### Mr. J. H. Carnegie, M.P.P., Has Resigned

From Friday's Daily.  
It is very seldom, indeed, that the people of this fair Dominion hear of a member of the Legislative Assembly resigning, yet this is actually the case in the East Victoria Riding, the popular member, Mr. John Hilliard Carnegie, having tendered his resignation, the same being accepted by the executive committee of the Conservative Association of East Victoria, at a meeting held in the village of Fenelon Falls Thursday.

Mr. Carnegie has been the member for East Victoria for fifteen years, and his resignation will come as a surprise to the majority of the electors in that riding, although it was known that he was inclined to hand in his resignation some time ago. The electors of the riding will also regret to hear that their member has decided to quit politics, for always was Mr. Carnegie a worthy member, one who won the respect and admiration of Conservatives and Liberals alike. His bland, courteous and cheerful disposition, and his ever-willingness to help the electors of his constituency, and the constituency itself, won for him a host of friends, with the result that although his riding has been contested by the Liberals, Mr. Carnegie's majority increased at every election, and at the recent election he was one of the few members of Parliament in the Dominion to have the honor of being elected by acclamation. In 1905 Mr. Carnegie's majority numbered in the ten hundreds.

Mr. Carnegie decided to resign owing to personal reasons. He wished to be relieved of the burdensome position, but it was with a great deal of reluctance that the executive committee accepted his resignation. While he has been the representative in East Victoria that riding has progressed and received substantial assistance in the improvement line. Several roads have been put in excellent condition, and new ones built while new bridges have been built, and others repaired.

John Hilliard Carnegie was born at Peterboro on May 24, 1865, and is the only son of the late John Carnegie, who in his day, was member for West Peterboro from 1867 to 1871, and again in 1883.

J. H. was educated at the Peterboro High School, the Guelph Agricultural College, and in Edinburgh, Scotland. When Hon. Nelson Monteith was defeated at the recent Dominion elections, Mr. Carnegie's name was suggested as his successor to the position of Minister of Agriculture. Mr. Carnegie for years has been an extensive land-owner in Haliburton county, and owns a large ranch in the vicinity of Cobocok, which has been rented during the past three years or so. The subject of this short sketch was first elected to represent East Victoria at the general elections in 1894, and was re-elected as standard-bearer at the general elections of 1898, 1902, 1905 and 1908, (the last by acclamation).

As was stated in last night's Watcher, Mr. J. H. Carnegie, M.P.P., for East Victoria, has resigned. It is now learned that Mr. Carnegie has been appointed to a good position at Osgoode Hall, Toronto, and he will attend to the distribution and sale of law stamps for legal documents at a salary of about \$1,800 or \$2,200 a year. Mr. Carnegie will succeed the late Patrick O'Brien at Osgoode Hall. The convention at Haliburton will be held on May 11.

#### ONE OF OLDES MEMBERS.

Mail and Empire: Mr. J. H. Carnegie, of Toronto, representative in the Legislature for the constituency of East Victoria, has been appointed distributor of law stamps at Osgoode Hall, succeeding the late Dr. Jas. McMahon, who died recently. Mr. Carnegie enters upon his new

duties to-day, at a salary of \$2,200 a year.  
Mr. Carnegie's resignation as a member of the local House has been accepted, and a writ for a new election issued. The nomination for the bye-election will take place at Fenelon Falls, on Tuesday, May 11, and the election will be held one week later.  
"Mr. Carnegie was an old and highly respected member of the Legislature," said Sir James Whitney yesterday, after making the announcement. "His father was also a representative of one of the Peterboro's for several years. He has always stood high in the estimation of his fellows. Since we came into power he has been chairman of the public accounts committee."  
Mr. Carnegie was one of the five oldest members of the Legislature. In 1894 he was returned to represent East Victoria, with a majority of 72, and since that time no other name was mentioned at the conventions, and his majority rose to 1,100. Last year he was elected by acclamation. His home was in Cobocok until last year, when he moved to Toronto, with the intention of living here permanently, and retiring from political life at the close of the present term of the Legislature. The members of the House who were members when Mr. Carnegie was first elected, 15 years ago, are: Sir James Whitney, Hon. Mr. Matheson, Hon. Mr. Crawford, and Mr. C. A. Brower.

From Friday's Daily.  
-Mr. Peter Morrison, of Argyle, was in town to-day.  
-Mr. Frank Carew was in Fenelon Falls yesterday.  
-Mr. J. W. Foy, of Toronto, was in town to-day.

-Mr. Mulcahey, of Baptiste Lake, is in town for a few days.  
-Mr. J. H. Brunk, of Millbrook, spent Sunday in town.  
-Mr. J. H. Hare, of Whitby, was a visitor in town on Saturday.  
-Dr. Frost, of Kinnmount, spent Saturday in town.  
-Mr. D. J. McCrae, of Woodville, was in town Saturday attending the horse show.

### DANGERS OF NEGLECTING A SORE.

NEVER neglect a cut or sore, however trivial it may appear. Mrs. B. E. Bedwell, of 337, Provancher Avenue, St. Boniface, Winnipeg, had a small sore on the second finger of her left hand. She thought it would get right unaided, but it didn't. Instead, blood-poisoning set in. She says: "I then tried poultices and an ordinary salve. These, however, did not have the desired effect, and, as the finger began to fester, I had to call in a doctor, who lanced it. Despite his care, however, it again festered, and the ointments, liniments, and other preparations which the doctor gave me seemed absolutely unable to bring about any relief. We were told of a case similar to my own in which Zam-Buk had effected a cure when everything else had failed, and we, therefore, decided to give Zam-Buk a trial. It only needed a few days to show the wisdom of this step. The blood-poisoning and inflammation were reduced, and the pain became less acute. In under three weeks from first commencing with Zam-Buk the finger was quite sound again."

# Zam-Buk Saved His Hand!

## WHEN TORN BY TROLLEY ROPE.

WORKING men and women throughout the Dominion find that Zam-Buk is the greatest boon they can have as a healer of accidental cuts, burns, and bruises, as well as skin diseases. Mr. H. G. Purchase, conductor on the Toronto Street Railway, tells how this great herbal balm benefited him when he met with his accident.

The trolley pole of his car slipped off the live wire, and the rope was caught in the standard. Purchase held on to the rope until his hand was pulled up to the top of the car. There it was held, and the rope, pulled through his fingers by the force of the moving car, tore and lacerated to a shocking extent three fingers, tearing several pieces of flesh completely away. Zam-Buk was applied, and eased the pain very quickly. Writing to this effect, Mr. Purchase says: "I had previously had experience of the healing power of Zam-Buk, and the way it soothes cuts and injuries. I, therefore, bound the fingers in Zam-Buk, and it was most gratifying the way in which this balm soothed the pain. Two days after the accident the wounds were closed, and new skin was beginning to form over the top. Each day I dressed the wounds with Zam-Buk, and I am now back again at work with the hand as sound as ever. To look at it you would never know it had been so terribly torn and lacerated. I do not think there is anything to equal Zam-Buk as a healer of skin injuries and diseases."

WHAT YOU SHOULD USE ZAM-BUK FOR.  
Zam-Buk cures pimples, skin-eruptions, burns, cuts, piles, festering ulcers and sores, blood-poisoning, salt rheum, prairie itch, ringworm, bad leg, diseased ankles, old wounds, eczema, and all skin-diseases. All Druggists and Stores sell at 50c. box, three for \$1.25, or post free from Zam-Buk Co., Toronto, for 50c.

## Make Things Grow

Spring is here and right now is the time to make things grow. The trees and bushes need pruning, the dead limbs should be taken off, and the garden and lawn will amply repay you later on for a little attention now. Good workmen use good tools, and those are the only kinds we carry. Let us suggest garden harrows, garden and lawn rakes, spades, spading forks, shovels, garden trowels, pruning shears and saws, spray pumps. Briefly, everything to make the lawn, garden and shrubbery beautiful for the coming year.

## D. CINNAMON

Hardware and Stoves, Lindsay  
Call and see the fence and get prices.

## Does Not Stimulate

Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alterative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says. J.C. Ayer Co., Lowell, Mass.

What are Ayer's Pills? Liver Pills. How long have they been sold? Nearly sixty years. Do doctors recommend them? Ask your own doctor and find out.
