. F. Morgan, comprising Suitings, Trouserings, Tweeds, etc. They will be sold at very low prices. Drop in and see them, at G. A. MILNE'S store, Kent-st.—17-2.

Obituary

ROBERT EYERS.

Mr. Robert Eyers died on Monday, April 23rd, at the age of 57 years, 8 months and 7 days. In fact there is a strong impression by some of the family that he was two years older. For some time he had been in a feeble condition, and when he recently caught a cold the recuperative power had diminished to the vanishing point, and a human machine stopped. He came to Canada with his wife 60 years ago, and remained in Manvers 22 years. Having a growing up family he moved to Harvey for their ten years and had the farm now owned by Mr. Seymour. He then moved to Carleton place where he remained for four years, and returned to Bobcaygeon, where he has for the last sixteen years quietly spent out his remaining days. Mrs. Eyers died two years ago, and eight children are still living. He always took an active interest in the Methodist church, and apart from that attended strictly to his own business. The funeral on Wednesday at the Vermont cemetery was attended by many of his old friends.—Independent.

Business Brisk at Manilla

We would say to our many patrons that we are exceedingly grateful to them for their liberal patronage which has been steadily increasing from month to month, and that we are now in a better position to supply the needs of the public generally, having lately added a good assortment of children's youths and men's ready-to-wear suits at prices and in styles to suit the taste in every-day demand such as nails, screws, putty, white lead, linseed oils and turpentine.
