

# THE WEEK'S NEWS of the COUNTY and DISTRICT

From our own correspondents.

## POWLES' CORNERS.

Powles' Corners, May 18.—On Saturday last the usual tranquility of this vicinity was broken by an exciting runaway. Mr. Thos. Harrison left his horses and wagon in charge of two of our small boys, while he went to talk a few moments to a neighbor. One of the boys, obtaining the whip, commenced "cracking" it with the result that the team started off suddenly. The other boy who had the monopoly of the reins was unable to hold them, as he could not maintain his seat on the "reach," there being no box on the wagon. This youth jumped off and let the horses go. The animals tore up the road at a frantic pace and ran for about a mile, when they were stopped by Mr. Rutherford. The horses were unhurt, but the wagon was slightly damaged.

Messrs. W. Powles, J. Moore and many others were in Lindsay on Saturday last.

Instead of the usual services last Sunday, Mr. N. E. Johnston gave a short report of the missionary congress, which was held in Toronto a short time ago. Mr. Johnston had his report well in hand and gave some very valuable information about home and foreign missions. It is hoped that the report will prompt increased missionary zeal in this locality.

Miss Barber, of Fenelon Falls, attended divine services here on Sunday.

Sucker fishing is the chief occupation just at present. In our humble opinion, if all the stories about monstrous suckers are true, some of those self-same suckers must be miniature whales.

Hurrah! Hurroo! Baseball is no longer a myth, but has become a reality. The locals have organized a team under the captainship of Mr. B. Sims. Enthusiasm is not wanting and many an old-time story of victory is recalled with joy. It is to be hoped that the team will have a successful season. Here's success to the "Powles' Corner Shamrocks."

## REABORO.

Reaboro, May 18.—Mr. Neil Gray, contractor and builder, is about to commence building a barn for Mr. John Little of this place. It will not be known as the little barn, however, as its dimensions will be something like 75x45 feet.

Mrs. Jas. Greer and Miss Nellie Greer, wife and daughter of our popular merchant, intend taking a trip through Western Canada during the month of June.

Mr. Charles Veals spent a few days in Simcoe county last week visiting his nephew, Mr. Henry Jones of Hillsdale.

Mr. Sam Carew, of South Emily, and Mr. F. Reeds, of Bethel, paid our village a flying visit last week.

The Rev. Mr. Mackenzie, pastor of the Methodist church here, will leave us after the general conference in June. Mr. Mackenzie has won many friends here. He leaves to complete his course in college.

Mr. Wm. Roadway, who has been very ill for some time, is able to be around again.

Mr. Jas. Bowhey and Mr. Addison Courtemanche are putting wire fences around their lots, thereby adding to the beauty of the surroundings. Mr. Dolph Courtemanche has also put a wire fence around his place.

Mr. Sam. Bryant's shop will soon be completed, and will be one of the finest buildings of its kind in this part of the country.

## ACCIDENT AT OMEMEE.

Omeme, May 24.—(Special).—A very sad and possibly serious accident befel Dr. Sutton this evening.

He was returning from a professional call when owing to the noise of fire crackers or some other cause, his horse became unmanageable, and when it came to the place of turning into the doctor's residence, was going at such a high rate of speed that it could not make the turn and dashed into a group of trees standing in front of Mr. George English's residence. The impact of the buggy against the trees, threw the doctor out against a tree, striking with his head and breast. He was picked up in an unconscious condition and carried into his home. Latest reports are that he is semi-conscious and suffers great pain, but hopes are entertained for his recovery.

Dr. Snelgrove is in attendance, and a nurse and another physician have been telephoned for.

The lamentable accident has thrown a gloom over the whole town after a day of great pleasure and sport.

Two cases settled.

High Court opened Tuesday afternoon before His Lordship Mr. Justice Garrow, of the Court of Appeal, Toronto. Two cases were settled.

Hoey v. Jas. Flury, of Lindsay, an action to set aside a deed, it being claimed that the deed was obtained through undue influence. Action dismissed with costs. Stewart & O'Connor for plaintiffs and Hopkins and Hopkins for defendants.

Wm. Callaghan v. Township of Emily, an action to compel the construction of a drain. Judgment: township to dig drain and pay \$115.50 costs. Stewart & O'Connor for defendants and Hopkins & Hopkins for plaintiffs.

BIG CONVENTION.

Over two hundred Roman Catholic brethren, all members of the well-known Knights of Columbus order, assembled in Lindsay on Monday, and it was a red letter day in the history of the local council. It was also a gala day in every respect for the visitors, who were present from all corners of the province and from the United States to participate in the initiation of a large number of local and outside candidates. The visitors arrived in town on a C.P.R. special train from Toronto and western points early in the morning, while the eastern contingent arrived on the regular trains.

DERAILMENT ON HALIBURTON.

A bad pitch-in occurred on the Haliburton line this morning, when three heavily-laden box cars were derailed near Lochlin, about ten miles this side of Haliburton. The accident occurred at seven o'clock, and as a result the train was several hours late in arriving at Lindsay. The train was in charge of Engineer Ralph Clarke and Conductor D. H. Gall, and was running at a high rate of speed when the accident occurred.

The real cause of the accident is unknown, but it is thought that the brake beam or some other part of the car next to the engine dropped down, with the result that the car was derailed.

Just as the accident occurred the engine broke away from the train, otherwise it would no doubt have been derailed.

The three cars were heavily laden with charcoal from the Wood Product Co., of Donald, and were billed to Toronto.

There were thirty passengers on the train and considerable excitement prevailed for a few minutes, but no person was injured.

Eight men are said to have been killed by hailstones in Texas.

## HERE IS PROOF.

The disappointed victims of poor Catarrh remedies should read the statement of J. R. Smith, of Lake Stream, N.B. In Catarrhzone he found an absolute cure and says:

"Last winter my little girl of eight caught cold which lodged in her ears in the form of catarrh. She became sick and deaf and nothing helped. By inhaling Catarrhzone she got relief and gradually the discharge went away. She was cured perfectly of catarrh. Personally I can recommend Catarrhzone for coughs and throat irritation; it's a wonderful medicine." Sold everywhere, 25c. and \$1.

## Bronchitis More Than a Cold

SOMETIMES IT BECOMES CHRONIC AND RETURNS AGAIN AND AGAIN, WEARING OUT ITS VICTIM.

AT OTHER TIMES IT DEVELOPS RAPIDLY INTO PNEUMONIA — CURE IS FOUND IN DR. CHASE'S SYRUP OF LINSEED AND TURPENTINE.

Any cold is dangerous enough when its dreadful possibilities are considered, but when there is soreness or tightness in the chest and a dry hard cough you can look for bronchitis, which is often confused with an ordinary cold.

It is usually known by aching limbs and body pains, chilly feelings, weariness and weakness, pain in the chest and a tight, tearing cough. Fever, dry skin, thirst, coated tongue and constipation are other symptoms.

Dr. Chase's Syrup of Linseed and Turpentine seems almost like a specific for bronchitis because it is so successful in loosening up the cough, aiding expectoration and preventing the inflammation from reaching the lungs.

Bronchitis is particularly dreaded because of its tendency to develop into pneumonia and even when this does not result bronchitis is likely to return again and again whenever a slight cold is taken until it wears out even the most vigorous system.

Dr. Chase's syrup of linseed and turpentine is so prompt in affording relief and so thorough in its reaching in action that it succeeds when ordinary cough medicines have no influence.

Mr. James F. Thompson, Yonge Mills, Leeds Co., Ont., writes: "Last winter my two boys were so bad with colds on the chest or bronchitis that they coughed all night and could get no rest or sleep. Several cough remedies were tried to no avail until I was told about Dr. Chase's syrup of linseed and turpentine and this treatment soon cured them." 25 cents a bottle, at all dealers, or Edmansons, Bates & Co., Toronto.
