Many people hesitate to get a Separator because the old style complicated machines are so hard to clean. But the new Sharpless Tubular Separator entirely overcomes this difficulty, and notwithstanding the fact that there are no discs, zig-zag plates or other contraptions in the bowl, it is absolutely guaranteed to skim closer than any other make of separator. A free trial given. Come and see the machine in operation any time on my farm adjoining Cambray or at Massey-Harris shop, Lindsay. Send post-card for descriptive matter and price list to **P. J.
