**Banquet in Omemece Opera House a Grand Success**

There was a splendid turnout on Thursday evening at the shredded wheat banquet, given in the opera house by the Girls' Guild of Christ church. The menu card contained many delectables, and were served by the young ladies in style a la Delmonico.

There was an address on natural food by Mr. J. Hewitt, a representative of the Canadian Shredded Wheat Company, and the following program by local performers: Instrumental (piano) Miss Weatherlit; duet (vocal) Messrs. Stephenson and Earle; song, Mrs. Earle; song, Miss Parsons; piano duet, Misses Weatherlit and Grandy; song, Mr. Earle. "God Save the King" concluded the entertainment, which was capably chaired by Mr. J. B. L. Groat.

The annual road race for a silver cup donated by Colonel Hughes will be run on Victoria Day. There is no admission fee: open to all amateurs who are bona fide residents of the province. The distance is five miles. Further particulars may be obtained from Dr. Sutton, to whom all applications from competitors should be sent by 20th inst.

A large number of people from Omemece and its rural suburbs went over to the Electric City on Saturday to the horse fair.

Mr. L. Wilson has purchased a handsome young driving horse.

Messrs. English and Bushnell delivered, last week, a large consignment of young fruit trees and shrubs.

Mr. Percy Parsons has moved into the residence on East King-st. recently occupied by Miss Thornton.

The Library concert and the ride match on Victoria Day are subjects of much conversational interest.

Building operations are about ready for the new Methodist parsonage.

Reeve Mulligan and the other members of the village council were inspecting the walks on Saturday and noting changes and repairs to be made.

Mr. John W. Mitchell was suffi-

ciently recovered to be able, with Mrs. Mitchell, to drive out and visit Mount Pleasant friends on Sunday.

The laying of the corner stone of the new Methodist parsonage will take place on Friday of this week at 2 p.m. It is expected that the following will take part in the ceremony: Mr. and Mrs. J. C. Eaton and their son, Master Timothy C. Rev. J. P. Wilson, of Lindsay, the pastor, Rev. Robt. Burns, Reeve Mulligan, and others.

The quarterly service held in the Methodist church was well attended. The pastor announced that next Sunday evening he would preach a special sermon to the young people and the following Sunday his subject would be "The Creator and the Comets."

Our earnest sympathy is extended to Mr. Fred Johnston, who was called away last week to attend the funeral of his brother at Gravenhurst.

On Friday evening, 29th inst., the Epworth League of Omemece Methodist church held its annual meeting, and elected the following officers for the year: Hon. President, Rev. Robt. Burns; 1st vice-pres., Miss Ida Nugent; 2nd vice-pres., Miss Etta Scott; 3rd vice-pres., Mr. W. Smythe; 4th vice-pres., Miss H. Courtney; recording secretary, Miss Stella Wilson; assistant secretary, Miss P. Skuce; corresponding secretary, Miss A. Parsons; treasurer, Miss Luella Nugent; organist, Miss Edith Nugent.

Miss Mackenzie has assumed the position of principal of the high school. Miss Weatherlit, who resumed her position in the public school, was presented with a complimentary address at the close of her service in the high school by the pupils she had taught since Christmas. The expression of approval was a fitting sequel to the devotion and zeal of so capable a teacher as Miss Weatherlit, who appreciated the happy "au revoir," and replied in terms of gratitude.

Mr. Harry Hayes, of Toronto, is in town.

**PROMINENT MEN OF VICTORIA COUNTY**

CHARLES CORNELL.

Nineteen years as tax collector fitted Mr. Charles Cornell, the present popular reeve of the Township of Emily, for the position. Mr. Cornell was never in the township council, but the experience gained through

being tax collector for such a long term of years makes him well qualified for the position. Charles Cornell was born in the Township of Ops in the year 1846, and is the third son of the late David Cornell. He lived with his father on the old homestead until he was twenty-seven years of age, and on getting married he moved into the township of Emily, taking up residence on the farm on which he now resides, one half mile from his birthplace. This is Mr. Cornell's first year in the township council, but it is felt that the ratepayers elected a good man. He has already displayed an active interest in the affairs of the County of Victoria, and at a recent session was appointed a member of the Roads and Bridges committee, which committee has been very busy lately in regard to the building of a new steel bridge at Little Bob. Besides being collector for nineteen years, Reeve Cornell was also assessor for five years, and his equalizations were always fair and could be depended upon. In public life Reeve Cornell always believed in the old motto, "Treat others as you would have them treat you." The ratepayers of Emily are to be congratulated on being so fortunate in securing the services of Mr. Cornell to help to conduct the municipal affairs of the township and of the county at large.

**Rheumatism**

"Rheumatism is produced by the accumulation of uric acid in the blood, and this poisonous substance attacks and inflames the membrane covering the joints and separating the muscles, thus producing severe pains. If the waste products to the system are not properly carried off, uric acid forms and is deposited in the joints and between the different layers of muscles. If Henderson's Herb Tablets are taken in time it will prevent the accumulation of uric acid, assisting the liver and kidneys to eliminate the waste product from the blood.

Mrs. R. C. Neale, 30 Bellevue-ave., Toronto, Ont., says: It is with great pleasure that I give this testimonial in favor of Dr. Henderson's Herb Tablets for they certainly have done wonders for me. For over one year I was a great sufferer from inflammatory rheumatism and erysipelas. During that time I had doctored and tried almost every kind of medicine that I thought would help me, but with no results whatever, until I became thoroughly discouraged. I was requested to try Dr. Henderson's Herb Tablets. They seemed to work like magic in my case, and after using them for five months I am completely cured. Price 50c and \$1 per box at Dunion's drug store.

**MR. HERMAN DYING OF STONE IN THE BLADDER**

Gin Pills passed the Stone

513 James St., Hamilton. "Four years ago I was taken down with what the doctors called Inflammation of the Bladder—intense pains in the back and loins, great pain and difficulty in urinating. The pain was greatest in the region of the bladder, and the attacks, which became more frequent, amounted to unbearable agony, and I became so weak that I could not walk across the floor. Doctors could do nothing to help me. My wife read in the paper about Gin Pills and sent for a box.

From the very first I felt that Gin Pills were doing me good. The pain was relieved at once, and the attacks were less frequent. In six weeks the Stone in the Bladder came away and the pain stopped entirely. I have had no return of the trouble and have not lost a day's work on account of it. I cannot express myself strong enough when I speak of what Gin Pills have done for me. When I remember how I suffered, and how now I am healthy and well and strong and able to do a full day's work, I feel I should speak and tell other sufferers of my experience and of the wonderful merits of Gin Pills."

JOHN HERMAN.
