## DR. ROSCOE'S RHEUMATIC REMEDY

Read Weekly Testimonials from those you know.

The Roscoe Medicine Co.

Sirs,—Over a year ago I had a severe attack of inflammatory rheumatism in almost every joint. I was confined to my bed and attended by a physician. A friend brought me a bottle of your Dr. Roscoe's Rheumatic Remedy and after taking three or four doses I could walk and before the bottle was finished I was completely cured and have not had it since. Yours truly,

EUNICE PORTEOUS, Nestleton, Ont.

## Carpenters' Kidneys.

Carpentering is not an easy trade. The constant reaching up and down, the lifting and stooping over are all severe strains on the kidneys. No wonder a carpenter exclaimed, recently, that every time he drove a nail it seemed as though he was piercing his own back. He uses

now on the first sign of Backache and is able to follow his trade with comfort and profit. "I have had kidney and urinary troubles for more than three years with severe pain in the small of my back and in both sides. I could not stoop without difficulty, and I had severe neuralgic pains in both temples. Seeing the advertisement of Doan's Kidney Pills, I got a box. They have given me quick relief, removing the pain from the back and sides, and banishing the neuralgic pains from my head. The urinary difficulty is now entirely gone. I feel fresh and vigorous in the morning, and am much stronger in every way since taking these pills." CLARENCE E. SIZES, Carpenter and Builder, Trenton, Ont.

### PLEASANT VALLEY

Mr. and Mrs. Dan Emrie of Cameron visited friends in this neighborhood recently. Miss C. Skitch and Miss Celia Moynes called at Glenarm on Saturday last. Mr. Wm. Keys of Lindsay spent last Sunday at the home of Mr. W. Smitheram.

Universal regret is felt at the death of Rev. Mr. McDonald of Glenarm, who departed this life on Sunday last, after an illness extending over several months. He resided in that district and attended to the spiritual welfare of the people there for over twenty years. During that time he was enthusiastic in his work and performed his work with the greatest of religious zeal. The funeral took place from the family residence on Tuesday last at 2 o'clock to Glenarm cemetery. Much sympathy is felt for the wife, son and daughter who are bereaved as they were called upon last February to bear a similar affliction, when a sister and daughter was taken from the household.

Mrs. Doherty of Fenelon Falls is visiting at the home of her brother, Mr. Dan McNeven. The trustees and others of S.S. No. 5 Fenelon turned out on Friday last (Arbor Day) and planted maple trees around the school grounds.

### GRASS HILL

Mrs. Saunders has been sick for some time, and unfortunately is no better. Under the tuition of Miss Smith of Lindsay our school children are making good progress.

The Dundas & Flavell Company have put up a new elevator above their storehouse here and will move storehouse No. 2 up to that one. They will put in a gasoline engine to drive the fanning mills and elevate the grain.

Henry Outrith and his brother James arrived here from England a week ago Wednesday. They will locate here. James had been here before and has now brought his brother.

On Tuesday Mr. Seth Metherell of Little Britain passed through here with a herd of 50 or more cattle for Mr. E. Butterworth's ranch in Carden. A week ago last Monday Silverwood Brothers of Oakwood and Lindsay took 119 head through to the north county.

Mr. A. McNabb and son sold two head of cattle to W. Weldon of Cambraj. They weighed 2800 and brought \$6.35 per 100.

Mr. Charles Ross has put up a new driving shed.

Mr. E. B. Smith sold his driver last week to Mr. M. McGowan of the Royal hotel, Woodville, for a good price.

The frost seems to have done very little damage around here.

On Monday night an enthusiastic meeting was held in the interests of Mr. Sam Fox. Mr. Malcolm Myles was in the chair. Messrs. John McSweyn and W. Staples of Lindsay spoke for the Conservatives. Messrs. R. Kennedy and Collegiate Student Perrin represented the Liberals. Mr. Fox will get a good majority around here.

### MOUNT HOREB

The farmers are nearly all done with the spring work. Some of them are improving their farms by making use of the stoning machine.

Mr. Jas. Howe of Janetville is supplying this vicinity with fresh meat during the season.

Mrs. Robert Hart is slowly recovering and also Mrs. Thomas Robinson who has been ill for some time. It is our sad duty to record the

death of Mrs. W. Graham, formerly Miss Maggie Robinson of this place, who dies at her home in Lindsay on May 4th. The funeral was largely attended on Tuesday by a number of sorrowing friends and relatives showing the esteem in which she was held by all who knew her. She leaves a husband and an only son to mourn her loss. Mrs. Graham was only 27 years of age, just in the bloom of life. She had been ailing for some time but not serious until the last few days. Her brothers and sisters were with her during her last hours. She passed peacefully away to meet her Redeemer. Her many friends have the sympathy of the community in this sad bereavement.

### REV. PRINCIPAL GRANT DIED AT KINGSTON ON SATURDAY

#### The Distinguished Presbyterian Divine and College President Succumbs After an Operation

Rev. Dr. Grant principal of Queen's University died at his home in Kingston at 11.05 on Saturday. Since his severe illness in September last, Dr. Grant had not been in robust health. Ten days before his death he had another acute attack of the old disease, kidney affection, and last week underwent an operation which seemed to be successful. On Saturday, however, a fluid began to fill his lungs and in a short time all the functions of the body ceased. Death quickly ensued. He was conscious till an hour before death.

George Munro Grant was born Dec. 22, 1835, at Stellarton, County Pictou, Nova Scotia, the son of a school teacher who later removed to Pictou where the son attended Pictou Academy. When 16 years of age he entered the West River Seminary of the Presbyterian church of Nova Scotia, and two years later was elected by the committee of the Synod of Nova Scotia as one of four students to be sent to the University of Glasgow to be fitted for the Ministry of the Presbyterian church. At Glasgow he took the highest honors in philosophy, and also carried off first prizes in classics, moral philosophy, and chemistry, and the second prize in logic. In divinity he took the lord rector's prize of 30 guineas for the best essay on Hindoo literature and philosophy.

### IN THE MINISTRY

Upon his return to Canada he held missionary charges in the Maritime Provinces, and in 1863 was inducted to the pastorate of St. Matthew's Church, Halifax. He became principal of Queen's College at Kingston and received the degree of D. D. from Glasgow. He was the author of several books. Mrs. Grant died about a year ago.

### DISASTROUS EXPLOSION.

20 Spectators of a Fire Killed and 150 More Will Die From Their Injuries at Pittsburgh.

Pittsburg, Pa., May 13.—The Sheridan yards of the Punhandle R. R. was the scene this evening of one of the most disastrous explosions and fires known in this section for many years. A score of lives were lost and about 200 persons were so badly burned that, according to the judgment of physicians in attendance, 75 per cent. of them will die from the effects of their injuries. The cause of the catastrophe was the explosion of a train of naphtha cars.

Much of the escaping naphtha ran through Cork's Run to Esplan Borough, a distance of one and a half miles, and caused another explosion, blowing to atoms the Seymour Hotel and the Collins House on River road, and badly wrecking a frame building nearby, in which were congregated 200 or more sports from Pittsburg and vicinity, betting on the races, baseball, etc. Few of the occupants of this building escaped injury.

From the Late Gat Howard.

Toronto, May 13.—A short time prior to his departure for South Africa, Major Gat Howard instructed a well known Ottawa artist to execute three paintings of himself, to be presented to the Royal Grenadiers of this city, the 43rd Battalion of Ottawa and the 90th Battalion of Winnipeg.

The portrait presented to the Royal Grenadiers was unveiled last night at the seventeenth annual Batoche dinner of the officers of the regiment, held in the officers' mess at the Armouries.

S. T. E. Earnings.

Montreal, May 13.—The Grand Trunk Railway System earnings, May 1 to 7, 1902, \$601,565; 1901, \$513,222; increase, \$88,343.

### Arbitrators Decide That Those on C.P.R. Eastern Division should Get 20 Per Cent. Increase—Company Accepts.

Montreal, May 9.—The trackmen of the eastern division of the C. P. R. have scored a victory, 20 per cent. having been added to their scale of wages based on those of 1901. This is the result of the arbitration given out and signed by Chas. or Boyd, J. T. Wilson, representing the men, and Fred P. Guellius, C.E., the company.

D. McNicol, second vice-president, while acknowledging the arbitration was closed, did not think the details were of public interest. "All I have to say is, the company agreed to stand by it, and they will do so."

Mr. Wilson, president of the Brotherhood of Railway Trackmen of America, said: "If, as you say, Mr. McNicol agrees to stand by the result of the arbitration it is a great victory alike for the company and the men, because the former had acknowledged a principle which will hereafter assure them of the peaceable working of their property, do away with the necessity of a strike, and render the relations between employer and employe more conciliatory and satisfactory."

The general committee of the trackmen is now in session with the management of the road in regard to the reference of the other divisions to arbitration.

### C.P.R. MACHINISTS.

A General Strike Possible—Committee New in Winnipeg.

Winnipeg, May 9.—A general strike of all machinists on the Canadian Pacific is probable. The General Committee of the Machinists' Union all left their posts yesterday, and have arrived in Winnipeg to present their grievances to the management. They say that they will not arbitrate as the settlement made on that basis last year has proved entirely unsatisfactory.

### BRILLIANT PASSAGE PREPARED.

The Leaving of the Parisian for the occasion on June 7.

Quebec, Que., May 8.—The crew of the steamship Parisian for her port on Saturday, June 7, give promise of being one of the most brilliant passages ever made by Canadian shores. The Parisian takes out the coronation company besides a large number of other passengers, the Governor-General and two or three members of His Excellency's household. The whole party will embark at 7 o'clock on the evening.

On Saturday, June 14, the officers, with the exception of the crew, will sail for the occasion on the Tunisian. The Minister of Militia, with Mrs. Borden, will remain until the Atlantic on the Allan steamship sailing from Montreal on May 31.

### Lawlessness on French Shore.

St. John's, Nfld., May 8.—The incidents of St. George, on the French shore complain bitterly of the lawlessness practiced by the Frenchmen who recently arrived here. No warships are yet on the coast and the lawlessness of the Frenchmen is unchecked. Local fishermen are compelled to carry guns and are ordered to protect their fishing nets. An extra force of police has been ordered to the coast to prevent further trouble.

Dr. Webb Discovers a New Disease.

New York, May 8.—Dr. W. B. Webb issued a statement last night in which he said: "I have discovered many conflicting rumors that have been circulated between the various Securities Companies, the Canadian Railway Company, Mr. A. J. Graham and myself. I desire to say that there never has been any such thing as a 'Webb-Meyer syndicate' as is being reported."
